Local and Personal.

G. L. Taylor and wife visited Alliance Friday.

A new sidewalk was laid on Box Butte and Niobrara avenues this week.

Rev. John E. Moore, Omaha, canvassed the town Monday for Webster's dictionary and the International encyclopedia.

R. D. Owens is again holding down his old position in Anton Uhrig's hardware store. Robert is a good steady hand and is never out of employment.

Z. T. Cunningham of Box Butte received the sad intelligence last week of the death of his father who resided at Rutledge, Mo. Owing to the telegram being delayed Mr. Cunningham could not get there in time for the funeral hence he did not go at all.

Patrick Collins of Box Butte precinct was in the city Wednesday. He reports crops in his vicinity doing nicely.

Dr. Blanchard went to Lusk, Wyo., Monday morning to do some dental work. He will be gone a week or ten days.

Tom Killeen brought his blooded horses "Cyclone" and "Grey Eagle" down from Ardmore last week and is now putting in his spare moments breaking them to eat hay.

Lewis Morgan and J. H. Broshar went to Alliance Tuesday for the purpose of appearing before the pension examining board but were disappointed as only one member of the board was in town.

Miss Estella Taylor returned from Hot Springs Friday. She has been attending the Black Hills college for the past year.

Geo. E. Zimmerman, a successful farmer and stockman of Liberty precinct, was trading with our merchants Friday.

Mrs. John O'Keefe and children came up from Alliance Tuesday for a visit with relatives and friends.

Herncall wants chickens of all kinds.

Miss Lena Jay visited Hemingford friends Sunday and Monday.

Mrs. Fenner and daughter, Miss Alma, of Dunlap, were Hemingford visitors Saturday.

The Hemingford Cornet Band will give a grand ball in the court house hall, Hemingford, on the evening of July 2. Grand march at 8 o'clock. This will be the social event of the season. The proceeds will be for the benefit of the band and everyone is cordially invited.

Rev. Hazleton hitched up his bronchos Monday and in company with his wife and baby and Miss Della Reed started to drive to Mr. Reed's place southeast of town. When crossing the railroad track one of the horses slipped and fell, breaking the tongue of the buggy and the other horse commenced to kick. Mr. Hazleton who was sitting on the edge of the seat was thrown out on the double trees and the buggy was turned on its side with Mrs. Hazleton and the baby beneath it, fortunately the horses broke loose entirely from the vehicle otherwise the accident would probably have resulted seriously if not fatally to Mrs. Hazleton and baby. As it was, no one but Mr. Hazleton received any injuries and his are not serious.

The townsite company will make some improvements in Hemingford in the near future. Hemingford is all right and always will be.

Mr. E. Mabin brought us a lot of lettuce and pie plant today for which he has our thanks.

John Macek, the tailor, is turning out the best work and at reasonable prices. If you want a nice suit call and see him and get prices.

Mrs. Gilman is much improved in health and returned from Alliance today.

Mrs. Earnest was so much worse last Saturday that her condition was considered dangerous and her children were telegraphed for. She is improving at this writing and there is hopes for her recovery. Clyde arrived from New Castle Monday and her daughter Mrs. Smith, of Washington, came Tuesday night.

William Willmot, an old settler living six miles west of town was brought before the commissioners of insanity on Thursday and was examined relative to his mental condition. Several witnesses had been summoned and after listening to all the evidence and making an exhaustive investigation, the board determined that while Mr. Willmot's mental condition was not exactly normal, and there was good grounds for filing the complaint, yet his condition was not such as would warrant his commitment to an asylum and he was discharged from custody.

Sioux City, Iowa, June 7.—Ponca, Neb., to-day submitted a definite proposition to Donald McLean, organizer of the transcontinental railway to be built between the Missouri and Los Angeles, for the location of the eastern terminals. It agrees to vote a tax of 10 per cent of its assessed valuation, furnish a right of way to the river, and a bridge franchise, give land for the location of shops and yards and use its influence to secure a tax from neighboring townships. It will probably get the terminals.

It was the pleasure of the writer to spend Thursday in Edgemont, one of the best and liveliest towns in South Dakota. In company with Mr. E. C. Eddie, superintendent of construction work on the smelter, we visited the smelter site which is one and a half miles south of the city, where the work is being rapidly pushed by Mike Elmore who has forty teams at work grading and excavating. The railroad bed to the grounds is graded and ready for the iron and the machinery for the smelter has been ordered.

Mayor Sharrock was busily engaged in the "pleasant" work of moving into his handsome new residence. Mr. Sharrock is as hearty and joyful as ever and no doubt is good for a hundred years yet if he holds on to his present appetite. We found Messrs Goddard and Stewart working like trojans on the Express, which by the way, is the leading newspaper of the Hills country. Mr. Goddard, the editor, spends a portion of his time in the northern hills and is a great hustler. It is evident that Edgemont's population will be doubled within the next year and she is destined to become a great city.

The ladies aid extend their thanks to the gentlemen who so kindly assisted in building the storm door on the M. E. church. Storm Door Committee.

C. J. Wildy has just received from Chicago a new line of nice Dry Goods. See him before sending away. Save money and patronize home industry.

FREE EMPLOYMENT.

State Labor Bureau at Lincoln Now Ready to Receive Applications for Help or Employment.

Lincoln, Neb., June 5.—All persons desiring help and all out of employment should write at once to the State Labor Bureau and let their wants known. The late legislature passed a law making this a free employment bureau for the entire state.

Those who want help should state in their applications exactly what kind of help is wanted, in what branch of labor, etc. Those who want situations should state sex, age, height weight, trade or branch of labor, length of service or experience references, etc.

All information received by the bureau will be held strictly confidential and all services rendered will be free. Absolutely no fee will be charged in any case. This is a free employment bureau and is designed to do away with the private employment agency nuisance in the cities, by which so many worthy people are victimized.

All desiring help of any kind—carpenters, brickmakers, mill men, farm hands, city laborers, cooks, servant girls, or help of any kind, should immediately apply to this office and they will be put in communication with those in the line of service desired.

Persons out of employment should also write without delay. All unfilled applications should be renewed after thirty days.

Communications should be addressed to State Labor Bureau, Lincoln, Neb.
