NEW YORK STOCK MARKET

Break in Exchange on Germany and Austria, with Marks and Kronen Falling. DEALINGS ARE PROFESSIONAL.

NEW YORK, Dec. 16.—The more acute phase in the situation between Washington and Vienna was popularly advanced as the principal reason for the break in the stock market today. The heavy decline in the market was the result of a sharp decline in the price of German securities, which were sold off in large quantities.

Another break in exchange on Germany and Austria accentuated the tenor of the market. The dollar advanced to 134 1/2 cents for the mark, and the krona advanced to 100 cents for the dollar. The market was generally steady, with some fluctuations in the price of individual stocks.

Dealings in stocks may be dismissed with the statement that they were favored strongly by professional and were confined in undue proportion to General Motors, common and preferred, and Consolidated Gas, common and preferred. The market was generally steady, with some fluctuations in the price of individual stocks.

United States Steel reflected sinking of the same character recently noted, making an extreme decline of 1 1/2 cents. Bethlehem Steel remained unquoted and copper advanced 1/4 cent. The market was generally steady, with some fluctuations in the price of individual stocks.

Further selling of the international list was the only abnormal evidence of the market. The market was generally steady, with some fluctuations in the price of individual stocks.

Super-Zeppelin L-22 Destroyed by Blast of One of Its Bombs

COPENHAGEN, Dec. 16.—(Via London.)—A report of the destruction of the Super-Zeppelin L-22 was received from Nishisaw today by a Copenhagen newspaper. It is said nearly all the forty members of the crew were killed or wounded.

The loss of the Zeppelin is said to have been due to the accidental explosion of a bomb as the airship was leaving its shed. The explosion demolished the shed.

According to this account the accident occurred a fortnight ago. The Zeppelin had been in service only a few weeks. It is described by the newspaper as a sister ship of the L-18, recently reported to have been destroyed by an explosion at Tondern. It was of the latest type with invisible gondolas, platforms at the top of the envelope and detachable rafts for use in case of accident while crossing the sea.

Anderson Installs Officers of Clerks

For the eleventh time since the organization of the Nebraska and Iowa Hotel Clerks' association, Colonel William Anderson installed the newly elected officers. The ceremony took place last evening at Hotel Fontenelle during a business meeting of the organization.

"Pop" Anderson, as he is familiarly known to many hotel patrons, was the founder of the Clerks' association, and each year he is called upon to install the officers. He has done so every year since the beginning, excepting the times he himself was elected president. He is Hotel Rome's chief clerk.

The new officers are as follows: John W. Kennedy, formerly of the Hamanah and now one of the chief clerks of the Fontenelle; first vice president, R. D. McFadden, Wellington Inn; second vice president, Fred J. Walton, Lincoln; third vice president, J. S. Hamilton, Omaha; secretary-treasurer, Joseph McCaffery, Schlitz hotel, Omaha.

Concordia Singers Serenade Mayor

In honor of Mayor Dahman's birthday, twenty-five members of the Concordia Ladies' Singing society serenaded him and Mrs. Dahman last evening at the mayor's home, Twenty-ninth and Hickory streets.

With choruses, solos and recitations, the society made such a hit with the Dahmans that the singers were forced to remain and accept the hospitality of the mayor's home for almost three hours. The executive is an honorary member of the society. Mrs. Max Fletch was one of the leaders in the serenade.
