

Nebraska DEMOCRAT SPLIT GROWING WIDER

Petitions in Circulation Asking Governor Morehead and Mayor Bryan to Run.

JAKE NORTH QUITS COMMONER

(From a Staff Correspondent.) LINCOLN, Jan. 25.—(Special.)—From now on the cohorts of democracy may be expected to line up on each side of the great factional fight in the democratic party and scrap till the last armed foe expires.

Today petitions were circulated to place the name of Mayor Charles W. Bryan before the state for the democratic nomination for governor. This comes on top of the announcement that J. S. Canaday of Minden, who it was thought might be the dry candidate of the democrats for the gubernatorial nomination, would not be a candidate.

This afternoon petitions made their appearance for the purpose of filling the name of Governor Morehead for a re-nomination for a third term.

Bryan Man Deserts.
Petitions for the governor are being circulated by Jacob North, chairman of the democratic county committee, and a man who, up to a short time ago was one of Mayor Bryan's most insistent political boosters.

It is pretty well understood that Governor Morehead does not want to run for a third term. He understands that he has everything to lose and nothing to gain by such action. It is also pretty well understood that the governor would like to be a candidate for the United States senate against Senator George Norris two years hence, and he does not care to go against a fight which might break his long record of political victories, believing that a defeat for the third term would greatly harm his prestige two years hence in efforts to secure the democratic nomination for the senatorship.

Outlook Discouraging.
It is suspected that the governor feels a great deal like many other prominent democrats in Nebraska, that with the chaotic condition in the democratic party, the best thing to do is to take to the woods for a couple of years and let the republicans go back to the offices.

Democratic job holders are whistling very loudly to keep up their courage, as they draw nearer to the political cemetery.

KEARNEY-STAPLETON LINE TO GET MORE SERVICE

KEARNEY, Neb., Jan. 25.—(Special Telegram.)—The scheduled hearing of the Nebraska State Railway commission looked for Kearney, January 25, to be off after a request for indefinite postponement coming from Edison Rich of the Union Pacific law department.

Officials of the railroad were in communication with the Omaha office during this morning after an inspection of conditions on the Kearney-Stapleton branch. Changing service on this line was the cause for the hearing.

It had been proposed that an apparent freight congestion be relieved by adding another freight with passenger facilities and the taking off of one motor each day. This move could not be made without the sanction of the board, which they would not grant without a hearing.

It is thought here that the inspection by the officials indicated the need of additional freight service without taking off the motor and that this will be the result.

If any changes are made, according to local railroad men, they will be made only after the citizens affected come to some amicable settlement with the road.

FIVE THOUSAND ACRES WILL BE PUT IN BEETS

NORTH PLATTE, Neb., Jan. 25.—(Special.)—Five thousand acres of Platte valley land will be put into sugar beets between this point and Keystone, Neb., according to John Bryan, agent for the American Beet Sugar company. Mr. Bryan stated today that this is double the acreage of beets in 1915. The company, he says, is preparing new equipment along the Union Pacific for handling this big crop when it is harvested.

News Notes from York.

YORK, Neb., Jan. 25.—(Special.)—R. V. Lucas, part owner and editor of the News-Times, has sold his interest to Thomas Curran. Mr. Lucas has bought a half interest in the World at Shenandoah, Ia., and will take charge of that paper next week.

The Young Men's Christian association state convention will be held in this city February 18, 19 and 20. There will be about 250 delegates present, and a great meeting is looked for by all members.

There are a great many public sales being held in this county at the present time. The personal estates of George Hauke held last Friday totaled \$3,750. Hauke averaged \$15, the top being \$39.50. Cows sold as high as \$96, and hogs averaged \$25 per head.

District Court at North Platte.

NORTH PLATTE, Neb., Jan. 25.—(Special.)—The statutory charges against Charles E. James and his two sons, Guy and Lester, will be the first on the docket of the district court, which opens here Wednesday. Ethel Jones, aged 15, who is a granddaughter of the elder James, is the complaining witness. She, with her 6-month-old babe, arrived here this week to attend the hearing.

