OLD SALARY LIMIT QUESTION REVIVED

Minor Leagues Decide Retrenchment Imperative and Start to Clip Players' Pay Checks.

EACH LOOP TO SET OWN LIMIT

SAN FRANCISCO, Nov. 10.—Representatives of each league in the National Association of Professional Base Ball Leagues in convention here were instructed today to report late today what salary limits would be acceptable to their organizations. This action followed a long executive session in which the policy of retrenchment was declared to be imperative.

Charles Ebbetts, president of the Brooklyn Nationals, according to J. H. Farrell, secretary of the association, who issued an official report of the meeting, advised the minor league men not to establish a standard salary limit for all leagues.

"Base ball can be saved only by sensible regulation of salaries," Farrell said. "It would be foolhardy for this convention to attempt to fix a general salary limit for all leagues. Each league should set its own figure to which all clubs should adhere rigidly."

Among other questions there were discussed at the meeting a proposal to establish for each league uniform training dates, player limits during the playing season, maximum salaries and a limit on the number of players held in reserve during the winter.

The election of officers set for today was deferred. It probably will be held tonight or tomorrow.

Coast Men Honored.
Pacific Coast league representatives were appointed chairmen of three of the five committees named today by Michael S.H. Sexton of Rock Island, Ill., president of the association. They were W. W. McCredie of Portland, nominating committee; A. T. Hatim, San Francisco, constitutional amendments; and F. W. Leavitt, Oakland, resolutions. M. P. Coyhill of Savannah, Ga., was named chairman of the credentials committee and R. H. Dargh of Birmingham, Ala., chairman of the auditing committee.

Among the supporters of Ebbetts' proposal at the session was Clyde L. Shropshire, president of the Nashville club in the Southern league. He told the base ball men that the Southern league had not suffered during the past season as had others because its members "stick to a salary limit."

Quigley Issues a Defi to Nonpareils for the Columbians

Frank Quigley, manager of the Columbian foot ball team, has addressed the following letter to the sporting editor of The Bee:

"As manager of the Columbian foot ball team, the 1914 champions of Omaha, I want to say a few words relative to the championship for 1915. The Nonpareils claim said championship because they defeated the Monmouth Parks last Sunday. How in the world could they win the championship from a team that has never been champion of Omaha? The Columbians of today consist of eight of last year's regulars. Two of the regulars, namely, Marty Finnegan and Jack Fitzgerald, are not playing Sunday foot ball. I want to ask the Nonpareils why the Columbians are not the present champions of Omaha, and if it isn't up to them to trim us before they can rightfully claim the championship. I have tried to arrange a game with their team at Rourke park. Nothing doing. They are willing to play at their own park, namely, Luxus park, located at Twenty-fourth and Vinson streets. Under the laws governing foot ball they could not make the Columbians play at Luxus park, because they have not got a regulation gridiron. Their field is ten yards short. If they play us at Rourke park, which is in their own neighborhood, they know they will get a square deal. The Columbians are anxious to mix with the Nonpareils as soon as possible, Sunday, November 12, preferred. If they won't play at Rourke park we will play them on any regulation foot ball field in Omaha, namely, Fontenelle park, Douglas county fair grounds, Fort Omaha or Thirty-second and Dewey avenue. Now it is up to them, for the Columbians are ready to play any time and any place except Luxus park."

POSTPONE DEDICATION OF NEW BELLEVUE GYM

Since "Billy" Sunday disappointed his Bellevue friends by failing to keep his promise to dedicate the new gymnasium, the college officials have decided that until next commencement, a speaker of note might be secured soon if a great effort were made, but a better plan has suggested itself. In accordance with this plan every possible effort will be made to have next commencement a grand home-coming time for all alumni.

PERU STAR IS ACCUSED OF BEING PROFESSIONAL

HOWARD BERRY INTERNATIONAL FILM SERVICE

The net of professionalism has been spread over Howard Berry, the greatest all round athlete the University of Pennsylvania has, according to information reaching the amateur athletic officials. Accusations against Berry, which are said to be in the hands of Secretary Frederick V. Shrublen of the Amateur Athletic Union in New York, allege that Berry played semi-professional base ball before he came to the University of Pennsylvania.

