(From a Staff Correspondent.)

William A. May, on trial in the Lancaster county district court on a charge of causing the death of his wife by an assault while she lay sick in bed, and refusing medical assistance to her, was found guilty of manslaughter by the jury this afternoon.

The penalty is from one to ten years in the penitentiary.

THREE CUMING COUNTY PIONEERS PASS AWAY

WEST POINT, Neb., March 3.—(Special.)—Mrs. Amelia Wilde died at the family home on the east side, of the infirmities of old age. She was born in Brandenburg, Germany, in 1828 and married to C. H. Wilde, her surviving husband, in 1848. Mr. Wilde celebrated his ninetieth birthday February 15. The deceased came with her husband to Cuming county and settled on the farm where she died in 1867. The dwelling built by them was the first house built of pine lumber in Cuming county, the material being hauled by wagon from Omaha. She was the mother of twelve children, ten of whom survive—August P., Carl P., Mrs. Hulda Lierman of Amelia, Mrs. Ida Hoffmann of Page, Miss Anna, Herman, Gustav and Mrs. Matilda Hartwig of this city; Mrs. Ambrose Neigh of Neigh and Mrs. Marie Kahler of West Point. Funeral services were held Tuesday at the city auditorium, at which Rev. William Mangoldt, pastor of St. John's Lutheran church, officiated.

News reached here Wednesday morning of the death of Mrs. Johannah Risse of Plainview, who died on that day at her home near that place. Mrs. Risse was the wife of Frank Risse, a former resident and business man of this place. The family left home some years ago, removing to Plainview, where she died. She was 57 years of age and leaves an invalid husband and large family. The body was brought to this city and interred in St. Michael's cemetery. Mrs. Risse was the sister of Mrs. F. L. Boyer, Mrs. George Reason and of Bernard Lamers of this city and Herman of Pender.

Gustav Goranson, an octogenarian member of the Swedish colony, died at the home of his son, John A. Goranson, after a short illness, in his eighty-fourth year. Mr. Goranson was a native of Sweden, born in 1822, and came to the United States in 1854. He was a fine type of the highly esteemed by all who knew him. He is survived by two sons. Funeral services were held at the Salem Swedish church.

The body of Bernard C. Gerken was brought to this city from Snohomish, Wash., on Tuesday evening and buried in St. Anthony's cemetery, St. Charles, Wednesday morning. The deceased was a son of the late Joseph Gerken, and left here for the state of Washington ten years ago.

NEW BRIDGE WILL BE BUILT AT NIOBRARA

NIOBRARA, Neb., March 3.—(Special.)—The bridge committee of Knox County Board of Commissioners arrived here today, and after careful investigation it has decided to straighten the road across Niobrara island and build a new bridge over the west channel, or better known as the Mormon canal. The old bridge over this canal was at a point nearly a mile south of the new site selected. The old bridge was washed away in the severe last winter, and people coming to town would cross the railroad bridge, which is about a mile north of the government bridge and leave their teams on the other side of the river. The new location is a splendid improvement, because it makes a good road across the island possible. A temporary bridge is being built and the road will be open for travel in three or four days.

(From a Staff Correspondent.)
LINCOLN, March 3.—(Special.)—Secretary of State Charles Wesley Pool will be a candidate for the job he now holds again. This morning he filed for re-nomination on the democratic ticket, and will endeavor to land again. As no one has filed on the republican side so far, but former Secretary of State Addison Watt, it is possible that these two may again have the pleasure of opposing each other for the election.

In the last election Mr. Pool polled a total of 104,925 votes, while Mr. Watt fell a little short of that number, the total being 99,142.

Hall Receives Photos.

"We should be charitable in these things," said Mr. Goddis, "and always have a good word to say of any democrat."

ROCK ISLAND WOULD LOP OFF SOME OF ITS TRAINS

(From a Staff Correspondent.)
LINCOLN, March 3.—(Special.)—The Rock Island passenger service will be somewhat curtailed if an application by that road to the State Railway commission is granted.

The road would like to take off trains Nos. 81 and 82 on the main line between Lincoln and Belleville, Kan., and Nos. 33 and 34 between Fairbury and Horton, Kan.

Tomorrow the Rock Island will put into effect its raise in passenger rates, but will continue the old rate where there is competitive service by other roads, so that the fare between Omaha and Lincoln will remain as before, \$1.10.

SPRINKLER SYSTEM STOPS BLAZE IN FAIRMONT PLANT

GRAND ISLAND, Neb., March 3.—(Special Telegram.)—A sprinkling system with which the food plant of the Fairmont Creamery company is supplied, extinguished a fire which broke out during the night, but was unknown even to the watchman until after it had been put out.

During the special cold snap two oil burners were installed in a room to keep the temperature more moderate.

Evidently some tar paper on the walls heated and was set afire. The heat melted the metal in the openings of the automatic sprinkling system, and when the night watchman noticed smoke and accompanied by the engineer, visited that section of the building, there remained nothing to be done but to shut off the water. There was no damage.

SIoux CITY STRIKERS ARE BACK AT WORK

SIoux CITY, Ia., March 3.—Most of the 1,200 employes in the Sioux City packing plants, where the strike was settled yesterday, returned to work today.

The strikers go back to work on a new scale based on a minimum of 21 cents an hour for all laborers and an

agreement that a minimum of at least eighty hours' work will be provided every two weeks for every regular employe. Before the strike laborers were getting 19 cents an hour, with no agreement as to the amount of work they would receive.

It takes but a minute of time to save dollars when you read The Bee Want Ad columns.
