EXPERT EXPLAINS **ALL TANLAC MERITS**

Reaches Foundation of Modern Maladies, Declares Laboratory Man Who is Here for Introduction.

IS INTERESTING STATEMENT.

The introduction of Tanlac will begin tomorrow in Omaha at the Sherman & McConnell drug store, 16th and Dodge streets.

In the presentation of this great reconstructive tonic are two unique features. First is the astonishing record Tanlac has made in other cities. For its therapeutic value in cases of stomach, liver, kidney and nerve exhaustion it stands alone. The demand for Tanlac has been so great that a company has been specially formed for its introduction here because the owners of the famous formula drafted by Joseph Von Trimbach, have been unable to meet the country-wide demand.

Second, the introduction will be under the direction of Mr. W. C. Carter, who comes direct from the Tanlac Laboratories. Mr. Carter will meet the public at the Sherman & McConnell drug store, where he will explain Tanlac, how it, should be used and the results that may be expected from its use by nervous. run down men and women who are victims of faulty digestion, sluggish, congested organs, poor assimilation, imperfect circulation or catarrhal affections

of the mucous membranes. In an explanation of Tanlac and its purposes yesterday Mr. Carter said: "Tan-" that officials of the company might be lac is the great reconstructive medicine. It is made up wholly of vegetable in-gredients and is, therefore, free of the mineral taint that is so often feared by

aufforers. 'An astonishing number of Americans today are victims of the so-called modern maladies, nine-tenths of which have their origin in stomach disorders. 'All run down' is the description, in a nutshell, of the majority of sufferers. These men clerk have notified us as well as the and women scarcely are fitted for the ordinary tasks of life. They lack ambition and vitality, and, in many cases, suffer from chronic aliments of some vital organ. They are paying the price of neglect or of overtaxing their reserve

Mary Page, actress, is accused of the murder of David Pollock and is defended by her lover, Philip Langdon. Pollock was intoxicated. Shate, a crook and tool of Pollock, was on the fire escape watching for Langdon. At Mary's trial she admits she had the revolver. Her maid testifies that Mary threatened Pol-lock with it previously, and Mary's lead-ing man implicates Langdon.

BUMS SHUN CITY, SAYS M'GUIRE

President Wilson's program of preparedness, was indorsed by the knockers' club at the regular monthly mobilization, held at noon edly leave wives and families and are in the dining hall of the Merchants' apprehended in states other than their Letel. This organisation, whose membership comprises men of all political and religious affiliations, stood up on their hind legs and with glasses in their right hands, pledged themselves to stand shoulder to shoulder with the president. Fifty members of the club attended the luncheon. The president probably will be advised of the action of the club. President Harry Foster explained that

the name of the club is something of a misnomer, in that the members are not always knocking everything, but knock only that which should be knocked. City Prosecutor McGuire offered one of

the between-course dissertations in which he explained the workings of the new avatem of sentencing city prisoners to work. His chief point was that since this system was put in operation the word has

filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create mord toxins and impurities than the kidneys. can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority. is to get from any pharmacy about four ounces of Jad Salts and take a table spoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for
