CURE CONSUMPTION.

T. A. Slocum, M. C., the Great Chem-
ist and Scientist, Offers to Send
Free, to the Afflicted, Three Bot-
tles of His Newly Discovered
Remedies to Cure Consump-
tion and All Lung Troubles.

Nothing could be fairer, more phil-
anthropic or carry more joy in its
wake than the offer of T. A. Slocum,
M. C., of 183 Pearl street, New York
City.

Confident that he has discovered
an absolute cure for consumption and
all pulmonary complaints, and to
make its great merits known, he
will send, free, three bottles (the
Slocum new system of medicine) to
any reader of the Herald who is suf-
fering from chest, throat and lung
troubles or consumption.

He invites those desirous of ob-
taining the remedies to simply send
him their express and postoffice ad-
dress, and receive in return the three
free bottles.

Already this "new scientific course
of medicine" has permanently cured
thousands of apparently hopeless
cases.

He considers it his religious duty—
a duty which he owes to humanity—to
donate his infallible cure.

Offered freely, apart from its ad-
herent strength, is enough to com-
mend it, and more so is the perfect
confidence of the great chemist mak-
ing the offer.

He has proved consumption to be
a curable disease beyond any doubt.

There will be no mistake in send-
ing—the mistake will be in overlook-
ing the Doctor's generous invitation.
He has on file in his American and
European laboratories thousands of
testimonials of experience from those
cured, in all parts of the world.

Delays are dangerous; mail your
address to T. A. Slocum, M. C., 183
Pearl street, New York, and when
writing the Doctor, please mention
reading this article in THE HERALD.

Comfort to California.

Every Thursday morning, a
tourist sleeping car for Salt Lake
City, San Francisco and Los An-
geles leaves Omaha and Lincoln
via the Burlington Route.

It is carpeted; upholstered in
rattan; has spring seats and backs
and is provided with curtains,
beddings, towels, soap and etc.
An experienced excursion con-
ductor and a uniformed Pullman
porter accompany it through to
the Pacific coast.

While neither as expensively
furnished nor as fine to look at
as a palace sleeper, it is just as
good to ride in. Second class
tickets are honored and the price
of a berth, wide enough and big
enough for two, is only \$5.

For a folder giving full partic-
ulars, call at the nearest B. &
M. R. ticket office. Or, write to
