THE CREAMERY ASSURED

Will be Ready for Operation in Two Weeks.

The Opening Will be Celebrated in an Appropriate Manner by Our Citizens.

Speakers From Abroad Will be Present.

At the creamery meeting held Wednesday all arrangements were completed and work will be commenced on the plant next Monday. It will be ready for operation in about two weeks. The building will be erected on Wyoming avenue, north of Rev Brandser's house. The following officers were elected: President, A Sherwood; Secretary, Clark Olds; Treasurer, W K Hernal; Board of directors: B Halbur, D A Paul, W F Patterson, Wm Blackburn, Matt Rasmussen. The plant will cost \$1,750 and there are about seventy stock holders. An interesting program has been prepared for the opening and committees were appointed. A full report will be published later.

Thomas Hovorka has returned to his old farm near Lawn and will make it his future home. About a year ago Mr. Hovorka got the idea into his head that Minnesota was a better country than this and accordingly disposed of his interests and property here, sold his herd of fine cattle and departed for the land of "milk and honey" never again expecting to see Box Butte. But he retracted all the "men things" he said about Nebraska when he left and now declares that it is the best state in the Union. He will secure more land and engage in stockraising and farming again. His experience of moving cost him close to \$2,000. Mr. Hovorka is a good citizen and we are pleased to have him with us once more.

W. M. Copeland and H. B. Greag attended Masonic lodge at Alliance Thursday evening. Messrs Sherwood and Whittaker had a runaway Monday. They were thrown out of the buggy and Mr. Sherwood was slightly bruised. The buggy is laid up for repairs. Charles Marine of Marsland made final proof on his timber claim Wednesday. He filed on the land thirteen years ago. B. F. Noel and A. H. McLaughlin were his witnesses. Those who have recently renewed and deposited money on subscription are: S. R. Burk, Wm Blackburn, J. W. Christy, Alliance; August Felder, Edgar Swezey, Jos. Yechout, J. W. Baumgardner, Jos. Planansky, Frank Connor, C. E. Allen. The following attorneys attended court this week. M. A. Hall, Omaha, W. H. Thompson, Grand Island, E. F. Ricketts, Lincoln, J. E. Porter: Messrs Mitchell, Noleman, Simonson, Smysler, Berry and Sullivan of Alliance. Among the spectators and witnesses were Geo. Zorn, P. H. Rensvold, E. I. Gregg, E. S. Marks, E. A. Hall, Joey Paradis.

Last month the land office did the heaviest business on record since the office was established. The beauty of it was there were nearly as many new homestead entries as there were final proofs, which demonstrates that the country is being populated rather than depopulated. The office experienced no difficulty whatever in handling the volume of business, and all work was cleaned up each day, demonstrating the industry and close attention to business of the officers in charge. —Alliance Grip.

CARD OF THANKS. We desire to express our sincere thanks to all who so kindly remembered us during our late bereavement. Mrs. F. Nilcont and family.

Fifty Claims Wanted, for Cash. I want to buy improved farms and prairie land for cash; must be cheap. Give number of section, town and range; also improvements in detail. Address E. A. BLUNCK, Carroll, Iowa.

E. A. Blunck, a land broker, of Carroll, Iowa, who is connected with the B. & M. was in Hemingford Saturday with a gentleman to whom he sold a farm about nine miles southwest of town. Mr. Blunck informed us that he will be here every two weeks and will locate about forty families in this county during the summer. He says renters in the east can no longer afford to pay the rents asked them and they are seeking homes in the west. The gentleman whom he located here was well pleased with this country. He thought our new creamery enterprise was a grand thing and said that three years ago there was one creamery in Carroll county and now there are twelve which demonstrates that the dairy business is profitable. He also said that the enterprise would be an inducement for people to locate in this part of the county.

Latest War News.

London, June 10.—It is reported here that Santiago has been captured by the American fleet.

In accordance with a preconceived plan Sampson blew up the Merrimac and advanced into the harbor this morning. The bombarding lasted for three hours.

Santiago and Cervera at the end of that time presumably surrendered.

No details have reached here yet, but as Sampson silenced all forts at the mouth of the harbor at his last bombardment, his entrance into the harbor should have not been a difficult feat.

Havana, via London, June 10.—The American fleet bombarded Santiago again today.

The engagement lasted from 8 to 11 this morning. No details yet.

Court Notes.

District court convened Tuesday with His Honor Judge Westover presiding and C. B. Scott reporting.

The case wherein R. M. Hampton sought to have the court to issue a writ of mandamus ordering the commissioners to call an election, the court overruled the demurrer of the respondents, and gave them until next Wednesday to answer.

Allie J. Simonson vs Box Butte county, appeal; case dismissed. W. D. Rumer vs Box Butte county; Error; special appearance by defendant sustained and on request of plaintiff in error a new summons in error ordered.

Allie (male) J. Simonson vs James Barry was a case wherein Allie sought to have Mr. Barry removed from office for alleged misdemeanors. The case was dismissed, Allie has the sympathy of all.

Nettie Underwood Morrison told of the cruel treatment she received from Charlie soon after their marriage at Aspen, Colo., and Atty Noleman, with a face as long as he is broad, read an affidavit corroborating Nettie's testimony. There was no defense and a divorce was granted.

The case wherein R. C. Noleman appealed from the allowance of the claims of Commissioners Hollinrake and Barry, the court held that the claim of Hollinrake was not excessive, and should be allowed. Furthermore Mr. Hollinrake was entitled to one more day than he charged for. Mr. Barry made a mistake of \$6 in footing when he filed his claim. He discovered his mistake the day he filed the claim and wanted to correct it, which he was not permitted to do. The court ordered him to refund the \$6.

In case of the State vs George Clark, defendant plead guilty and was sentenced to one day's imprisonment in the county jail and pay cost of prosecution. When pronouncing the sentence the Judge informed the prisoner that he could just as well give him sixty days and that was probably what he ought to have but he thought it would inflict more injury on the county than on Clark.

Clark told the court that he didn't have a dollar but he "would send the money just as soon as he got it, sure" He is the fellow who was going to "do up" Nate Hart with a butcher knife a few days ago.
