HOGS-Receipts were smaller than on most recent Fridays, the day's supplies being estimated at 187 cars, or 10,000 head. The total for the week to date is 58,464 head, as against 63,332 a week ago, 78,890 two weeks ago and 63,687 a year ago.

Today's host market proved to be the climax of the week's advance, when prices took an upturn of fully 56256. Shippers led off buying hogs on about a 20c higher basis and before the close had paid a flat quarter higher for a good many hogs. Their purchases amounted to more than half the receipts, and included good heavies as high as 35.55. a flat 25c higher than yesterday's top, and the highest price paid since 1810.

The packer market was in many ways a repetition of Thursday's Buyers were a little inclined to hang back on early rounds, but got into action in good season, paying prices that were at least 25c higher, and looked a quarter higher in many cases. They bought all grades readily with the exception of some of the underweight and commorest mixed hogs and a fair sort of clearance had been made long before 16 o'clock.

The general market was active at an advance of 35625c. Bulk of all the sales was made at \$5.259.50, although there were a good many loads of underweights acattered on down to 19.00. As noted above the top reached \$2.55.

Current values are \$6.6675c higher than the close of last week, and \$5. above March 1, while they are \$2.75 higher than the close of last week, and \$5. above March 1, while they are \$2.75 higher than the close of last week, and \$5. above the top reached \$2.55.

when hair is falling and the dandruff germ is killing the hair roots. Delay means-no hair.

Get, at any drug store, a bottle of zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use is zemo, for it is pure and also inex-