Last week Berry turned in his foot ball suit after playing in the Pittsburgh game, saying that the coaches had kept him on the side lines most of the season and then, putting him into the game at the last minute expected him to perform like a veteran. Berry was one of the most promising backfield men in the Penn foot ball squad this year. He holds several athletic records, among them the javelin throw.

LUXUS TEAM TO BANQUET AT PAXTON SUNDAY NIGHT

Manager Johnny Dennison and the Luxus team will be guests of Al Krug at a big banquet to be held at the Paxton hotel Sunday night. Krug is quite proud of the athletes who carried the Luxus name back to Cleveland with them, and thus the plans for the feed.

O'Neill is Drafted.
The Providence club of the International league has drafted Jimmy O'Neill from the Utica club of the New York State league.

KANSAS STOCK RANCH WITH ALFALFA LAND

Great hog and cattle ranch, 250 acres growing alfalfa. Irrigation not necessary. 600 acres bottom farm land (no overflow). 1,100 acres in pasture. Good improvements. Two sets of buildings. Abundance of good water. Considerable timber near buildings. I own the ranch and wish to get in touch direct with purchaser, not real estate agents. Best equipped ranch in Kansas at a very low price; will sacrifice for quick sale. Want some cash could take good eastern Kansas or Missouri farm land as part pay and reasonable mortgage. Talk business in first letter.

MAXWELL AUTO SALE PLAN

Agents Hold Session Here, at Which Prospects for Coming Season Are Discussed.

PARTIAL PAYMENT SCHEME

Maxwell automobile dealers from out in the state, C. J. Brokaw, Omaha, district manager for this territory; C. R. Newby, Detroit, representing the western district of the Maxwell sales corporation; C. Lubeck, a Chicago representative of the Maxwell, and a number of Nebraska agents spent most of yesterday holding a family meeting at the Hotel Fontenelle, where the whole automobile situation was gone over. At luncheon the visitors were the guests of the Maxwell people. In the evening Mr. Newby went to Kansas City, where he will be present at a similar meeting to be held there.

The topic discussed at the Omaha meeting that proved of the greatest interest to the Maxwell dealers of the state was the plan proposed by the Maxwell Sales corporation regarding the pushing of sales in this district known as thirty-four, and which has its headquarters in Omaha.

On Payment Plan.
Manager Brokaw and the other Maxwell representatives went over with the dealers and their bankers all the details of the partial payment plan, which it is believed is going to materially increase the sales during the 1916 season. This plan is new to the dealers and struck them decidedly favorable.

The Maxwell people from the Detroit house are looking for great things from the Omaha territory next year and at the meeting asserted that this is looked upon as the prize district.

During the meeting valuable pointers were given the dealers and they were given practical lessons relative to selling plans. Mr. Brokaw was highly complimented upon his successful handling of the business from the Omaha headquarters and during the interim in the discussion of shop topics expressed himself as being highly elated over the prospects for business in his district.

The plans suggested by the Maxwell for increasing sales met with the hearty approval of the bankers present and when they returned to their homes, with one accord they were all boosters for the Maxwell car and its methods of dealing with buyers of machines. The financial plan proposed they asserted was sound without being objectionable in any particular.

With the new financial plan in operation a number of dealers present asserted that within the next twelve months they would more than double the sales of last year.

After complimenting Manager Brokaw Mr. Newby took the people at the meeting into his confidence and told them that at this time the Maxwell company is turning out 275 finished cars per day and that with the new sales and financial plan in operation the output will be quickly increased to 300 and perhaps more.

OMAHA-BELLEVUE CLUB HAS CAMP FIRE SUPPER

Tuesday afternoon the Omaha-Bellevue college club went northeast of Bellevue on a hike, which wound up with a big campfire supper. This club is an organization formed by the twenty-five Bellevue college students who live in Omaha and resident students of the college. Garwood Richardson of the South Side is president and Eleanor Tageroll of Omaha is secretary-treasurer. Miss Jeanette Goodwill, academy teacher, has consented to act as camp sponsor.

Shifts in Iowa Line Help Little, Says New Dope Story

IOWA CITY, Ia., Nov. 10.—(Special.)—A radical shake-up in the Iowa variety failed to keep the freshmen from gaining at will on the Hawkeyes in scrimmaging yesterday afternoon. Hawley made several shifts in the line and back field in an effort to strengthen the team for Ames, but only one showed promise. It is possible that Gilliland may replace McKee at left end. The latter has failed to display the class expected of him and since Gilliland showed up well yesterday he stands an excellent chance of starting against the Cyclones.

