ORDER FOR STATE GUARD TO BE READY

Adjutant General Hall Calls On Officers to Prepare to Move Commands to Lincoln.

OMAHA OFFICER GETS ORDER

(From a Staff Correspondent.) LINCOLN, March 16.—(Special Telegram.)—Adjutant General Hall announced this afternoon that the entire National Guard of Nebraska had been ordered to mobilize at Lincoln. He refused to give any information about the time the troops have been ordered to come to the capital or the purpose of the movement. He added, however, that before the Nebraska National Guard could be mustered into the service of the United States another regiment would have to be recruited.

It is generally believed here that the order is the part of a scheme of mobilization for the purpose of moving the entire National Guard to Lincoln at a moment's notice in case its services should be needed. There probably will be no movement of troops until a further formal order is issued by Governor Morehead.

Officers of the Fourth regiment in Omaha refuse to admit they have received definite mobilization orders from General Hall as yet.

One officer, however, admitted a confidential code had been received in Omaha from General Hall, in which the commander ordered the local officers to prepare for a possible mobilization, but the code did not indicate that there was any likelihood of an immediate order. There are four companies of militia in Omaha, Companies A, B, C and D, of the first battalion of the Fourth regiment, all in command of Lieutenant Colonel Baehr. The four companies total 250 men. A fifth company is now being recruited by Captain Kirschner.

JOKERS KEEP BUSY OVER PRIMARY AND BIG WAR

(From a Staff Correspondent.) LINCOLN, March 16.—(Special.)—Will the rivalry between Lincoln and Omaha never cease? Another evidence of that has been shown in the filing of a petition this morning coming from Omaha, presumably to offset the one filed from Lincoln yesterday for the emperor of Germany as a candidate for president, the Omaha petition boosting King George and is as follows: We, the undersigned (signed by proxy), qualified and disqualified electors, voters, citizens and most humble subjects of his royal majesty King George, do hereby petitioned with the hypochondriac Anglo-manian munitary party and residing on earth, below the heavens, above the earth in heaven, hereby request that the sacred and holy name of his royal majesty, King George V, descendant of the illustrious George III, by the grace of God king of England and Scotland, emperor of India, emperor of Ireland and South Africa, exalted ruler of the universe and of the united colonies located between the Indian kingdom of Canada and the independent republic of Mexico, be placed upon the ballot of the sample primary ballot of said party as a candidate for the office of president of the united colonies above mentioned.

In witness whereof we have hereunto signed our names (by proxy): High Lord Spring-Rice, governor general of the united colonies; Archduke Woodrow Wilson, secretary to the governor general; Earl J. P. Morgan, supreme commander of the whole chess; General Theodore Roosevelt representing the combined and united insane asylums of these islands; Viscount Henry Cabot Lodge, Sir Boles Penrose, Sir Hamilton Lewis, members of the house of lords; Sir Gardner, humble member of the house of commons; Sir William Cotton, Sir John L. Kennedy, Sir Chester H. Aldrich, humble servants of his majesty; General George F. Powel, official organ of his majesty; Nebraska State Journal, supplement to the Denver Post; One Lansing, who always obeys orders and never asks questions; St. Patrick, Robert Emmet, Maria Stuart, Paul Kruger, Napoleon Bonaparte, George Washington, Benjamin Franklin, Thomas Jefferson, James Madison, James Monroe, Andrew Jackson.

MOREHEAD AND KENNEDY ADDRESS DAUGHTERS

LINCOLN, Neb., March 16.—(Special Telegram.)—Governor John H. Morehead, John L. Kennedy, Mayor Charles Bryan and Mrs. J. H. Ault, state regent, were the chief speakers at the fourteenth annual conference of the Daughters of the American Revolution, holding their session in this city today.

Mr. Kennedy, who had been awarded the subject of "The California Trail," said that he would prefer to change to the subject the duty of Nebraska citizens to keep the California trail well marked.

