### Fats vs Leans

The fat men vs lean men ball game played at the Starke diamond Thursday evening created considerable rivalry as the former won by a score of 4 to 2. The later team who claim they can win are going to play again tonight and the series will close next Thursday.

Prof. Betz and Claude Frost were on the mound for the fats while George Kalley who receives grain at the elevator did the receiving of the ball from these two pitchers. Joe Hewitt, Fred Turnure, Frank Perry and Amos Miksch were the twirlers for the leans and Ed. Platt was behind the bat.

Dr. Nicholson played a stellar game for his outfit and was the star at the bat. Several of the players on both teams were injured and Ben Copley, while making a death defying slide for second base, sprained his ankle and is now hobbling around on crutches.

Most all the players had considerable fun and created amusement for the spectators and both teams want you to be present tonite.

Mr. Isadore Johnson of this city and Miss Verna Hutchins, daughter of Mr. and Mrs. John Hutchins of Cowles, were united in marriage by Rev. Cope at the Methodist parsonage last Thursday afternoon. Dr. R. S. Martin and Miss Rachel Cowden standing up with them.
