KUGEL'S HOME IS USED AS HOSPITAL

Three Members of Family of Police Commissioner Are Stricken with Scarlet Fever

CONNELL ORDERS COMPLAINTS

The home of City Commissioner Kugel has been turned into a private hospital, with three members of the family now being attended for scarlet fever. On Monday Albert Pessler, Mr. Kugel's young nephew, was taken down with the disease. On Tuesday, Charles Kugel, 8-year-old son, was stricken, and on Wednesday, Mildred, 14-year-old daughter, broke out. The commissioner has taken a room in a downtown hotel, where he will remain during the quarantine of his home. Health Commissioner Connell has directed Dr. McCann, his special assistant, to file in police court a complaint against Mrs. Jones of 1803 South Twenty-fifth avenue, charging concealment of a scarlet fever patient. Winona Jones, 15-year-old daughter, and an attendant of Park school, Dr. Connell made this statement of the case: "Upon advice from the school officials that one of their nurses called at the Jones home twice and could not gain admittance, I sent Dr. McCann to the house Wednesday to investigate. He located the girl, whose hands were beginning to peel, indicating she had been suffering from scarlet fever for several weeks. One report we received from the house was that the girl had been sent out of the city. The girl has not been at school for two weeks. This is a plain violation of the ordinance. At a time like this we must have the cooperation of citizens as well as the school authorities."

The following new cases of scarlet fever have been reported: Lester Harding, 624 North Thirty-sixth; J. C. Rosenthal, 413 Dodge; Will Hootan, 713 South Tenth (rear); Charles Newstrom, 1814 North Twenty-fifth; Sam Conlgin, 1116 Arbor; Mildred Monroe, Twenty-first and J. East Omaha; Mullen, 418 North Seventeenth; Winona Jones, 1803 South Twenty-fifth avenue; Frank Friend, 1618 Webster; Mildred and Charles Kugel, 824 Forest avenue.

Key to the Situation—See Want Ads. ALL MEAT PRICES MOVE UP DURING LAST TWO WEEKS. Jake Rosoff, proprietor of the Empress and Public markets, is patting himself on the back these days at the foresight he displayed in buying up an immense quantity of meat of all kinds before the recent raise started. He now has on hand over 10,000 pounds of meat of all kinds and he says he is going to let the public have the benefit of his foresight. During the last two weeks pork loins have raised from 11 to 16 cents a pound wholesale, and both beef and mutton have advanced about 5 cents a pound.

Omaha Needs New Union Depot, Says West Farnam Forum

New officers were elected at the last meeting of the West Farnam Men's forum in the auditorium of the old McCabe Methodist church, Fortieth and Farnam streets.

John Lewis was made president, L. P. Boetwick, vice president, W. W. Kallen, secretary, and R. H. Thorpe, treasurer. F. D. Wend heads a special committee to investigate the proposed submission of a bond issue for paved roads in the county. The committee is to report at the meeting a week from next Tuesday evening. The need of a new union depot in Omaha was taken up and discussed with much vigor, there being no opposition to the opinion that Omaha is badly in need of such a structure and that the railroads owe it to the city to build one. The forum is also to look into the situation with regard to the prospect of getting interurban service into Omaha. Light refreshments were served at the meeting, and the women who served the refreshments were given an opportunity to talk on some things they consider for the good of Omaha.

Commercial Club Offers Gold Prizes for Seven Reasons. Twenty-five dollars in gold is offered by the Commercial club membership committee to the man, woman or child who will suggest the best seven reasons why every business and professional man in the city should be a member of the Commercial club.

This offer is announced in connection with the big movement started by the new committee headed by L. V. Nicholas to raise the membership to 2,000 in 1916. So the committee wants seven reasons and is willing to pay for them. The contest is open to the round, round world. The seven-reasons manuscripts must be submitted to the Commercial club on or before March 20. They should be sent to "The Seven Reasons Why? Commercial Club, Omaha, Neb."

YOUR FRECKLES

Need Attention in March or Face May Stay Covered. Now is the time to take special care of the complexion if you wish it to look well the rest of the year. The March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use othine—double strength. This prescription for the removal of freckles was written by a prominent physician and is usually so successful that it is sold by druggists under guarantee to refund the money if it fails. Get an ounce of othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.—Advertisement.

Why Do You Make Your Own House Dresses?

"You cannot make them as cheaply as you can buy them, because you and I cannot compete with the modern factory." "They cut 250 dresses at one time—they sew on 5,000 buttons a day with one machine—they work corded buttonholes that cannot rip, also by machine." "You cannot sew a seam as evenly as the new machine that can make sixteen stitches to the inch—you cannot buy as good or as comfortable a pattern as this dress was cut over." "If you count your time for anything, you cannot make a dress for twice what I paid for this one."
