The steady rain for several days since our last issue is a grand thing for the country. So far as moisture is now concerned no one can complain, and if the dreaded hail does not strike we will have a bountiful crop of hay and grain in Northwest Neb. this year. Farmers and ranchmen are all felling good over the prospects.

We expect to give the program of the Fourth in our next issue and ask our readers to watch for it. A considerable amount of funds has been raised for this purpose and we trust that the people of Harrison and surrounding vicinity will take an interest and help make this a celebration that will be one to be remembered.

A wreck occurred to the east bound passenger train on the Northwestern Tuesday evening near Douglas. The engine struck a bunch of cattle and went down an embankment of about fifteen feet. The baggage and mail car was also derailed but the passengers' coach did not leave the rails. The only one injured was the fireman and he escaped with only a broken leg. The wrecking train was sent out from Chadron and in a few hours things were in running order again.

A meeting was held at Gerlach's store last Wednesday night to make arrangements for the celebration to be held at Harrison the Fourth. A goodly number was present and much interest was taken. L. Gerlach was elected chairman, L. C. Davis, secretary and W. B. Wright treasurer. El O'Connor, James Bourret and Floyd Jones were placed on the committee for arrangements and program. There is no question but what Harrison will have a celebration that will give everybody a good time, and everyone is invited to help make it a grand success.

A WONDERFUL INVENTION.

It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the most popular devices are those designed to benefit the people and meet popular conditions, and one of the most interesting of these that has ever been invented is the Dr. White Electric Comb, patented Jan. 1, 90. These wonderful Combs positively cure dandruff, hair falling out, sick and nervous headaches, and when used with Dr. White's Electric Hair Brush are positively guaranteed to make straight hair curly in 25 days' time. Thousands of these electric combs have been sold in various cities of the Union and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c, ladies' 50c.—(half price while we are introducing them.) The Dr. White Electric Comb Co., Decatur, Ill.
