Important to Settlers.

I am now prepared to transact any and all business settlers may have with the U. S. Land Office. Will be at Crawford, Nebr., on Mondays of each week. If notified that any settler desires to do business at Marsland or Belmont, will meet them there on Tuesdays or Wednesdays. Will be prepared to do business at Hemingford, all other days in the week. Non-resident holders of tree claims, can complete their final proofs without coming to the county, by corresponding with me. T. J. O'KEEFE,
U. S. Court Com'r.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is postive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back kidneys liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor wine or beer and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need any medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention the HERALD and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantee the genuineness of this offer.

NOTICE TO DELINQUENTS.

Notice is hereby given that the interest and rental upon the contracts of lease and sale to the following described Educational Lands situated in Box Butte county, Nebraska, as set opposite the names of the respective holders thereof, is delinquent and, if such delinquency is not paid within ninety days from the date of this notice, said contracts will be declared forfeited by the Board of Educational Lands and Funds and said forfeiture will be entered of record in the manner provided by law.

CURE CONSUMPTION,

T. A. Slocum, M. C., the Great Chemist and Scientist, Offers to Send Free, to the Afflicted, Three Bottles of His Newly Discovered Remedies to Cure Consumption and All Lung Troubles.

Nothing could be fairer, more philanthropic or carry more joy in its wake than the offer of T. A. Slocum, M. C., of 183 Pearl street, New York City.

Confident that he has discovered an absolute cure for consumption and all pulmonary complaints, and to to make its great merits known, he will send, free, three bottles (the Slocum new system of medicine) to any reader of the Herald who is suffering from chest, throat and lung troubles or consumption.

He invites those desirous of obtaining the remedies to simply send him their express and postoffice address, and receive in return the three free bottles.

Already this "new scientific course of medicine" has permanently cured thousands of apparently hopeless cases.

He considers it his religious duty—a duty which he owes to humanity—to donate his infallible cure.

Offered freely, apart from its adherent strength, is enough to commend it, and more so is the perfect confidence of the great chemist making the offer.

He has proved consumption to be a curable disease beyond any doubt.

There will be no mistake in sending—the mistake will be in overlooking the Doctor's generous invitation. He has on file in his American and European laboratories thousands of testimonials of experience from those cured, in all parts of the world.

Delays are dangerous; mail your address to T A. Slocum, M. C., 183 Pearl street, New York, and when writing the Doctor, please mention reading this article in THE HERALD.

The Chicago Chronicle

IS FIRST OF ALL

A GREAT NEWSPAPER.

INCIDENTALLY it is an advocate of democracy, with no leaning toward populism or state socialism. The triumph of the republican party in the recent presidential election, as a result of the disruption of the democrats, devolves upon the latter the duty of reconciliation and reorganization on the lines of their own, and not some other party's, faith. To promote genuine democracy, to discountenance populism, and to resist the monopolistic tendencies of republicanism will be the political mission of THE CHRONICLE in the future as it has been in the past.

As a newspaper THE CHRONICLE will continue to be comprehensive and enterprising, sparing neither labor nor expense to make its reports of all noteworthy events of superior excellence, and covering exhaustively the entire field of news, discovery, invention, industry and progress.

For one cent a day every family within five hundred miles of Chicago may have on the day of its publication a copy of a great daily newspaper, costing thousands of dollars to produce—a miracle of cheapness and value combined.

5 DROPS

49 YEARS OF SUFFERING FROM RHEUMATISM.

Read carefully this testimonial found below, also letters from those who have been cured of other diseases and remember that "5 Drops" has and can never fail to quickly relieve and permanently cure. Sept. 9, 1896.

