BOGUS BUTTER TAXED.

Farmers and stockmen of Nebraska are also interested in what is known as the "Grout bill." This bill provides packing houses of the country are usthe committee on agriculture, and there seems to be no disposition that it shall be favorably considered. The packing mands they are making now is that the "Grout Bill" shall not pass, and it is a safe prediction, although every fartion at the hands of a republican confree seeds and free vaccine are taken away from him there will be very little else left for him to live and labor for.

TRYING TO KEEP THEIR SHAME SECRET.

One of the most cowardly and dis

graceful scenes ever witnessed in the halls of congress occurred last week on the day that Senator Mason of Illinois called up his resolution discharging the committee on foreign relations from a armies of the British empire, Early is January Senator Mason introduced a resolution of sympathy for the Boers, and it was referred to the committee on foreign relations, of which Senator Davis of Minnesota is chairman. The committee refused to report the reso lution back to the senate and Senator Mason introduced another resolution discharging the committee from its fur-ther consideration. When he arose to speak last Friday Senator Davis moved that the senate go into executive ses session, so the doors were closed, that the people of the United States and the world might not hear what Senator Mason had to say. The facts are that the republican leaders in their sympathy for the British government in the South of the United States and for that rearepublican senators were taunted with cowardice and were dared to reopen the doors of the gallery to the American people, but the doors were not opened They had received their orders from the president of the United States, and in this day of our national independence and year of our Lord that trust-dictat ed word seems supreme with the leaders and devotees of the republican

BENATOR FORAKER SAYS, "ASK HANNA."

that should Mr. McKinley be elected days.

chief executive of the United States Mark Hanna would be in fact the president. Republicans denied this and in each recurring campaign since 1896 until the present the same charge has been refterated and denied. But it remains for a prominent republican in the United States senate to reaffirm what was said by the Bryanites in this respect. and to establish beyond a peradventure that there are others who think Mark Hanna, the agent of the trusts, is the keeper of the conscience of William Mc Washington, D. C., March 27.-It will Kinley. On last Thursday, while Senbe cheering news for the farmers and ator Fornker of Ohio, was speaking to stockgrowers of Nebraska, and especials the subject of the Puerto Rican fariff. ly of the Sixth congressional district he was interrupted by Senator Tillman

> Mr Tillman-Will the senator explain why it was that the president of the United States, who had better sources of information than he (Foraker) did, prior to the assembling of congress, in his message, gave us to understand that it was our bounden duty to have free trade between the United States and Puerto Rico, and that he himself introduced a bill without any mention of this great exigency, that this was necessary, or that this revenue must be derived to keep people from starving, and that in the house. of representatives there was introdueed a free trade bill, and they only found after Mr. Oxnard, the sugar trust king, had gone before a committee, that there were interests which would be jeopardized if sugar came in free?

> Mr. Foraker-I will have to refer the senator to my colleague. (Mr. Hanna J

Mr. Tillman-To whom? Mr. Foraker-To my colleague. I do not know. I am not the keeper of the president's opinion.

So it will be seen that the cut is out of the bag at last, and that not only do tributions if the republican party will populists and democrats know that Mr. put a stop to the free distribution of McKinley is owned by Mark Hanna blackles vaccine, and on that account but here is a republicum of national some republicans are in favor of killing prominence and in good party repute po the bill but it is thought by those who was boldly announces it to the world have been looking into the matter that from his scat in the United States sen-ROD SMITH.

#### MINNESOTA GREETS BRYAN. The Leaders of Fusion Forces Send

Congratulations.

Lincoln, Neb - (Special.)-A letter has seen received by W. J. Bryan, accompanying a large-sized painting of Governor Lind of Minnesota. Its story of the unity of purpose and of the enthusiasm of the fusion forces, as shown by the joint signatures of all the state chairmen and national committeemen was particularly pleasing. The letter is as follows:

