## THE CITY.

Mr. Gaddis and wife visited in the city Tuesday and Wednesday. Posvar Bros. have invested in a new header and will begin harvesting at once.

Geo. E. Zimmerman of Liberty was doing business in Hemingford, yesterday.

D. A. Paul dropped in Wednesday and "insisted" with \$1.50—for the HERALD.

Postmaster C. H. Irion of Lawn, was shaking hands with county seat friends yesterday.

Mrs. S. J. Woetton of Marsland visited in Hemingford Tuesday, the guest of Mrs. H. B. Austin.

Martin Mahony and Pat Collins were in town Thursday. They made this sanctum a pleasant call.

Charley Brennan and Mr. Ballengee, pitcher and catcher for the Alliance nine, staid in town Tuesday night and attended the entertainment.

E. E. Ford, one of the sound democrats of Lawn precinct was in town Monday. He informs us that Ford and Walrod have engaged to cut 500 acres of grain.

Mrs. M. E. Hammond called Saturday and subscribed for this "ladies democratic journal". Mrs. Hammond is a republican but says she must have a home paper.

Conductor C. B. Dodge laid over a few minutes in Hemingford last Monday and found time to call on the HERALD. Mr. Dodge was formerly a member of the "art preservative."

Misses Maggie and Mary, and Masters Johnny and Michael Elmore of Alliance, are spending a week with their aunt, Mrs. Lemon. They spent Wednesday and Thursday in Hemingford visiting Mr. and Mrs. O'Keefe.

The water has been turned on in the Mirage Flats irrigation ditch, at Dunlap, and several hundred acres of land are being irrigated. It is too late in the season to do much good but there will be 10,000 acres under the ditch next year.

The cheese makers over at Dunlap, will doubtless have a national reputation as ball players soon. Last Saturday they played a game with Wanatah, playing seven men to their opponents nine, and winning by a score of 55 to 27. Hemingford would like to use them just as we do their cheese.

The two year girl old of Mr. and Mrs. Mike Collins of Box Butte precinct died Wednesday of cholera infantum. The funeral services took place Friday forenoon, interment Hemingford cemetery. The bereaved parents have the sympathy of a large number of friends.

The ball game Tuesday between Alliance and Hemingford was quite interesting. The score stood 9 to 16, favor of Hemingford. A big dance was given in the evening and an enjoyable time was had by all. The success of the dance was largely due to the efforts of Harre and Geo. Goodenough.

B. F. Gilman and his brother S. G. left Monday morning for quite an extended western trip. They go to Hot Springs for a few days and will then ride through Yellowstone Park on bicycles and afterwards visit relatives at Great Falls, Montana. The boys are novices with wheels and we predict for them a worse time than Carl Smith, the World Herald's correspondent is having at Jackson's hole.

Mrs. Gilman was as near to being angry, last Tuesday, as she ever gets. B. F. had chopped her enough wood to last during his absence, but during the night some enterprising neighbor, who doubtless believes in a more equal division of property between the rich and the poor, appropriated the lion's share of the pile. Mrs. Gilman says she wouldn't care if the wood had not been cut but the idea that some other good woman, will cook her bread by the sweat of Benjamin's honest brow, worries her.

At a meeting of the directors of the Box Butte Co. Agricultural Society held at the court house July 31st it was decided to make an exhibit at the State Fair to be held at Omaha, Sept. 13 to 20. The Directors of the different precincts were requested to make a special effort to collect the best samples of products in their vicinities and in as large quantities as possible. Messrs Olds, Tash, Winten and Sherwood were elected as a committee to interview the county commissioners and ask their assistance in making the exhibit a success.

The people in general are requested to bring in samples of the best products and deliver to I. E. Tash who will receive and care for them.

**Berea Scrapings.**  
The Misses Lillie and Edna Johnson are attending the institute this week.

The section gangs all along the line are cutting down and destroying the Russian thistle according to law.

Quite a deal was made between W. H. Jewett and a Mr. Scott last week, the former buying 24 head of cattle of the latter.

Several of the farmers around here are thinking of going down on the Yankton reservation to take up land. Better stay where you are boys, if you know when you well off.

We understand that May Davis of Alliance, is engaged to teach the next term of school in district No. 12. She is reputed to be a first class scholar and an accomplished lady.

We all smoke No 5 cigar.

Representative McMillan, of Tennessee, is enthusiastic over the democratic outlook, in his state as well as in the country at large. He says: "The people of Tennessee are in the best of good humor over the magnificent crop and the improved condition of business. Our iron furnaces are in active operation, and that is about the best evidence of business revival. I feel confident that a new era of industrial prosperity is about to set in, and twelve months from now we will have forgotten all about the great panic. In fact, it will be surprising if 1896 doesn't turn out to be a regular boom year. The good times will be a powerful ally of the democratic party in next year's struggle. With the nation enjoying a high degree of prosperity it will be difficult to rob the party in power of the credit. The democrats will go into the campaign with the confidence born of popular approval, while the republicans will have lost the effective cry of hard times."