Governor Morehead in welcoming the delegates said that the world at large owed a great deal to the woman organizations. He said he was sorry that woman suffrage had not carried last year, and received a big hand for his statement.

H. M. Bushnell spoke in behalf of the Sons of the American Revolution. Mrs. E. C. Drake responded in behalf of the officers and delegates. Other speakers were Mrs. Josie C. Bennett, Mrs. O. C. Bell and Mrs. Max Hostetter of Kearney.

Pined for Theft of Coal. COLUMBUS, Neb., March 16.—(Special Telegram.)—Special Agent F. M. Cashman of the Union Pacific has been kept busy rounding up coal thieves this week. This morning he caused the arrest of five Columbus people and one Genoa man. William Antfin was fined in Genoa this morning \$4 and costs. Those arrested here were Meadeham Frank Bader, John Bader, Gersten Bergeld, Floyd McDaniel and Frank Gilmore. Deputy Sheriff Charles Jaworski served the warrants and they were brought before County Judge Ratterman this afternoon when they pleaded guilty and each paid the sum of \$5 and costs. Six others have been implicated in stealing coal from the Union Pacific company here and they will also be prosecuted.

Indigestion and Constipation. Indigestion and constipation are among the most common causes of ill health. A man never feels so completely used up as when his stomach goes back on him. Fortunately quick relief may be had by taking Chamberlain's Tablets, and in most cases this relief becomes permanent. Do not give up but take Chamberlain's Tablets, not well and stay well as many others have done. Obtainable everywhere.—Advertisement.

TWO STRIKES AT LINCOLN

Iron and Steel Workers at Dairy Building at Capital City Walk Out.

UNION MUSICIANS STOP PLAYING

(From a Staff Correspondent.) LINCOLN, March 16.—(Special.)—A strike epidemic appears to have visited Lincoln. Work has been suspended on the new dairy building at the state farm because the ironworkers object to common laborers being put to work setting reinforcing rods in the building in order to hurry the work along. The ironworkers quit and when the common laborers were kept at work, then the steelworkers quit. Then, to make it as nearly unanimous as possible, the carpenters joined in the walkout and no union men are now at work.

The cessation of work at this time when the contractors hoped to take advantage of the nice weather will prevent completion of the building by next fall, unless the men go back to work quickly.

Another strike is on among the musicians at the Lyric theater. When the Orpheum changed to a picture show house the management decided that it could not pay the orchestra the salaries paid for vaudeville work and in an attempt to reduce the members quit. A nominal orchestra was put in to fill their place, and then the union orchestra at the Lyric, owned by the same company, also quit.

Manager Eger of the amusement company says that as far as he is concerned the strike is settled. He would prefer to hire Lincoln musicians, but if they will not work he will secure musicians from outside.

Ferdinand Rih and Miss Elsie Irene Knowles, both of this city, were married yesterday by Rev. C. E. Stevens.

KILLEAN FILES IN FOURTH AGAINST CONGRESSMAN

FAIRBURY, Neb., March 16.—(Special.)—John B. Killian of this city mailed his filing papers as candidate for congress on the republican ticket in the Fourth district today to Secretary of State Charles W. Pease at Lincoln and is now in his second race against Charles Honn, who has represented this district three terms at Washington. Mr. Killian was a candidate against the Geneva statesman in 1914, and encouraged by the showing made in that campaign, he has again announced himself as a full-fledged candidate.

Mr. Killian has resided in Jefferson county thirty-two years and is a life long republican. He refused to support the formation of the progressive party in this county in 1914 and ran for congress as a republican. He asserts this will be a republican year—that nothing can save President Wilson or the democratic party.

