"What Does the Name Haddorff Mean on a Piano?"

When I buy a Haddorff am I getting just an ordinarily good piano or do. I obtain a really Distinctive, Superior Piano in the Haddorff, and if so, In What Way Superior?

This is the vital question you will ask yourself, consciously or unconsciously, as you start out to buy a piano.

The Haddorff "Homo" Vibrating Sounding Board Stands Supreme and is Used Only in Haddorff Pianos and Player Pianos.

(The Greek word, "Homos," is used to mean "of the same quality throughout.") The Haddorff, used and endorsed by many of the world's leading artists, is our leader and represents the highest state of perfection attained in the art of piano making.