Judge Westover of Rushville, Neb., will hold court here this week. Judge H. M. Grimes having been called to Shelbyville, Ind., by the death of Judge Harry E. Downey, an old college friend.

Accused of Wife Desertion.

KEARNEY, Neb., Jan. 25.—(Special Telegram.)—After having been sought by the officers for ten days in Buffalo county, A. C. Clark of Centerville, Ia., was arrested today at Gibson by Deputy Sheriff Voss on the charge of wife and child desertion. Mrs. Clark is now at her home in destitute circumstances. It is said the couple have two children. Clark was driving a dray at the time of his arrest. He has signified his willingness to return without requisition.

Keep Your Bowels Regular.

If your bowels become constipated, take a dose of Chamberlain's Tablets just after supper and they will correct the disorder. They are mild and gentle in their action. Obtainable everywhere.—Advertisement.

Nebraska Coffey to Ask State To Put Fire Escapes Upon State Capitol

(From a Staff Correspondent.) LINCOLN, Jan. 25.—(Special.)—The latest improvement suggested to beautify the appearance of the grand and ancient edifice sometimes called the Nebraska state house, has been suggested by Labor Commissioner Coffey, who is of the opinion that he can't, as a representative of the state, order fire escapes on buildings unless the state itself carries out the law and puts fire escapes on the state house.

He says he frequently faces the proposition when endeavoring to make people live up to the law and cover their buildings with these beautiful ornaments. Therefore he is preparing to go before the board at its next meeting and see if the state won't comply with its own law.

However, it is the general opinion that the state house needs no fire escapes. Should the inmates of the building be shut off from escape by the usual channels it would be practically easy for them to crawl through the cracks in the building and slide safely down the cold drafts which have been so much in evidence this winter.

Democratic Chickens Coming Home to Roost

(From a Staff Correspondent.) LINCOLN, Jan. 25.—(Special Telegram.)—The proud boast with which democrats "pointed with pride" at the surplus in the state treasury has met a bump. State Treasurer Hill is now fearful that he will have to begin registering warrants as the surplus in the treasury has fallen to \$25,000.

Forcing county treasurers to pay monthly into the state treasury has been the means of keeping the treasury in good condition, but now when in former years, these treasurers usually have made their annual reports which were accompanied with large remittances, none has been forthcoming and the result is tough on the treasury.

This and the fact that the democratic state board of assessment "took a chance" for sweet politics sake, and cut down the state levy one mill over the protest of the state treasurer, is responsible for the loss in revenue of \$25,000 this year, and has demonstrated that the economical policy of the legislature is not panning out and that there must be sufficient revenue to run the state or warrants will have to go to the district.

PEARSON FOR RENOMINATION UPON THE POPULIST TICKET

(From a Staff Correspondent.) LINCOLN, Jan. 25.—(Special.)—Lieutenant Governor James Pearson of Morehead has sent in his filing as a candidate for renomination for lieutenant governor on the populist ticket. Accompanying the filing was a petition for placing him on the primary for the democratic nomination and an acceptance of the same.

District Court at Fremont.

FREMONT, Neb., Jan. 25.—The January term of district court began here Monday in the Commercial club rooms. Judge F. W. Burton is on the bench.

The first case is that of H. B. Waldron, administrator, against the Fremont Brewing company. The plaintiff is administrator is suing for \$35,000 for the death of Arthur Jensen who it is alleged died from injuries sustained while in the employ of the defendant company. A year ago when the case was tried the jury disagreed. Fifteen cases are set for trial in suing for \$25,000 for the death of hearing at this term.

Business Changes at Hebron.

HEBRON, Neb., Jan. 25.—(Special.)—Three business houses of Hebron have changed hands within the last few days. The Meridian Auto company has leased its garage to C. M. Liggitt, an automobile dealer of Hebron. L. S. Griswell, a druggist of this city, has sold his drug store to R. M. Weislow and B. C. Weislow, brothers, from Beatrice, Neb. Taylor Wilson, senior partner of the Wilson & Wessler Jewelry company, has sold his interest to his partner, Mr. Wessler. Mr. Wilson is now engaged in the automobile business.

