Idle Wealth  
There is probably thousands of dollars' worth of personal property in the city of Omaha alone which is of little value to its present owners.

Nearly all of this would be of use and decided value to somebody else.

Why not exchange to mutual advantage? You must have something you don't need or want. Advertise it in the

Swappers' Column of The Bee and get something for it.

BUSINESS CHANCES

EATON'S "Business Opportunities" Seldom Equalled  
If I could reasonably show you an investment where \$5,000 would grow into \$10,000 in one year, and with it monthly salary of \$100 would it pay you to investigate? I have such a proposition. I do not want to spend my time with curiosity seekers, but if you have the money and are willing to work, we will give you a positive guarantee on the \$5,000 at 5 per cent and can easily show you how \$5,000 will grow to \$10,000 in the first year.

EATON—A man who is engaged in other business has in storage \$2,000 and is ready to change. He will put this in at \$2,000 and wants you to put \$2,000 and he will give you the management of the manufacturing plant, the \$2,000 to make and market the goods, draw out a reasonable salary for yourself and give him half of the profits of the business. You are to be in entire charge. You will own money and will be "in it" every respect.

EATON—The highest hardware, notion and variety store in Omaha at good transfer prices. \$150,000. Personally consider this the best location in Omaha. Would like to share you the best and most profitable grocery, meat and bakery in Omaha. Sales average over \$6,000 per month. Will give you a little over \$2,000 will handle this. Can actually show you more real good buy, including merchandise and stores of all kinds than almost any other broker in the West. Why not come in and look over my entire line, or tell me what you want to do and what price you want to pay. I am always pleased to explain to you what I have.

EATON'S investments with positions are especially desirable in places where you can invest \$200 and up to \$15,000. The latter is in shares of \$25.00. Book value \$1,500 per share. Each share has original value of \$100.00. Write N. 73 and E. M. EATON, 1106 W. O. W. BLDG., D. 1022.

If your business chance will stand rigid investigation and is just what it is advertised, or if you are looking to start in business for yourself you will be perfectly satisfied if you use the Business Chance column of The Bee. When buying or selling a business phone Tyler 1000.
