

OLD AND YOUNGER GRADS TO BANQUET

Flaming Posters Announce Big Affair for the University Club Next Thursday.

GREATEST SHOW IN SOME YEARS

The grads of empty seven, and the grads of haughty-naught, and all the in-between grads, even to the down-invested grads of 1915, will mingle and jollify.

Thus speaks the flaming red, black and white bulletin announcing the annual college night dinner to be given at the University club rooms the evening of March 31 at 6 o'clock.

A menagerie of unparalleled wonders, a dramatic, Parlihan-seate, a grain the alluring poster alarmingly alliterates.

The greatest show since the days of 'Cross & Blackwell,' is scheduled as part of the entertainment of the evening.

In fact, one would think from the poster that this was to be a side show of no less proportions than Barnum's greatest—a succession of stupendous, sacrificing screams, staged by solemn-faced school sealwarts.

Haskell, Barker, McIntyre, Selby, Latimer, Holland, Cusaden, Pierpont, Cook, Sumner, Nicholas, Dietz, Crowley, Switzer, Eastman, Smith and Rees, are some of the wonders of the menagerie that will growl, snarl and show their fangs, for the delight and edification of the multitude of college-groomed boarders of the evening.

A plate is to cost \$1.50. What the contents of the plate are to cost is not made clear by the illuminating poster.

The show, altogether with the chorus of 100 beauties, is all thrown in for the \$1.50.

De Facto Soldiers Not Massed Along International Line

WASHINGTON, March 25.—Major General Funston telegraphed the War department that his military observers after a survey find there has been no massing of Carranza troops along the border and no strengthening of garrisons since the Columbus massacre.

Elisaco Arredondo, General Carranza's ambassador, presented to Secretary Lansing today that ammunition for General Carranza, consigned on a ship leaving New York yesterday was held up by the custom authorities.

Secretary Lansing told the ambassador there was no intention to help up ammunition for General Carranza and that the delay was caused by a preliminary examination to assure the government that the shipment would not reach his enemies. It will be allowed to go forward.

Customs officials, however, will inspect all shipments of ammunition to General Carranza to take sure that they are not going to sections of Mexico where, disloyalty is feared.

An expected official statement on alarm reports from the Mexican border probably will be issued by President Wilson instead of by Secretary Lansing as was at first planned. The president and the cabinet are so convinced that certain reports are part of a propaganda to force a general intervention in Mexico that it was decided the subject was of sufficient importance for the president to deal with personally.

Carranza Permits American Troops to Use His Railroads

QUERETARO, Mex., March 25.—(via Mexico City, March 25.)—General Carranza's reply to the latest note of the Washington government was handed today to James L. Rodgers the American special representative here for transmission to Washington. The reply agrees in the main to the American proposals, but a few unimportant changes are suggested.

The decision was reached after an all-day session at the Carranza residence. The conference was attended by the governors of the states of Coahuila, San Luis Potosi, Vera Cruz, Tlaxaco, Queretaro and Guanajuato, the members of the provisional president's cabinet and a number of high army officials.

WASHINGTON, March 25.—The note referred to in the foregoing Queretaro dispatch undoubtedly is the protocol suggested by General Carranza's ambassador here to put the pursuit of the Villa bandits completely on a reciprocal basis.

The protocol is understood to provide for the use of the railroads on either side of the border by the forces of either country for the pursuit of outlaws under certain specific circumstances.

Officials here say that if General Carranza has agreed to let the American expedition to use the railroads to move men and supplies against Villa and his band, their capture will be short work.

Woman with Waite When He Purchased Drugs Will Testify

NEW YORK, March 25.—Dr. Arthur Warren Waite, accused of the murder of his father-in-law, John E. Peck, millionaire drug manufacturer of Grand Rapids, Mich., remained under close guard at Bellevue hospital today and no visitors were permitted to see him, save his aged parents, who came from Grand Rapids last night prepared to furnish legal assistance. The young dentist, although still suffering from the effects of the drugs he took two days ago, was reported much improved today.

Further evidence in the case was supplied today by Mrs. Margaret Horton, whom the prosecutor's assistants have identified as the woman with whom Dr. Waite associated at a hotel under the name of "Dr. A. W. Walters and wife."

Mrs. Horton, a singer, and her husband, Harry Horton, an inventor, were brought to the district attorney's office and questioned at length by Assistant District Attorney Pooling. The two probably will be grand jury witnesses.

