M'MILLEN FLIES IN RECORD TIME FROM LINCOLN

Captain of the Aeroplane Corps of DEMOS ARE AT LOGGEN Nebraska National Guard Comes in His Craft, the U-2.

Also Breaks Record in Run from Capital Here.

LIGHTS AT THE FIELD CLUB

Captain R. E. McMillen of the aeroplane corps of the Nebraska Na- victory, based to no little extent on the tional Guard, yesterday made an historical aerial trip from Lincoln to Omaha in his aeroplane, the U-2. able indications for a reunited party, I The flight, which was the first of its think there is no question of the rekind ever made in Nebraska, was a suit. military experiment under direction of Adjutant General Hall.

The distance, which is approximately fifty miles "as the crow flies," was covered by the aviator in forty-three is the "time-card" reported by Captain McMillan: Left Lincoln at 2:34 o'clock; Havelock, 2:36; Waverly, 141; Greenwood, \$:50; arrived in Omana at 4:12.

Gould Dietz, president of the Aero Club of Nebraska, other members of the club, and several scores of spectators greeted Captain McMillen when he alighted at the Field club grounds. An accident was narrowly averted when, in landing at the Field club, the aeroplane went into the roadway at the low place near the club roadway at the low place near the club house, dropping down several feet. The Germany Denounces impetus of the machine carried it up the bank on the opposite side, where it stopped.

Spectators in Way.

There was such a large number of peoplescatered over the club grounds that Captain McMillen had to pick a landing place quickly to avoid any possible danger to the people and did not notice the

Captain McMillen was preceded in his follows: flight by several automobiles, the first "For some time now the English and two leaving Lincoln at 11:30 o'clock contwo leaving Lincoln at 11:30 o'clock containing newspapermen and others. Stops Off for the Day After a Trip All Over the Western Country.

Henry Estabrook, formerly and now of New York, wh threw his hat in the ring for the republi-FLYING TIME 43 MINUTES can nomination for the presidency. stopped off in Omaha yesterday en route from Kansas City to Chicago, where he Automobile Accompanying Machine speaks today before the Hamilton club He had made an address Saturday before the Commercial club of Kansas City. "My principal object in stopping here

was to visit the headquarters and see how Mr. Craig is getting along," he vouchsafed.

When asked about the coming election he said: "I predict a sweeping republican six weeks' trip which I am completing. and which has taken me over a large part of the country. With unmistake-

United Republicana Sure.

Mr. Estabrook went on to say that a united republican party was decidedly more assured than a democratic one. In illustrating this he asserted that the followers of Roosevelt in the 1912 campaign minutes' actual flying time. Following was in a great measure supporting his personality, and that the principles of republicanism were never abated.

"And the democrats," he went on, "are 11averock, 2.35, thland, 2.35; left Ashland, at loggerheads. Wilson has at last seen the light, and has rallied to the support of preparedness, while Bryan, the Moses of the democratic party, as it were, is rather leading his following into the wilderness, instead of out." Of his own part in the campaign he did not care to talk.

Reports of Famine As Pure Inventions

BERLIN, Nov. 21 .- (By Wireless to Tuckerton, N. J.)-The semi-official Overseas News agency gave out today deep cut through the grounds. As It was, a statement designed to set forth actual one wing of the aeroplane struck an conditions in Germany and controvert automobile, but no serious damage was what it terms false reports spread by the enemies of this country. The statemen

"Usually the stories are something like Journal, E. B. Gaddis, Lincoln repre-sentatic of the Omahva World-Herald; shricking and smashing shop windows: P. A. Burrows, Lincoln representative regiments arrive; they fire at the crowd of The Omaha Bee, and J. W. Jones, a and then mutiny. These gloomy reports of course are clumsy inventions. As a matter of fact nowhere in Germany is Police Traced Accused Murderer by Former Omaha Man Released from Bents the Autos.

Later General Hall and his father, Dr.
