NO FUNDS TO RUN FOUR DEPARTMENTS

State Legislature Fails to Appro-Priate Money for Important Branches of Administration.

THREE RAIL COMPLAINTS FILED

(From a Staff Correspondent.) LINCOLN, June 12 .- (Special.)-The failure of the last legislature, either purposely or through negligence to appropriate funds to run several departments of the state, notably the oil and food commission, hotel commossion, fire commission and game and fish commission has put it up to the attorney general of the state to devise some means so that the victims may not suffer who have to do the work of the departments.

The law provides that these departments shall turn in all fees to the state and that the salaries and expenses shall be paid by an appropriation. The economy crowd in the last legislature was anxious enough about the water in the well, but refused to buy a pump to get it out.

Three Rail Complaints. Three complaints were filed with the State Railway commission today against railroads. The first was filed by Secretary Shorthill of the Nebraska Farmers Co-Operative Grain and Live Stock association and asks that the Union Pacific be investigated regarding rates charged on grain out of Hordville to Omaha. The charge is discrimination in rates.

Nelson L. Rawlings filed a complaint against the Burlington alleging that the rate on ice from Wymore to Omaha and South Omaha is \$1.40 per ton while the rate from Sioux City to the same towns, a shorter distance is only 80 cents per ton. He asks the commission to require the railroad to show cause why the rates should not be equalized.

Mr. Rawlings asks for a transfer switch one mile east of Wymore, where the Union Pacific road crosses the Burlington. He alleges that under the present system he has to ship ice to Beatrice over the Union Pacific and back over the Burlington to get to towns on that road when by having a switch at that point the transfer can be made and the rate made cheaper. He says that the two roads run side by side for a mile before crossing each other and that a switch may be easily put in.

Reed Goes to Washington. Attorney General Reed will leave today state Commerce commission. Chairman Clarke of the Nebraska commission will also attend the hearings, but will stop in Omaha on the way.

Murphy & Co. Appeal. The firm of Andrew Murphy & Co. of Omaha has appealed to the supreme court from a judgment secured in the Douglas county district court by Charles W. Pierce for \$4,000 for injuries alleged to have been received by falling down an open elevator shaft in their manufacturing plant, in which he austained a broken arm and other injuries. Pierce sued for \$25,500.

Thomas Talks at Aurora. State Superintendent Thomas went to Aurora today to deliver an address before the graduation classs of the eighth grade county schools.

"Skeeters" Rout Guard. Adjutant General Hall and his forces have been routed. After a hard battle with the enemy they were compelled to change their contemplated location of a rifle camp and aeroplane school to the state fair grounds to get rid of the large army of "skeeters" which infests the original location.

Losey Asks Parole. H. E. Losey, sentenced to a term in the penitentiary for having in his possession gambling devices, and who applied to the Pardon board for a pardon, will change his application to a parole. Losey pleaded guilty to the charge, expecting that the punishment would be simply a fine. The gambling device in his possession was a pack of cards. If paroled he will go to his father in New Mexico.

Funeral of Judge Field. The funeral of Judge Allen W. Field occurred yesterday and was largely attended. The funeral was held at the residence, conducted by Rev. Mr. Waite and Dr. F. L. Wharton. The active pallbearers were: L. A. Ricketts, W. E. Sharp, H. K. Burket, W. S. Whitten, I. G. Chaffin and C. A. Tucher, while the honorary palibearers were: John B. Wright, W. B. Lindley, P. L. Hall, Judge E. P. Holmes, E. J. Hainer and Dr. A. R.

Gus Arns of Newman Grove has commenced action in the district court against Carl Zessin, now of the state of Washington, asking for an accounting of a co-partnership in the saloon business in the village of Newman Grove under the name of Gus Arns and to recover \$717.90, which Arns alleges is one-half of a judgment of \$1,198.06 and attorneys' fees which he was obliged to pay on account of a judgment rendered in the district court against him and snother sale on keeper in favor of the widow of Charles Johnson for \$2,000.

One section of the labor bill has the support both of employers and men. It provides for forced mediation before a strike or lockout is declared. When either party has a grievance, no action can be taken until a conference has been held before a government committee. But if mediation fails either side may take such action as it pleases.

As this is the last session of Parlinment before a new election, the radicals must submit the bill in its entirety, according to its pre-election promise.