JUDGE HAD RECOMMENDED BINDING BANDIT'S PAROLE

(From a Staff Correspondent.) LINCOLN, March 16.—(Special.)—The controversy over the action of the State Board of Pardoners in pardoning Adam S. Moore, the Omaha "binding bandit," is somewhat explained by the secretary of the Board of Charities and Corrections, J. W. Shahan, this morning, who has in his possession letters from Judge English, who tried Moore for breaking and entering the residence of D. C. McDowell of Omaha, for which crime he was found guilty and sentenced to one to seven years in the penitentiary.

Judge English's letter to the board states that "if the conduct of Moore has been satisfactory to the officials of the penitentiary, I most cordially ask you to parole him."

D. C. McDowell, who was the complaining witness against Moore, wrote the prisoner, saying in substance that it was a pleasure for him to recommend that the board grant the parole.

Prison officials say that Moore, who had been in the institution about a year at the time of his parole, was a model prisoner and appeared to be entitled to a chance to make good outside the institution.

WAS VERY WEAK, GAINS FLESH NOW

Tanlac Saved Nebraska Man From Critical Condition, He Declares.

"I was so weak that I could hardly get into my clothes, I could never eat a thing for breakfast. Not even fruit or a glass of milk could tempt me. I had suffered a general breakdown of the system and my condition was critical. "Now my work has become a pleasure. I get up in the mornings feeling fine. I eat a big, hearty breakfast. I am gaining flesh every day."

Both of these statements, the good and the bad, were made yesterday by M. K. Holland of the Sanford Hotel, Omaha. They were a part of his remarkable story of Tanlac. In his matter of fact way this Omaha business man made plain why Tanlac has won such great popularity in the big Nebraska city. His words will strike home to thousands.

"I had scarcely any appetite and grew so nervous I could get no real restful sleep," Mr. Holland explained to the Tanlac man.

"Each morning I would awake with an awful headache," he continued. "There was a bad taste in my mouth and I could not touch breakfast. I was going down hill fast. I knew it, and I knew, too, that I must find something to build me up. I had heard so much of Tanlac that I naturally turned to it for the relief I needed."

"I actually felt better after the first dose. Day to day I improved. No one who has not suffered as I did can realize how a good breakfast builds strength and makes the day ahead look bright. My headaches and nervousness are gone. I feel better all over. Nothing is as good as Tanlac to take that 'tired feeling' out of the system. You can feel Tanlac right at work. I want to recommend Tanlac to everyone, man and woman—who needs a good tonic and builder."

Tanlac now is being specially introduced in Omaha. The Tanlac man at the Owl Drug store, 16th and Harney streets, daily explains how Tanlac should be taken and the results that may be expected from its use by nervous, run-down men and women who need more strength, better digestion and a revitalization of the system.

Tanlac may be obtained in the following cities: Ashland, Cone's Pharmacy; Blue Springs, B. N. Wender; Benson, Schiller-Beattie Pharmacy; Central City, Schiller Drug Store; Grand Island, Clayton's Pharmacy; Weeping Water, Meyer Drug Store.—Advertisement.

TODAY'S BEAUTY TALK

You can make a delightful shampoo with very little effort and for a very trifling cost if you get from your druggist a package of cantrox and dissolve a teaspoonful in a cup of hot water.

Your shampoo is now ready. Just pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes all dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a stiffness that makes it seem heavier than it is, and takes on a rich luster and a softness that make arranging it a pleasure.—Advertisement.

To Quickly Remove Ugly Hairs From Face

(Beauty Note.) Beauty-destroying hairs are soon banished from the skin with the aid of a delicate paste, made by mixing some water with a little plain powdered delatone. This is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed to remove the remaining delatone. This simple treatment banishes every trace of hair and leaves the skin without a blemish. Caution should be used to be certain that it is delatone you buy.—Advertisement.

Do YOU Believe This?

When a man puts his name and the price on his goods or merchandise, he has practically signed a contract with the public to deliver goods worth that price, his whole success depends upon public approval of the quality of the goods. To treat people by the measure, or for a stated aim of money for a sure cure is not honest, and I say it is the worst form of quackery.
