OMAHA HAS THE BEST SHOW

LINCOLN, March 8 - (Special Telegram.)-The greatest gathering of high school athletes in the United States marked the opening of the sixth annual Nebraska high school basket ball tournsment, conducted under the auspices of the University of Nebraska this afternoon. Eighty-five Nebraska high schools are competing for the champion ship of the three divisions.

In the class A division, comprising the strongest teams in the state, Omaha omed up as the most likely bet for the championship as the result of the spiendid work of the Central five. Mulligan's team went against Seward and practically shut it out, only a foul goal allowing the westerners to score.

Subs in Omaha Lineup. The Omaha lineup was completely filled with substitutes at the end of the first half, but even that did not cut down the scoring. South Omaha also won handily from Sutten in the first round by a score of 16 to 5. The Packers were never headed. Lincoln had a close call with Central City, the visitors proving a Tartar. The score at the end of the first half was tied, 8 and 8, but the Lincoln five forged ahead in the second half.

'Healthgrams' On Skin--Flashed to Thousands

One of Nature's signals is an unhealthy skin. It is a scientific fact that the skin indicates the condition of the blood and the blood is the building material for the body and all its vital parts. Unless the blood is nourished and kept rich and healthy, it will evenually react on the organs it feeds and reduce the individual to a pitiable condition. Little do people realize the physical ailments that drain away strength and vitality and that can be traced straight to the poor supply of blood. Pimples, Eczema, Salt Rheum, Rheumatism, Carbuncles, Boils, Catarrh with its obnoxious

results and the tendency to easily catch cold. Malaria and scores of other equally serious ailments, are all manifestations of bad blood. For over 50 years S. S. S. has been a mighty remedy for these disorders. Thousands of men and women have been relieved or actualty cured by S. S. S. Many of them had spent years and hundreds of dollars for other remedies in a fruitless endeavor to regain health—a marvel-ous tribute to S. S. S. S. S. is purely vegetable and when taken into the stomach is absorbed by the blood, supplying certain elements which stimulate the action of the blood corpuscies and help them drive out impurities and build up the system. With such a tried and true medicine awaiting you at the closest drug store, will you go on suffering and looking badly when so many others similarly afflicted have turned to S. S. S. and found the meaning of perfect health. Our Medical Department will gladly advise you about your case without cost to you if you wish to avail yourself of this service.