DEAR SIR:—Your bottle of "5 Drops" received. It was for an old friend, Mr. Wm. Edwards, of Martinstown Wis. He has had Neuralgia in his chest, suffering a great deal of pain, so much so that it affected his heart and he could not sleep on account of a smothered feeling. He has been under the care of the most eminent physicians, but found no relief until I gave him a dose of "5 Drops." The very first night he rested well, and has ever since, and is gaining daily. I myself am 67 years old and began taking your medicine last April for Rheumatism, which I have had for 49 years, also for a weak heart. Since taking "5 Drops" the Rheumatism has all disappeared, the stiffness is gone from my joints, and my heart never misses a beat. I am to-day a well, strong woman, and I owe it to "5 Drops." I only wish I could sound my bugle of praise loud enough to be heard all over the world, and could convince every one that "5 Drops" is all you claim it to be and more.

Mrs. D. T. Carver, Winslow, Stevenson Co., Ill.

34 YEARS OF SUFFERING.

DEAR SIR:— JANUARY 2, 1897.

Over 34 years ago, I had Typhoid Fever, and barely escaped with my life. It left my system so shattered that I have had ever since, Rheumatism and Throat Trouble, which gave me a terrible Cough. I had been unable to find any relief for these diseases, until I learned of your "5 DROPS", which I commenced taking only two months ago, and my cure has been indeed wonderful. Already my cough has entirely disappeared, and the Rheumatism which for a few years past has threatened to make a cripple of me, is cured, and I am free from pain. This is the most wonderful and the cheapest remedy ever discovered. I am more thankful to you than words can tell and I want everybody to know what "5 DROPS" has done for me. Although I am over 70 years old, I am feeling better than I have in years.

I shall be glad to answer any questions regarding my case from anyone enclosing a two cent stamp. Gratefully yours,

MRS. SAMUEL RIBLET, Litchfield, Mich.

CATARRH AND HAY FEVER.

I find the bottle of "5 DROPS" to be very good and just what you claim. My wife has been suffering with Catarrh and Hay Fever over 15 years. She has tried everything and doctored much, but no cure until she tried "5 DROPS" which completely cured her.

Yours truly REV. L. VON WALD,
March 31, 1896. Milbank, S. D.

NEURALGIA AND SCIATICA.

For twenty long years my wife suffered untold tortures from Sciatica and Neuralgia, and I thank God for the day that your heaven-sent remedy fell into my hands, for it completely cured her. I am a minister of the Gospel, and when I find any who suffer, cannot help but recommend "5 DROPS", for I know it will do more than you claim for it.

REV. F. M. COOPER, Washington Center, Mo.

PARALYSIS AND RHEUMATISM.

DEAR SIR: NOVEMBER 9, 1896.

It is with pleasure I speak of your priceless remedy and of the good it has done me. For the last eight years I have been an incurable cripple from paralysis and rheumatism. Just think, for eight years a total cripple not able to earn a penny nor able to walk or step on the ground without the aid of something to lean on. Heaven bless the man who discovered this remedy, for, thanks to him and to God, I am able to walk and able to work. I have only taken two-thirds of a bottle, but have not had any pain in my back since I took the first dose, and after the second I walked across the floor, which I have not done in years. I have thrown away my cane and shall never need it again. To any one sending me a two-cent stamp I will send my affidavit. I have another bottle of "5 DROPS" and value it at $1.00 per drop.

Thankfully yours, EDWARD CASTLE,
1005 Wall Street. Sioux City, Iowa.

INFLAMMATORY RHEUMATISM.

DEAR SIR: SEPTEMBER 24, 1896.

I wish to tell you and suffering humanity how much good "5 DROPS" has done me. On the beginning of this year I took down bedfast with inflammatory Rheumatism, and I was doctored by as good physicians as this country has, but they could not cure me. On August 4, I began to take "5 DROPS." At that time every joint in my body and my limbs were stiff, so that I could not be moved. Even my tongue was getting so that I could hardly speak so any one could understand me, but to-day, only seven weeks from that time, I am absolutely cured, and thank you and God for my recovery.

Gratefully yours,
HORACE F. ANDERSON, McCracken, Kans.
