than doubled since it was reorganized last fall, Secretary John Ringwalt stated. Over fifty members attended last night's Salt Lake City and Miss Eva Miller of meeting. Many letters and memberships have been received from teachers and other bird lovers out in the state. The Auduben buttons have arrived. Some were distributed last night, and buttons will be distributed at once among junior nembers in the schools and by mail to st-of-town members.

country this spring. A committee was for with him. appointed last night to arrange afternoon and evening lectures here.

The new constitution and bylaws of ular meetings will hereafter be held on the third Saturday evening of each month, excepting in June, July and August, when field trips will be taken instead. The annual meeting will be held in Janmary and the annual field trip will be made on the first Saturday in May.

An interesting program on the life and works of J. J. Audubon, ploneer bird last week in the formation of a students' tover, was given last night by Dr. Solon republican club among men who believe

Saturday morning from his home in New York City, to spend a few days as the guest of Fred J. Adams and Raiph E. Sunderland. Mr. Neldlinger has many friends in Omaha, where he is an oceasional visitor. He will leave for the east Tuesday evening.

In addition to his serious compositions. he is widely known for his children's songs, many of which are used in the Omaha public schools.

Out of his experience as a teacher of singing has grown a successful, scientific system by which apparently deficient or backward children have been brought to normal condition. To this subject Mr. Neidlinger has devoted himself the last few years, and the results of his work have attracted the favorable attention of

"Many cases of so-called 'feeble-minded' children," says Mr. Neidlinger, are erroneously classified, as has been proven by patient work with these unfortunate little folks."

Mrs. Turner Asks

STOCKHOLDERS IN MEETING

The annual meeting of stockholders of the Richardson Drug company, held at the effice of the company, was attended by all of the Omaha stockholders. C. F. Weller, H. M. Weller, F. C. Patton, E. P. Kills and J. W. Flaher were elected members of the board of directors. After the adjournment of the annual meeting the board convened and elected the following officers for the ensuing year: C. F. The Relation Between Science and Religion. officers for the ensuing year: C. P. Weller, president; H. S. Weller, vice president; P. C. Patton, treasurer, and

president; P. C. Patton, treasurer, and E. P. Halls, secretary.

Mr. Weller said: "Although conditions have been abnormal, the year has been very satisfactory. The trouble in Europe has perhaps affected the drug trade more than most lines. Supplies are hard to get even at the unusual high prices. The outbook for the coming year, though, is considered bright, as the middle west is in a decidedly presperous condition."

Persons who have stomach trouble are ant to become discouraged. They will see by the following that their chances of recovery are excellent. A. K. Williams, independence. Vo., tells of a remarkable cure that was effected in that vicinity. One of his customers was so badly afflicted with stomach trouble that he was sent to a hospital, but received little benefit and came home to die. Mr. Williams suggested that he try Chamberlain's Tablets, which he did, and today he is a sell man unit weighs 110 pounds. Obtainable everywhere.—Advertisement.
