Red Cloud Pastor Goes to California

A few weeks ago Reverend E. A. Frantz had announced his resignation as pastor of the Red Cloud Brethren Church. At that time his plans were to locate at Carleton, Nebraska in Thayer county. Some very unfavorable developments regarding the high school situation there have lately made it impractical that Mr. Frantz should locate his family there. On this account satisfactory arrangements were made by which the present pastor will continue his services in that locality for the present, and Mr. Frantz was relieved.

A few days ago Reverend Frantz accepted the pastorate of the Brethren church in Pomona, California, and will Ford it thru, starting from here in about ten days. Pomona is a city of 20,000 population situated about 40 miles east of Los Angeles, in the citrus fruit district. Just three miles from Pomona one of the colleges of the Brethren church is located in La Verne. This college privilege so near will be much appreciated since daily bus service may be had to and from the college.

Class of '22 Holds a Reunion

What has become of the pep of the High School Class of 1922? Has it vanished and become shattered? The reunion proved that the old class spirit of fellowship had increased one-thousand fold.

Fourteen members of the class eagerly answered the oft repeated summons of "Meet at Patten's and bring your lunch". All serious thoughts of work were laid aside for a real holiday; Goldenrod beach winning the honors by a unanimous vote.

Three o'clock found a Dodge, Ford and a "Studey" speedily making their way eastward. After the dusty ride some chose to swim, others to apply more artificial powder to hide mother earth's natural provision. Failing in their attempts to drown themselves, the swimmers awakened to the fact that it was "most eatin' time."

With a cry of "Let's eat", a most delicious and glorious repast was spread before the members of the class. Leaving the "flames (of passion)" to partake of the forsaken morsels we once more journeyed to the beach.

The pull of gravity exerted upon the skating rink floor was surely tested. To one member the "pull" (or was it the "push") seemed most uncommonly powerful—resulting only in a bruise and tear (present of tore). These were quickly healed by the great watermelon feast. We all agree that John Coon can raise the ripest, sweetest and "heartiest" watermelons in the country.

Plans are made to have a reunion every year to keep in touch with all members of the class and to follow thru life's journey of happiness and service.

BAPTIST

Bible school at 10 a. m.
Morning service at 11 a. m., Subject: "What the Religious World is Thinking About."

Evening service at 8 o'clock. Subject: "What was Heard at the Association."

Administration of the Lord's Supper at morning service.
General Prayer and Conference meeting on Wednesday evening.

Meeting of the Choir on Friday evening.

Many things the past week have been of interest. Good attendance was noted at the mid-week meeting, and the Farewell Party for the family of Mrs. Christian was greatly enjoyed. The song service on Friday evening was inspiring and the service of the Choir on Sunday morning was fine and much appreciated. All at home speak enthusiastically of the Sunday evening service, and a good audience at Indian Creek also had a good evening of music and address. Monday evening the Ministerial Association foregathered on the lawn at Bro. Tweedy's and gave expression to their high regard for Rev. Frantz and family, incidentally partaking of a very sumptuous repast. (How the chickens have diminished in number during the week!)

One event of solemn import, has been the passing of Sister Hanson, whom all had learned to respect and love. The memorial sermon will be remembered for long, and the life so completed in the earth, for a period not to be measured. What a comfort it is to "Seek Him who turneth the Shadow of death into the morning, the Lord is his name."

All not attending elsewhere, cordially invited.

I. W. EDSON, Pastor.

Mrs. J. H. Hanson Dies

Mrs. J. H. Hanson passed away at the family home in the second ward Friday morning after a brief illness. She was born in Denmark, November

8, 1852, and came to the United States with her parents; they locating at Davenport, Iowa. On August 30, 1877, she was united in marriage to J. H. Hanson. To this union, were born two sons, Edward of Casper, Wyoming, and Will of this city, and one daughter Mrs. Emma Euyart of Boulder, Colo.

Mr. and Mrs. Hanson moved to Webster county from Gage county, Neb., in 1908 where they have since resided. The deceased was a faithful member of the Methodist church. Funeral services were held at the Methodist church Tuesday afternoon. Rev. Cope in charge.

Last Friday the Franklin, Guide Rock and Red Cloud I. O. O. F. members and their families held a picnic at the golf links. In the morning the Franklin and Guide Rock lodge teams crossed bats, the former team winning by a score of 17 to 0. In the afternoon Red Cloud played Franklin the latter winning by a score of 2 to 1. Brothers E. J. Overling, C. G. Nelson, Sherm Shipman and Dan Garber were the local speakers and they each made splendid talks. Grand Warden Groves and Grand Chief Patriarch Button of the Encampment also gave short talks. The races were then pulled off which brought the event to a close.
