Ask your friends and neighbors to come with you—we are so delighted with the New Model MAJESTIC that we want everyone to see it. Come whether you buy or not. Let the factory representative, who will be with us all week, show you just how the MAJESTIC is made—inside and out—show you the true reasons why this wonderful range performs, looks and lasts so much better than other ranges.

FREE—During This Exhibit Only

Look at these two fine sets of cooking utensils! Either set may be yours absolutely without cost, just for deciding to buy your Great Majestic Range this week instead of later.

Polished Solid Copper Set
The set illustrated to left is of pure heavy copper highly polished and of exquisite design. Every woman falls in love with it on sight—don't fail to drop in and see it.

Special Majestic Ware
This wonderfully servicable ware, illustrated below, is well known by thousands and thousands of Majestic Range users, it is the highly prized, extra heavy, old time Majestic Set, the same as furnished before the war.

Let the factory representative give you the opinion of an experienced expert. He will show you the many features of the new Majestic that have gained for it the proud position of being the most dependable and beautiful range in America. Reputation in a range is something to be carefully considered before buying, for reputation is made up of tests successfully passed.

Choose the style of new Majestic that meets your individual need and preference, the practical, durable, economic and matchless cooking qualities that have always distinguished the Majestic ranges are the same in every type. In addition to its superior working qualities, the new Majestic, by its handsome design and graceful artistic appearance, gives a touch of beauty to any kitchen. It is not only the best range to work with, it is the best to live with.
