Humore, Eczema, Itchings, Inflammations, Burnings, Scalings and Chafings Cured by Cuticura.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of bair and crusting of the scalp, as in scalled head; the facial disfigurements as in pimple and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk erust, tetter and salt rheum-all demand a rem edy of almost superhuman virtues to specessfully cope with them. That Cuticura Sosp, Offirment and Pilis are such stands proven beyond all doubt by the testimony of the civilized world.

Miss Whittaker, a prominent club woman of Savannah, Ga., tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

"DRAR MRS. PINKHAM: —I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, Miss Easy Whittaker, 604 39th St. or medicine W. Savannah, Ga."

No physician in the world has had such a training or such an amount of information at hand to assist in the treatment of all kinds of female ills as Mrs. Pinkham. In her office at Lynn, Mass., she is able to do more for the ailing women of America than the tamily physician. Any woman, therefore, is responsible for her own trouble who will not take the pains to write to Mrs. Pinkham for advice. Her address is Lynn, Mass., and her advice is free
