Not a Particle of Dandruff or a Falling Hair

Save your hair! Double its beauty in just a few moments.

25-cent "Danderine" makes hair thick, glossy, wavy and beautiful.

Within ten minutes after an application of Danderine you can not find a and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first-yet-but really new hair-growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its ex- ture of \$500,000 to equip Mare hilarating, stimulating and life-producing Inland Navy yard for battleship conproperties cause the hair to grow long. strong and beautiful, .

A little Danderine immediately doubles how dull, faded, brittle and acraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is house yesterday. amazing-your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and prove that your hair is as to three, to report favorably Senator Tillpretty and soft as any-that it has been man's bill to authorize the secretary of neglected and injured by careless treatment-that's all-you surely can have beautiful hair and lots of it if you will just try a little Danderine,-Advertise-

It means so much

THE NEED OF A CEMETERY LOT is not a pleasant thing to think about. But-when you are actually up against it-when your mind is distracted with sorrow and matters, it seems, are being thrust at you from

It's re-assuring to know that the lot question may be very easily solved. A representative of West Lawn is subject to your instant command. He will call with automobile, take members of the family to select a lot in West Lawn and otherwise render assistance and advice in any way he can. This personal service is not based upon the priced lot you buy. In cases where financial stress would ordinarily prevent ownership in such a beautiful cemetery as West Lawn, we also extend the courtesies of our easy-purchase plan. Phone us.

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, as follows: makes the hair brittle, and is very hermful, Just plain mulaified cocoanut oil
(which is pure and entirely greaseless).

(which better than the most expensive

(b) Fugue, A major.

(concerto in E minor.

(a) Allegro molto appassionato.

(b) Andante. soap or anything else you can use for shampooing, as this can't possibly injure

Simply moisten your hair with water and rub it in. One or two teaspoonfuls wil make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

ARMOR PLATE MEN MAKING THREATS

Senate Notified Price Will Be Advanced \$200 a Ton if Government Builds Plant.

COMMITTEE NOT FRIGHTENED

WASHINGTON, Feb. 8 .- Private armor plate manufacturers notified the senate naval committee today that they would raise the price of armor plate \$200 a ton if congress desingle trace of dandruff or falling hair cides to erect or purchase armor plate factories for the government. The committee, nevertheless, voted to recommend government plants.

After brief consideration, the committee ordered favorably reported the bill authorizing expendistruction, and \$100,000 to enlarge facilities of the New York Navy yard the beauty of your hair. No difference and the bill to introduce midshipmen to the first class at Annapolis next July, These two bills passed the

Three Votes Against It. Senator Penrose notified the committee

of the stand of armor ptate manufacturers, those chiefly concerned being the Bethlehem and Midvale Steel companies The committee voted, nevertheless, nine the navy to provide either by erection or purchase or both, an armor plate facwith capacity of not less than 29,000 tons of armor a year, The bill would appropriate \$11,000,000. Penrose, Lodge, and Smith of Michigan, republicans, voted against reporting the bill. Chairman Tilman and Senators Swanson, Bryan, Johnson, Maine: Chilon, Phelan and Pittman, democrats, and Clapp and Poindexter, republicans, votes

"The threat of the armor barons to hold up the government will not affect congress," said Senator Tillman, "We i were given to understand that the armor nanufacturers would increase their price because government manufacture of armor plate would force them to go out of that business and they would charge this enormous increase in order to provide themselves with an amortization fund. But I guess we can find a way to stop the robbers. In time of trouble we could seize their plants and operate them by right of eminent domain."
