 The Democratic party, stands for the "Declaration of Independence" and the constitution of the United States; it stands for the "Republic" and not Empire; it stands for the interests of the people and not for trusts and combines.

 The Board of equalization, now in session will hardly complete their labors this week, after having finished the equalization of the Assessors returns, they will again sit as a Board of Commissioners and are not likely to finish their duties before the 4th.
 The assessors books discloses the fact that the assessor for Running water precinct reported little if any improved land which is said to have more valuable and improved land in it than any precinct in the county. In all probability an over sight in the assessor for that precinct.

Tres., of the Western Nebraska Stock-Growers Association will be in Harrison, day after tomorrow for the purpose of obtaining membership to the above association, should any body desire to join. Any body in the county who would like to become a member should be sure to be here Saturday to meet Mr. Vanbuskirk.
 The County Board, are authority for the statement that the precinct assessors have reduced the assessment on real and personal property so low this year that the levy will have to be raised as high as the law will permit and, then the amount will be so small for the county the legitimate claims against the county must be paid out of, will not meet perhaps one half the obligations against the county for the current year.

Report of County Sunday School Convention.
 The eighth annual convention of the Sioux county S. S. Association was held at Harrison on June 13th & 14th and was a very interesting meeting much enjoyed by those present. The four Sunday schools of Sioux county which are "all the year round" S. schools were all represented but one. And we also had representatives with us from Pleasant Ridge school in Wyoming. All the schools but one showed a slight gain in attendance and interest over last year.
 We were greatly helped by the presence and address of Mr. Kimberly missionary of the American S. S. Union He made us all feel the need of better preparation for our work in the Sunday schools, and suggested practical ways of getting this preparation. The convention from beginning to end was marked by the hearty interest of those present and a desire to get suggestions to take home for the help of the several schools represented.
 The officers elected for the coming year were J. B. Burke President, Mrs. R. M. Wallace Vice President, Mrs. E. L. Rice, Secy & Treasurer. It was decided to hold the next convention next year at about the time of this one, either at Glen or Little Cottonwood. The exact time and place being left to the officers.
