ANDREW D. WHITE, Formerly U. S. Ambassador to Germany and Ex-President of Cornell University

CHEAP issue of The Encyclopaedia Britannica, of the same number of volumes but of smaller size, seems to me a very great service to the American people, and it puts at their disposal one of the most wonder-

ul sources of information regarding the whole world. have compared a volume with the corresponding original volume of the latest edition of the Encyclopaedia and have found it an excellent copy."

CHARLES WM. DABNEY, President University of

writes: WOULD not have believed it possible to produce such an issue of The Encyclopaedia Britannica if I had not seen it. It is a marvel of compactness; clearness and cheapness. You have rendered a service to the American people in putting this

Encyclopaedia within the reach of every school and of hundreds of thousands of families. This issue must be regarded, therefore, as a great educational as well as a wonderful publishing achievement."

ALBA B. JOHNSON, President Baldwin Locomotive

THE type is so clear that it seems to me to especially suitable for

Volume issue preferred by many to whom the difference in price would be unimportant. In bringing out this issue of so important a work of reference you are doing a public service."

ELBERT H. GARY, Chairman Board of Directors U. S. Steel Corporation

EXAMINED with considerable interest the Handy Volume' issue of The Encyclopaedia Britannica. You are to be congratulated upon being able in this way

to bring the splendid work within the reach of men and women of moderate means.'

RUDOLPH BLANKENBURG, Mayor of Philadelphia, 1911-15.

THE Encyclopaedia Britannica is regarded is a business and household secessity by those who have been able to afford it. The Handy Volume' issue will now give to people in very

moderate circumstances that ready access to the knowledge of the world which is indispensable to progress and success in life."

Sets in different bindings, with special bookcases, may be seen at

CHARLES M. SCHWAB, President of the Bethlehem Steel Corporation

"THE publication of the 'Handy Volume' issue of The Encyclopaedia Britannica is something much more important than any purely commercial undertaking could be. It is bringing the most important and author-

itative work of its kind in the world within the reach of those ambitious people of moderate means who need it most, who are raising themselves to positions of responsibility."

RICHARD MACLAURIN, President Massachusetts Institute of Technology

THE 'Handy Volume' issue of The Encyclopaedia Britannica is a great achievement. Here we have the very best thing of its kind available in most convenient form and at an extraordinary

low price. The photographic process ensures that nothing has been omitted from the original. It is a great thing for education to have this unrivalled Encyclopaedia reduced to really popular prices."

REV. RUSSELL H. CONWELL, President of Temple University

THE 'Handy Volume' issue of the Britannica at one-third of the price of the Cambridge issue

is a grand, good idea. Our whole idea at Temple University has been to teach the students what they needed to learn, at the hours and on

the days most convenient to them at the lowest possible cost. The Encyclopaedia Britannica is another way of rendering the same kind of service."

ELIHU THOMSON, Chief Electrician General Electric Company

says of this new issue: FIND the new 'Handy Volume' edition of The Encyclopaedia Britannica a remarkable reproduction of the matter found in the larger volumes. The illustrations and the print are excellent examples of reproduction by the well-known photozincographic processes."

GRIFFITH OGDEN ELLIS, Editor of "The American

I WANT to commend your enterprise in publishing the 'Handy Volume' issue of The Encyclopaedia Britannica at such a low price. Few people know better than I how much of an educational service

you thus render the people of this country-especially to those families that have boys and girls. Such families especially need such an authoritative reference work, and the 'Handy Volume' size will make its use more attractive to the young people."