Former Secretary Meyer and Truxton Beal Have Fight

WASHINGTON, Jan. 24.—George von L. Meyer, former secretary of the navy, and Truxton Beale, former United States minister to Persia, had a fistie encounter in front of the fashionable Metropolitan club here yesterday. Before members of the club could intervene the men had exchanged several blows, although, it is said, neither was seriously hurt.

A long standing disagreement between Mr. Meyer and Mr. Beale came to a climax when they met in the club. Witnesses say that an argument started as they approached the doors and soon their words became heated. When they reached the sidewalk they came to blows.

Mr. Meyer was attended by Dr. Cary T. Grayson, naval aide and physician to President Wilson. One of the former secretary's eyes was slightly bruised, but there was no discoloration. Mr. Beale was bruised, but not seriously.

HYMENEAL

West-Briggs.
Miss Mayme Biggs of Talmage, Neb., and Elmer West of Dunbar, Neb., were married Monday afternoon at 2 o'clock by Rev. Charles W. Savidge at his office in the Brandels theater building. They were accompanied by the bride's sister, Miss Abbie Biggs.

Kieher-Sheffield.

Miss Martha Sheffield and Mr. Louis M. Kieher, both of Lincoln, were married Tuesday morning at 10 o'clock by Rev. Charles W. Savidge at his office in the Brandels theater building.

DEATH RECORD.

Mrs. John T. Hope.
Mrs. John T. Hope, aged 30 years, died Monday at the Clarkson hospital. She is survived by her husband, who is a city fireman, and two children. Funeral services will be held from Duffy & Johnston's chapel Wednesday morning at 9 o'clock, to St. Peter's church at 9:30, with interment in Holy Sepulcher cemetery.

Nebraska MILK IN LINCOLN TESTING POORLY

State Inspector Called in When City Authorities Fail to Do Their Duty.

ORDINANCE IS NOT ENFORCED

(From a Staff Correspondent.) LINCOLN, Jan. 25.—(Special.)—Milk conditions in Lincoln are not of the best, according to the report of a state inspector who at the request of milk plants in the city has been investigating. Ninety-four cans of milk, holding ten gallons each, were destroyed because they contained sufficient dirt to make the product unsalable under the law.

Lincoln has the most ideal ordinances covering the sale and distribution of milk, according to Food Commissioner Harman, of any city he knows in the country, but the ordinance is not enforced.

The mayor and the council have been so busy fighting among themselves on other matters that the insignificant things like the health of the people could not be attended to, and so the ordinance has not been enforced. The state commission, also, has not had the funds and inspectors to carry on the work.

The city ordinances require, among other things, that all places selling milk shall pay a yearly license of \$1 each and that each wagon distributing milk shall pay \$3, but neither of these requirements has been enforced.

Hillan to Run Again.

William D. Hillan of Abilene will make another attempt to come to the state senate, his filing as a candidate for the republican nomination from the Ninth district composed of the counties of Boone, Antelope and Nance, having reached the office of the secretary of state this morning.

Mr. Hillan was a candidate in 1914, and it was first given out that he had won, but the official count gave the nomination to an Antelope county man, who lost out in the election to a democrat. Iver Hyland of Boone county, notwithstanding all three counties of the district are nominally republican. Mr. Hillan owns considerable land in that section of the country and has long been identified with the business interests of Boone and Platte counties.

Operation on Mrs. Letton.

Mrs. C. B. Letton is in a local hospital, having submitted to an operation last Saturday, but is getting along as well as could be expected. The Letton family has been unusually afflicted this winter.

About two months ago the judge fell and for most of the time since has been using crutches and part of the time has been unable to appear on the bench. One of his crutches slipped on the ice last week and he fell again, once more removing him from active service.

Sheriff Here for Hears.

A hearing will be held tomorrow before Governor Morehead on an application of the governor of Tennessee for the return to that state of T. W. Hearn, charged with embezzlement by the Singer Sewing Machine company. Sheriff Solomon of Gibson county is here with the application. Hearn is being held by the sheriff at Wisner. It is charged by the company that Hearn got away with \$267.70 collections for the company.

Kiechel Files Once More.