Mr. Pooling said that Mrs. Horton supplied a list of places and dates where and when she declared Dr. Waite bought poison, from December until March, and that Mrs. Horton said she accompanied Dr. Waite when some of these alleged purchases were made.

Has Score of Players. Rufus Gilbert, manager of the Terra Haute Central league team, has announced the name of twenty-four players who are under contract.

ALL SAINTS' LENTEN SERVICE CHOIR—Boys and girls who sing at special Lenten vesper services at All Saints' church. From left to right, front row: Dorothy Ives, Ralph Campbell, George Jones, Park O'Brien, Louis Metz, Clark Gerber, Arthur Woodman, Margaret Beesen. Back row: Argeline Rush, Gordon McCauley, Mildred Rockwell, Berenice Wilcox, Madeline Johnson, Alberta Huston, Roberta Trimble, Verna McAulay, Gertrude Peycke.

A Lenten novelty in Omaha this year is the choir of young boys and girls which has been organized and is singing at All Saints' Episcopal church every Tuesday, Wednesday, Thursday and Friday afternoons at the 4:30 o'clock services. The members range from 10 to 16 years of age. The girls wear violet colored gowns and the boys the usual choir-boy garments, black cassocks and white collars. They make a fine appearance and have won the admiration of the congregation, both for appearance and their musical ability. They have been trained by Mr. J. H. Simms and Mrs. Oscar B. Williams and are directed by Mrs. H. D. Sobotker. The idea of the boy and girl choir was suggested by Rev. T. J. Mackay, the pastor. It has not been used for twenty-four years. Rev. Mr. Mackay had such a choir in his church the first year after he came here from Council Bluffs, which is nearly twenty-five years ago. Boyle to Quincy. George (Buck) Boyle, who played first base for Peoria under Izzy Hoffman last year, has been signed by Quincy. Augusta Signs Hall. The Augusta club in the Sally league has signed Pitcher George Hall, who led the twirlers in the flag league last year.

Why pay Tire Bills for Others— i. e., for RECKLESS Drivers

THIS to the American who hates to be "the Goat"! Tires CAN be sold on a "BUSINESS" basis, with sufficient profit to both Manufacturer and Dealer, as Goodrich experience proves.

But, they can also be sold on a PREMIUM basis, whereby the "Safe and Sane" Car-Owner pays for the Speeding Propensities, and Careless Driving, of Others who, leaning upon an extravagant "Guarantee," knowingly burn up Tires in half their natural Life and Mileage.

Speed-Maniacs and Careless-Drivers may very PROPERLY pay the Premium over normal Value (which is really an Insurance Premium), on fancy-priced Tires.

Because, the Premium they pay may be less than half what other Careful Car-Owners indirectly contribute for them, when buying the same brand of Premium-priced Tires, and using them so reasonably that practically no "adjustments" are, in their case, demanded, though paid for in the Premiumed Price.

AMERICANS who want their money's worth,—who dislike to pay for the Reckless-driving extravagance of Others,—in the price of their own Tires, should sit up and take notice of following FACTS:—

The current Goodrich "Fair-List" price on Tires, is based upon what it costs the largest, and best equipped, Rubber Factory in America to produce them.

No "Insurance" Premium added to the NORMAL retail price of Goodrich Tires, in order to protect the Reckless Driver at the expense of the Careful Driver, through a fancy List Price which is high enough to absorb that Premium.

The excess Mileage each Goodrich Tire is reasonably certain to deliver, when given reasonable care in driving, thus becomes clear "Velvet" to the Owner of GOODRICH Tires.

Money can't make, and can't buy, better Tires of Fabric construction, than Goodrich Safety-Tread Tires, as Test will prove. And, money can't buy the B. F. Goodrich Co. to produce Tires which would discredit the 269 other lines of Rubber Goods made by the B. F. Goodrich Co., for which its name stands Sponsor.

COMPARE prices on Goodrich "Fair-List" Tires with present prices on any other responsible Tires in the field bearing in mind that NO "LARGER-SIZED" Tires (type for type and size for size) than Goodrich Black-Treads, are made in America.

Then, Test out at least ONE pair of Goodrich black-tread Tires, on their per-DELIVERED-Mile cost to you, against any other Tires in the field, at any price, and,—abide by the Result.

Why (if YOU are not a Reckless Driver) should YOU pay MORE than the "BUSINESS" price of the Goodrich Tire, for ANY Fabric Tire in the field? Get a sliver of the new Goodrich "Barefoot" Rubber from your nearest Goodrich Dealer or Branch.
