Give Them Toys That Go

How much better to give your children toys which work, and which can instruct, than to give them the many useless trinkets so often purchased at Christmas time.

Electrical Toys Are Always Welcome

With a little Electric Motor the boy can operate toys of his own making. Miniature Electric Ranges are now obtainable for the girl. They actually work and will bake little dishes for the tiny housewife...

Real Utility Gifts

—may be had at following stores:

- American Electric Co., 520 S. 16th St., D-1481
