Dr. Condra gave a lecture on Nebraska's or the other. soil, and accompanied it with motion pictures. Music by the Misses Euphemia Skinner and Marjorie Eemen of Lincoln not lacking, E. M. Pollard is present as interspersed the program.

In the afternoon the speakers were Brownville and Prof. H. E. Vasey of the University of Nebraska.

In the evening the annual banquet of the society was held at the Lindell hotel. The Home Economics association began its meetings this afternoon at the agricultural farm. Emma Reed Davidson. president of the association, delivering greetings. Alice M. Loomis gave a talk on marketing, and Mary Rokahr and Emma Ort gave a demonstration on the wide range of cooking and its cost.

Yesterday the horse breeders started their sessions, and followed up this morning with a meeting in which a freefor-all program was given, the subjects taking a wide range and being discussed in a lively manner by many present. Later in the day Prof. L. W. Chase of the State farm gave a talk on horse barns, and "Doc" Bixby of the State Journal, gave a poem on the horseless

Curtis of Iowa Talks.

Prof. C. F. Curtis of the Iowa State Agricultural college was the principal speaker of the afternoon, which was followed with a general discussion on stallion service fees. W. J. Kennedy of Sloux City spoke

on draft horse production. This was followed by a horse judging contest. The swine breeders held their session this afternoon at the stock judging pavilion at the State farm, and were welcomed by Dean Burnett, while Samuel McKelvie, president of the association, responded. The speakers during the afternoon were Superintendent W. P. Snyder of the North Platte experiment station,

C. Y. Thompson of West Point, and Dr.

GARRISON WANTS A NATIONAL ARMY

Regular Standing Military Force Federal Troops Subject to Call Necessary.

SAYS PACIFICISTS ARE BUSY

NEW YORK, Jan. 18,-An appeal to the people of the United States to organize in aupport of a systematic national defense was voiced in support of this principle, said the by Lindley M. Garrison, secretary of secretary, there must be cohesive erwar, in an address tonight at the ganization to combat the elements supannual banquet of Group S of the porting a system, founded upon troops New York State Bankers' association. Group 8 is composed of the bankers of New York City.

Secretary Garrison declared that the opposition to national defense is well organized, and that unless the Saturday. The Woman's Relief corps people of the country urge upon officers are as fellows: Jennie Chard, congress that they desire adequate president; Grace Wilson, senior vice national defense, the present system, which the speaker said was "uterly chaplin; Bertle Smith, conductor, Italiy inefficient," would be retained.

Must Be National.

National defense, the secretary stated. must rest upon national forces. Unity of Heintzelman. responsibility, authority and control is the essential principal of all military affairs, he said.

A real military policy, Secretary Garrison said, must be continental in scope. The old Grand Army of the Republic and the federal government must be in officers will hold over for another year

authority. All proposals, he said, t build a military system for the L'nite t States upon the basis of state troops are proposals to continue a situation that is "illusory and not real; that is a shan and not substantial; that is a mockery

and not honest." The secretary said that while there is disagreement among military experts as to the particular number of troops needed, all views agree upon the essen-

Standing Army Necessary. There must be, he continued, a regular standing army and organized federal troops subject to instant call. This, he said,, has been called a continental army,

tial principle that the troops should be
