Here's Absolute Protection Against Breakage, Damage or Loss.

One of the most distressing features of moving, a matter which causes the most trouble and worry is the concern felt for the safety of your belongings while in transit. But, it is different when you trust your goods to us. Our experienced packers thoroughly prepare your furniture against possibility of damage from whatever cause, our drivers handle things in the most expert and careful manner; and—

If that does not satisfy you we can, for a very reasonable sum, insure your property so that it will be safe in railroad transit. It is the cheapest insurance you can get, and it guarantees you absolutely against loss—everything is made good.
