Commencement Exercises of the High and Commerce Schools to Be Held This Week.

THURSDAY TO BE A HOLIDAY

On Priday morning 20,000 public school children will figuratively or literally kiss their teachers goodby for the summer; books will be placed away, blackboards cleared off and the school buildings locked. The boys will go fishin' and swimmin' and the girls will stay home with their mothers and help can the fruit and learn how to wash dishes.

These are busy days at school nead quarters and at the schools. The Central High graduating exercises will be held Thursday evening at the Brandels theater. Dr. A. Ross Hill, president of the University of Missouri, will deliver the address to the class. The graduates will be sented on the main floor of the theater, the custom heretofore having been to arrange the class on the stage, Dr. D. E. Jenkins will present the cadet cer tifficates and President Ernst of the Board of Education will present the diplomas. Members of the graduating class will hold an informal reception on the stage mmediately after the close of the pro

To Regain a Healthy. Girlish Complexion

If you would have a clear, fresh, girlish complexion, one ounce of ordinary mercolized wax will ald you in this direction more than shelves full of cosmelics. It produces a natural beauty. This wax, procurable at any drugstore, completely absorbs a bad complexion, revealing the healthy young akin underneath. Its work is done so cradually, day by day, that no inconvenience is caused. The wax is applied at night, like cold cream, and removed in the morning with soap and water.

Another valuable rejuvenating treatment—this for wrinkles—is to batheyour face in a solution of powdered saxolite, 'ox. dissolved in ½-pt. witch haxel. This has a remarkable action in smoothing out the lines and "firming up" the loose tissue.—Advertisement.
