Mining Region Johannesburg, the London of South Africa, nine years ago a barren adt and eight years ago a miners' is now the center of some 100,000 inhabitants and increasing about as fast as brick and mortar can be obtained. says a writer in Chambers' Journal, It is situated directly on top of the gold. and on looking down from the high ground above it looks to an English eye like a huge drawn-out mass of tin sheds with their painted mine chimneys running in a straight "line all along the quartz gold reef as far as you can see in either direction. The largest, or main roof, rans for thirty miles uninterruptedly, gold-bearing and honperity of the Transvaal gold trade. On day, a remedy against idleness. usually about £100,000 worth is consigned by each mail boat.

As we enter the town we find fine and well-planned streets crossed at friends-the teacloths and chocolate places with deep gutters-gullies, napkins which have run to earth the rather-to cary off the water, which is overworked "engagement teacup." The often, in the heavy summer rains, deep- chests, made of black old Dutch oak, er than your knees. Crossing these at are most suggestive of the Hollander's a fast trot, the driver never drawing love of table linen, and are supposed to rein, the novice is shot about in hie inspire most enthusiasm in making the white-covered, two-wheeled cab, with collection. And no table linen can be its large springs, like a pen in a blad- better of its kind than the old, heavy, der. Indeed, one marvels at the dain- Dutch linen, with old figures worked in tily dreesed habitue of the place being a shade of white that shows only in cerawung through st cerned and with. We pass fine public buildings, very as importers seem to prefer the exhigh houses and shops, somewhat jer- tremely fine, sliky French or Irish prory-built, it is true, and goodness help ductions. them in case of a large street fire -but now being added to or replaced by larger and more solid buildings. Indeed, bricks cannot be made fast enough to supply the demand, both here and in some of the outlying Transval towns where the gold boom is on. There are lofty and handsome shops with most costly contents which can vie with London or Paris.

A WOMAN VETERINARY.

interesting Operation for Fracture Per-

formed on the Log of a Canary. Dick suffered a broken leg.

Mr. Keldin summoned his wife and installed her as chief surgeon. Reaching into the cage he quickly seized the little sufferer and cecured him firmly tiny logs turned upward.

place by thread.

On the tenth day the bandages were removed, as he was discovered pecking at them. Barring a slight enlargement at the point of the fracture the little songster is as good a bird as sver.

Learn to Listen Thtelligently,

"Learn, after you have learned to terest through your eyes, and when it "his imperial majesty:" is needed say the encouraging word that, like hot water on the tea brings out the strength. If a speaker mentions a wrong date do not correct her. The world cares for the interesting talk, not for whether the affair de- noble. scribed happened on Thursday or Friday, nor whether the bonmot was born at 9 or 1 o'clock. The effect on the speaker is belittling, and you have no right to underrate any one. Chatter about anything you will but personalities. But do not feel that you must raise the tone of society by ringing in, gates! when everybody is laughing at some funny little story about a child or all are smiling at an amusing description of how the orange blossoms grow down south, your opinion of some beavy history that has lately been published. Society is not a school; it is a pleasure ground."

Toll. "Have you written your graduation

gssay?" asked Maud. "Yes," replied Mamie.

"Wasn't it a lot of work?" "Just dreadful. First I had to hunt up words that were big enough and then I had to keep looking in the dictionary to see what they mean, and, honestly, I began to think I never would get it finished."-Exchange.

Protty Hich.

Once upon a time a goat, who was about to partake of a poster, bethought him to observe the trend of the jest which it was designed to depict.

"Ha, ha," he laughed, "ha, ha. That's pretty rich. I guess I'd better not eat it, with this touch of indigestion I'm having."- Detro!t Tribune.

Potsums Est Watermelons.

Possums are destroying watermelons at White City, Fla., and giving more trouble than the razer back hog, since they cannot be fenced out. "Ne'mine," says Sambo. "Possum he be fat hisse"!

DAMASK DOWRIES.

fins Endicott's Highly-Prized Chests of Linen.