**NOTICE.**  
The Central Committee of the peoples' party of Box Butte county will meet at the court house Saturday, Aug. 19th, at 2 o'clock p. m., to fix time and place for a convention to elect delegates to the judicial and state conventions, to be held on the 26th and 28th of August 1895. G. W. WAINES, Chairman Co. Com.

SHOES of all kinds, styles and prices. Can fit any foot and pocket book. W. K. HERNICALL.

## Alliance News.

Register Wehn started Sunday night for Wilber, Neb., on business of importance.

Frank Landers of Lincoln, an old Illinois friend of Mr. and Mrs. S. M. Smyser paid them a visit last Friday.

All of Mr. and Mrs. Mike Elmore's children are rusticated with their aunt Mrs. John Lemons near Hemingford.

Mrs. Coutant returned home last week accompanied by her sister Miss Moser who will remain during the summer.

Mrs. W. G. Simonson entertained a number of her lady friends at her home on Tuesday afternoon in a very pleasant manner.

Mrs. Ed Mollering, and her sister Mrs. Root arrived in the city Sunday morning. Mrs. Mollering returning from her visit to Nebraska City and Mrs. Root to reside here, her husband having accepted a position with Field's Pharmacy.

Street Commissioner Kennedy is having Russian thistles removed from all the streets. People should now have pride enough about them to remove the weeds from around their premises. For general neatness and cleanliness, Alliance can easily take front ranks with any town in the state.

A written request from the Alliance Artisan Band will be presented to the Council at their next regular meeting asking for permission to erect a band stand on the public square. Should it be determined to reserve this location for a public fountain, a good location for the boys would be on the vacant lot south of the opera house.

The city council will be called upon at the next regular meeting to pass an ordinance levying an occupation tax on all non-residents selling goods in opposition to our merchants from house to house by sample, also an occupation tax upon all traveling theatrical troupes and other shows and performances exhibiting here for the purpose of taking money away from the town. The City may just as well make two or three hundred dollars in a year in this way as to have the money taken out of town. Unless our merchants are protected in some way, they must necessarily charge more for their goods in order to meet expenses, which causes dissatisfaction among the people, resulting in a general demoralization of business.

Attorney R. C. Noleman left for Omaha Sunday night as Attorney for the Dawson family in the hearing ordered by Governor Holcomb beginning on Monday. Last year while this family were traveling overland enroute for Tacoma, Wash., they camped for a night on the road a short distance from South Omaha. While thus encamped they were set upon by the Vic McCarthy gang, a band of notorious toughs, and robbed and beaten in a shameful manner. The authorities in those parts either through fear of the gang or being in cahoots with them, quieted the matter and hustled the family on to Alliance, where they have since been located part of the time in a destitute condition. The matter being laid before the British government of which government the Dawsons are subjects, an investigation has been ordered, when, if the statements of the Dawsons can be proven, a demand will be made by the

British government for reparation. Mr. Noleman has an enviable reputation in this state as a persistent fighter in legal matters, and if there is any show at all of sustaining his clients he is the man that can do it. Further developments will be awaited with interest.

## LAWN GLEANINGS.

C. H. Irion and wife spent Sunday at their ranch on the Running-water.

B. F. Moore passed through Lawn, enroute to the county seat Tuesday.

C. A. Lockwood postmaster at Canton, had business at Lawn, Tuesday.

C. L. Hall and wife, of upper Snake Creek were trading at the burg Saturday.

Quite a number of our young people are attending the institute; among whom are Dora Rohder, Pearl Broshar and Fred H. Ruhter.

Farmers are busy with their crops in the vicinity of Lawn, and a much better yield of small grain will be harvested, than was expected.

Mr. Henry Clark and Miss Squibbs were married by Squire Johnson of this place, last week. May their lives be happy and prosperous.

There are three headers in this neighborhood this year and all of them will have plenty to do. The farmer having found out that heading is a saving of both time and grain.

We are glad to note the fact that Wm. Ruhter who was so disabled last spring that he could do no work for three months is now so fully recovered as to be doing all his work about the farm.

Mrs. C. H. Irion says, if the parties who visited her cellar Sunday, while she was away, will return the crocks and plate that contained the butter and cakes she will say nothing more about the matter.

Mr. A. H. McLaughlin called in Lawn, yesterday. Mac is a candidate for sheriff and is well liked by all who know him. He is an old resident of this county, having settled on his present ranch before there was any settlement in Box Butte county. If he succeeds in getting the nomination as he doubtless will, he will get a hearty support from Lawn precinct regardless of politics.
