Monday and Tuesday is what would be considered a rush for Harrison. The hotels were crowded to such an extent that it was necessary for them to get all the rooms in private houses that they could and then they were unable to furnish sleeping room enough and some of the people even went to the county jail where the jailor made them as comfortable as he could. Over 150 entries were made at the county clerk's office on Tuesday and long before the office opened a crowd had assembled so as to be ready when 9 o'clock came. The clerk was obliged to get several deputies to help him through the rush. We hope all the homeseekers will meet with the best of success.

**At the annual school meeting here last Monday J. H. Lacy was elected moderator for a term of 3 years and a levy of 15 mills was made for all purposes. A good feeling and interest was shown throughout the meeting and we hope it may continue through the entire year. Of late years there has been too much interference in the school by the patrons but we hope that this year there will be no such interference. If you have a grievance go to the board of directors, for we are sure they will give you all a hearing, and by doing this not only your own children will be benefited but the whole school.**

The writer and wife enjoyed a pleasant time at Bodare last Sunday. After an interesting Sunday school conducted by Mrs. Minnie Miller one of the Lords faithful ones; we listened to an interesting talk from Mrs. Emma L. Rice after which we had dinner which the people of that place know so well how to prepare, we again listened to an interesting Missionary talk in the afternoon from Mrs. Rice. There was a crowded house, and all were glad to greet Mrs. Rice once again. We are sure from the attention given all enjoyed the services from beginning to the end.

**BREEZES FROM CENTRAL CITY**

We have been so busy picking and eating strawberries for the past two weeks we have not had time to write. How often we have wished our Sioux county friends could enjoy them with us, and we have been glad that our patch of berries was a small one, for I assure you there is plenty of back in a small berry patch to satisfy me. We have up to this time picked 312 quarts and shall have plenty to eat this week yet. We have got filled up now so it does not take quite a gallon a meal for us now.

We know the Cottonwood and Bodare friends are enjoying having Mrs. Rice with them again, and we think it possible she may come to C. C. some time in the near future. We are enjoying a visit with Grandma Davis, and we have sure put in the time visiting two rows at once. She came Friday and the girls are taking her to Lou Plosts this morning, where she will take the train at Aurora for home Tuesday morning. We think she cut her time with us all to short.

The State S. S. Convention was well represented from C. C. and a grand time is reported. Crops are looking fine, we have had plenty of rain but the cut alfalfa and strawberries. We have plenty of peas, beans and new potatoes so we shall not miss the berries so much, for peaches will soon be plenty. It is almost time to celebrate the 4th, but I took my holiday a couple of weeks ago and went with 70 others to Fullerton to a picnic, where I saw the first genuine hills for nearly four years, but I have written enough for this time and will leave the tale of "Lovers Leap" and account of our trip for the next time.

Land talk and contest seems to be the order of the day but we think some will have to stand a hard fight.

M. D. Worthington and Frank Carlson returned home from Montana and we extend them a hearty welcome.

Mrs. Fellers and son Ed made a trip to Harrison last week and on return home were accompanied by Mrs. Lux and daughter.

Haysseed was mistaken about the picnic at Beaman's sawmill the Fourth as there will be no picnic on the creek. Everyone intends to celebrate in Crawford.