When Miss Endicott married Mr. Jonh Chamberlain she carried with her to her English home many chests of nousehold linen, says Demorest Magaine. These were far more precious in her eyes than her boxes of Paris gowns. nd well they might be, for, besides the cautiful products of modern looms emcoidared with intricate monograms by killful French fingers, she had treasres creamy in tint and noft with age eirlooms from the days of her Salem intestors, when spinning, though ueedful art, was the occupation of feminine leisure, the employment of the rich and the poor, in the intervals of more important business and in the eycombed with mines throughout, long nights of winter. The distaff was This, even were it alone, could speak then, like the embroidering of soft cushfor the stability and continuous pros- ions, table centers and dollies, of our between £300,000 and £400,000 worth of seau chest," from the mother to her engold, and the newspapers show that gaged daughter soon after the ring has been given by her fiance. It serves its earliest duty as the rejository of the congratulatory offerings from girl y, quite uncon- tain lights. This is still manufactured, ampling a frill. but it is difficult to find in this country,

the desk of the average pretty stenographer it would reveal a condition of boys's jocket, only for variety and 11th. uniqueness know that the desk would far outrival the pocke3t, says the New York World.

I didn't have X rays, but I got a glimpse, nevertheless, inside of one of To Mrs. Charles E. M. Keldin of this city must be given the credit for a delicate piece of surgery that should awaking the admiration of professionals, of professionals, as age the New York Journal. A cage cays the New York Journal. A cage containing a favorite co To Mrs. Charles E. M. Keldin of this these desks the other day. The owner the floor, and in the crash poor little along any day during lunch hour in the neighborhood of Cedar street and Broadway.

This is what I saw: A jackknife, a cake of violet-scented sonp, a bag of kisses (candy ones), a box in the palm of his left hand, with both of camphor pills, a box of (face) powder, a safety revolver (unloaded), a A tiny splint was then cut from a package of love letters, a bottle of match and a lint of cotton one-half an pickles, a pair of goloshes, a little porceinch wide and about three inches long lain teapot, a package of tea, a box of was well saturated with listerine. Mrs. pepsin tablets, a bottle of plives, a jar Keldin then, with a delicate touch of jam, a box of charcoal tablets, a copy straightened the leg, applied the splint of "Carmen," with a newspaper critiand wound the limb, which was held in cism of a well-known actress' kiss as a The bird moped for a day or two, gionary, a hair-crimper, an old shee, a but gradually grew cheerful, and at in- jar of cold cream, a box of scented writtervals would cautiously put down his ing paper, a pair of skates, a pair of lame leg. On the fifty day he kept the stockings, an opera bonnet, a bottle of leg down and sung as cheerfully as tonic, a hundred other things and-a bottle of whisky.

The Evolution of Revolution

Mr. D. H. Perry, in writing the story of Waterloo for Cassell's "Battles of the Nineteenth Century," gives an interesting series of quotations from the Moniteur, announcing the escape of Napoleon from his first exile in Elba, speak, to listen and to listen intelli- and his advance on Paris. The evolugently," writes Ruth Ashmore in La- tion of phrases is amusing from "candies' Home Journal. "Express your in- nibal" to "usurper," from "usurper" to ber 18th:

The cannibal has left his den. The Corsican wolf has landed in the Bay of San Juan.

The tiger has arrived at Gay. The wretch spent the night at Gre-

The tyrant has arrived at Lyons. The usurper has been seen within fifty miles of Paris.

Buonaparte is advancing with great rapidity, but he will not set his foot inside the walls of Paris. To-morrow Napoleon will be at our

The emperor has arrived at Fountainebleau.

His imperial Majesty Napoleon entered Paris yesterday, sururounded by his loyal subjects.

Men and Their Hats.

"Well, well," remarked a leading hatter the other day; "everybody has smiled at the vanity of women as they take long and fond glances at their reflections in the store windows, but man. The uglier a man is the longer it takes him to suit himself with a hat and the oftener does he look into the glass while buying one. I have an unusually unprepossessing customer who would exhaust the patience of Job. He chore into the store the day after the spring styles arrived and consumed two hours and ten minutes in getting a her that pleased him. The next day be re turned the hat and had one mode order. The man is so ugly that no hing ould improve his looks but a mask." Philadel his Record.

Relig one Ignorance.
