Secondly, tailor-made tweed or cashmere knickerbockers fitted over the hips and closed on each side with buttons.

Thirdly, the black satin or silk and the shot taffeta knickerbockers. These are made to match the skirt lining and are very handsome affairs.

Fourthly, and lastly, the accordion-plated knickerbocker, or divided skirt, for this is the connecting link between knickers and skirts.

Collarettes and fronts of green taffeta are much admired, and will be worn with dresses of almost all summer materials.