"St. Paul, Minn., March 19.-Hon, W. J. Bryan, Lincoln, Neb.: Honored Sir-Your host of friends in Minnesota exing every effort to kill the bill in the tend through us their congratulations committee, and it looks now as though, and good wishes upon this, the fortieth, they would be successful. This bill, return of your birthday. Please accept like the blackleg vaccine bill, is before from us this accompanying portrait of the governor of Minnesota, who so worthily represents the democracy of Jefferson and Lincoln. We pray that, houses are heavy contributors to the as in the election of Governor Lind, a republican campaign funds and are great triupmh has already been achiev. therefore in a position to make de- ed in our state, Minnesota may add to mands of that party. One of the devote for that approved tribune of the expectation of our nation, and who KERFOUS AND SPECIAL DISEASES. will as we trust and believe, on the people, by the people, shall not prish from this earth.' Sincerely yours,

"FRANCIS H. CLARKE, "Chairman People's Party. "L. A. ROSING, Chairman Democratic State Central

Committee. "C H. PETTIT. Chairman Minnesota Silver Republic an State Central Committee,

"J. H. BOWLER, Member People's Party, National Committeeman from Minnesota THOMAS D. O'BRIEN. Member National Democratic Committee, Minnesota.

"ELWOOD S. CORSER. Minnesota Member of Silver Republican National Committee.

"GEORGE L. CANFIELD. Democratic Reform Press Bureau.

### GOLDEN CLOSELY WATCHED.

Mysterious.

Lexington, Ky .- (Special.) F.W. Golden is the cynosure of all eyes in the Goebel murder investigation. He slipped into Lexington last night, kept himself hidden and was under serveillance of detectives all day today, defeating the purposes of all except his friends to see him. He left this afterchester, accompanied only by a detective. He was absolutely inaccessible

M. Steele of London, Ky., who are here, Golden denies having told a portion of what is attributed to him. He explained that he probably was drinking and talked too much.

To Steele, Golden said: "Rumors g ng over the country are all a lie. You will find out later I am telling you the

BRYAN TO VISIT NEW MEXICO. Denver, Colo., March 27.-A special to he Republican from Albuquerque, N. M., says: The democratic territorial contral committee has called the territorial convention to meet in Albuquerque April 13. Local democrats have received word from Hon. W. J. Bryan In the presidential campaign of 1896 that he will be here April 14. Arrangements will be made for him to address the convention, which will last two

## THE LAST CHANGE

The present price of the complete ourse of instruction as given in the Nebraska School of Magnetism by Prof. Kharas and his able assistants is to be advanced from \$100 to \$200 April 2nd. A new class will be organized April 1st, and this will be positively the last at the low rate for tuition. And why not advance the price? All schools of Osteopathy charge from \$300 to \$500 for the course in that science alone, and all reputable schools of Magnetic Heal-ing charge at least \$100 for that in-struction alone, but Prof. Kharas gives both courses for \$190 up to April 1, 1900. The wonderful success of his method and the demand for his graduates has made the increase in price necessary. Why, his graduates are able to cure all ild chronic, and many so-called incurable diseases as soon as they complete as six-weeks' course in drugless healng, and are enabled to earn from \$69 to flee a week. He makes a standing offer to anyone who will enter his school be-fore the 1st of April that he will employ him or her to work for him in his institutions at from \$50 to \$65 a month for the start and \$65 to \$125 a month later on, and will give employment for years, or will forfeit \$500. This is This is I usiness proposition and will bear dosst investigation.

When a man can do what Prof. Kharas has demonstrated that he and followers can do, that man has a for-tune in his grasp. Why plod along in the old ruts of misfortune. Learn to master "Fate" and conquer disease and poverty. Write today for literature and proofs of his wonderful cures. Kharas is a scientist, and his life is devoted to doing good for his fellow men, but he has no connection with any church or creed or sect of religious fanatics. His work is the result of years of scientific Write today for literature and investigation, and not a "special gift." Hundreds of festimonials, and the most contineing proofs offered you free for the asking Address The Nebraska School of Magnetism, or The Nebraska Magnetic Infirmary, 1515-1517 Chicago St., Omaha, Neb.

Prevents much sickness, particularly throat and long difficulties, attributable to unsanitary coatings on walls. It has been recommended in a paper published by the Michigan State Board of Health on account of its sanitary features; which paper strongly condemned kaison ines. Alabastine can be used on either plastered walls, wood cellings, brick or canvas, and any one can brush it on. It admits of radical changes from wall paper decorations, shus securing at reasonable expense the latest and best effects. Alabastine is manufactured by the ALABASTINE COMPANY, of