In addition to the switching of McKee to the second eleven, Coach Hawley placed Blackburn at Wilson's guard. The latter, however, failed to satisfy Coach Hawley, and before the end of the scrimmage Wilson was back at his position. Mendenhall ran the team at quarterback in place of the injured Gross, who may not start against Ames. Garretson, regular fullback, and his substitute, Scott, were both on the sidelines with injuries, and Barber, third string fullback, was given a chance with the variety crew. Donnelly was at Kerwick's half.

The freshmen, using Ames plays, gained at will against the new variety. They were in possession of the ball throughout the scrimmage, and no account was taken of the downs or touchdowns. The first yard backs ripped through the variety line for eight and nine-yard gains at a clip and scored several times on the Hawkeyes. At the conclusion of the

practice Coach Hawley left the field in a pessimistic mood, while one of the assistant coaches declared that unless the team showed vast improvement before Saturday, the Ames slogan would win. The latter part of the practice season was spent in devising a defense against the Ames formations, and the variety finished up the day with a snappy signal drill.

Doane and Wesleyan Will Play for the State Title Friday

CRETE, Neb., Nov. 10.—(Special.)—Probably the largest crowd ever attending a foot ball game in Crete will be present Friday when the Doane Tigers and the Wesleyan Coyotes clash in the game which will decide the state championship. Although the majority of rooters in and about Doane are scarcely confident of victory against the heavy Coyotes team, yet the improvement of the team in the last two weeks has caused many here to believe that Doane will give Coach Kline's pupils a hard battle for state honors.

Beginning the season with practically a new team, weighing a fraction under 100 pounds to the man, Coach Schisler has rounded into shape one of the scrappiest and fastest eleven ever wearing the orange and black at Doane. Although the team will be greatly outweighed by the University Place team, a hard game is looked for. One of the new finds of the season developed this week in "Red" Brown, the scrub left end. Brown for the last

few nights has been place-kicking the ball with startling regularity from the forty-yard line, and it is whispered about the Doane campus that the local coach is depending upon his "boot" to score against the Coyotes. Brown has been used as a halfback in the last few nights of scrimmage and will no doubt be given a chance to show his skill with the toe in Friday's contest.

A special train will accompany the Wesleyan team to Doane, and following the game a reception will be given to the visiting team and rooters by the Doane student body.

HIGH SCHOOL FOOT BALL MEN ARE FEELING MORE HOPEFUL

The chances of the Central High school foot ball team winning from North Platte next Friday are much brighter following the return of Morearty, left halfback, to the line-up. As soon as the return of Morearty was announced it was found that Weirich, the only regular backfield man who escaped from the Lincoln game without serious injuries, was declared ineligible on account of being down in his studies.

The team worked out last night on the Creighton field and spent most of the time sliding in the mud. Nichols is being used at quarter with Morearty and Logan at halves and Paterson at fullback. Smith and Newton are being used at the end positions.

Good for Sick Headaches.
Constipation causes sick headache and Dr. King's New Life Pills will cure it. Take a dose tonight. 25c. All drug-gists.—Advertisement.

Krupps' Will Divide War Profits With Soldiers' Widows

BERLIN, Nov. 10.—(By Wireless to Bay-ville.)—Although the profits of the Krupp works last year amounting to \$21,500,000, would permit of payment of a 24 per cent dividend, the owners will make no extra profits on account of the war. After payment of a dividend of 12 per cent, the amount distributed last year, a surplus of about \$6,000,000 will be devoted to charity. To the relief fund for families of soldiers killed in battle \$5,000,000 will be given and \$35,000 will go to the general relief fund.

Program Given by High School Pupils

The Latin and Art societies of the Central High school gave the following program yesterday afternoon:
Piano solo, Cornelia Cookrell; poem, "The Watch of the Old Gods," Richard Brady; recitation, "An Ode to an Old Roman Text Book," Myrre Gilchrist; poem, Ann A. Stell, and "Plains as Win-troub," recitation, N. Sora McDougal.
The following promotions and transfers were announced in the Central High school cadet regiment: From private in the band to first sergeant of bugle corps, Russell Mason; from corporal Company A to corporal Company B, Leland Potter; corporal Company B to corporal Company A, Herbert Peterson.