Senator Walter Kiechel of Nemaha county has filed for the republican nomination for lieutenant governor on the republican ticket. Senator Kiechel is a graduate of the University of Nebraska and served his senatorial district in the sessions of 1913 and 1915. He was one of the live members of both sessions and took an active part in the deliberations.

Cost of Running State.

State Auditor Smith received this morning the report of the comptroller of the state of New York, which is an office similar to that of state auditor in this state. In looking over the volume he noticed that the cost to the people of New York for running the state was \$10.49 per capita. He made comparisons with other states which have sent him reports and finds that the cost per capita in Kentucky was \$3.76 and in Maine, 6.99. In Nebraska the cost is \$4.49. In Illinois it is \$3.33.

Requisition Granted.

A requisition was granted this morning by the executive department on application of the governor of Missouri for the return to that state of George Allensworth, Jr., wanted in Knox county for grand larceny. He is being held by the sheriff of Saline county.

HARLAN COUNTY FAIR HAS CASH BALANCE

ALMA, Neb., Jan. 25.—(Special.)—The stockholders of the Harlan County Fair association held their annual meeting at the court house this afternoon and re-elected F. A. Ault and J. G. Thompson on the board of directors for a three-year term. The secretary and treasurer reported the association out of debt and a substantial cash balance in the treasury with the buildings covered by insurance. Plans for next season's fair are now being considered, but the dates are not set.

YES—IT IS POSSIBLE TO STOP RHEUMATISM

Rheumatism is a tormenting and stubborn malady. In some cases it yields to treatment which is without avail in other cases.

The darting pains, lame muscles or stiffened joints only disappear by gradually expelling the uric acid, and so many thousands have been relieved by the blood-enriching oil-food in Scott's Emulsion that you should give it a faithful trial. Scott's Emulsion acts as a powerful blood-purifier by increasing the red corpuscles and it strengthens the organs to carry off the acids which cause the trouble.

Try Scott's Emulsion. It cannot harm. It has helped thousands and may be exactly what you need. No Alcohol. Scott & Bowne, Bloomfield, N.J. 15-29

BELLANS Absolutely Removes Indigestion. One package proves it. 25c at all druggists.

Live Stock Men's Convention May Not Agree as to Mexico

EL PASO, Tex., Jan. 24.—Prospects that a resolution demanding greater protection for Americans in Mexico will be submitted to the annual convention of the American National Live Stock association were freely discussed before delegates at the opening session today. It seemed probable that Governor J. B. Kendrick of Wyoming, will lead the supporters of President Wilson's national administration in opposing the adoption of such a resolution.

The names of Governor Kendrick and Ike T. Pryor of San Antonio, Tex., were discussed by delegates for the presidency of the association.

In his annual address President Dwight B. Heard of Phoenix, Ariz., urged careful consideration of marketing questions. Henry W. Lynch, president of the California Live Stock association, and Dr. J. M. Wilson of Wyoming, responded to addresses of welcome.

Resolutions favoring the establishment of independent packing plants, it was said would be introduced during the convention which is largely attended.

Salt Lake City, Utah, and Cheyenne, Wyo., are contenders for the next convention.

The live stock sanitary commissions of Texas and New Mexico met jointly to discuss quarantine regulations.

Charles Peterson Ends Life.

GENEVA, Neb., Jan. 25.—(Special.)—Charles Peterson, son-in-law of Peter Brust of this city, committed suicide by hanging yesterday afternoon on the farm on which he was working, northwest of Geneva. He leaves a widow and four children.

Many Cases of Rheumatism Now Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat.

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.—Advertisement.

Resinol Soap

a friend to tender skins

Any soap will clean your skin—a bar of laundry soap will do if you do not care what becomes of your complexion. But you know that laundry soap contains harsh, drying alkali that would ruin your skin and hair, so you never think of using it for your toilet.

Many ill-made toilet soaps contain this same injurious alkali. Resinol Soap contains absolutely no free alkali, and to it is added the soothing, healing Resinol medication, which doctors have used for over 20 years in treating skin troubles. Thus it comforts tender skins, and helps nature clear the complexion and keep the hair rich, lustrous and free from dandruff. Sold by all druggists.

Resinol Shaving Stick also contains the Resinol medication, making it most soothing to easily-irritated faces.
