GOPHER TWINE IS SOLD IN NEBRASKA

Minnesota Prison Plant Manager Has Samples of His Output Tested at Lincoln.

PROFIT FOR STATE IS HEAVY

(From a Staff Correspondent.) LINCOLN, June 16.—(Special.)—M. C. McMillan, superintendent of the twine plant of the Minnesota state penitentiary, called on Food Commissioner Harman today to have some samples of the twine manufactured at the Minnesota institution tested.

The Minnesota plant manufactures large quantities of twine and sells it not only in that state, but in other states, about 1,750,000 pounds being contracted for in Nebraska this season.

The plant was established in 1886, when the legislature appropriated \$200,000 for its establishment. Since that time over 207,000,000 pounds of twine has been manufactured at a profit to the institution of about \$1,353,362, not counting the 1915 output. Of the 1,666 prisoners in the institution, 260 are engaged in the twine plant. The plant also manufactures farm machinery.

The samples tested by the food commissioner were up to the standard required by the state department. It sells in carload lots at 4 1/2 cents a pound.

Fixing Up Tax Matter.

The State Board of Assessment is having difficulty making an adjustment of the state tax on express companies, the Adams company paid an occupation tax of \$6,570, when no tax was required that year. In 1914 it again paid \$3,125. This year a tax will be due and an effort is being made to transfer the 1913 tax paid to the 1915 assessment. This lacks \$131 of being sufficient and the board does not know just how to make the transfer. A meeting was held this morning and it is hoped to get the matter adjusted satisfactorily later on.

Smith Meets Commission.

Attorney Ed P. Smith of Omaha, who has been retained by the State Railway commission to conduct the case of the state in the rate hearings on order No. 19, was conferring with the commission this morning. The matter will come up for hearing in Omaha on June 28 before the Interstate Commerce commission.

Fullerton Voters Desire No Change

FULLERTON, Neb., June 16.—(Special Telegram.)—A special election was held here today for the purpose of determining three questions, the issuance of bonds to build a municipal electric lighting plant, the permission of Sunday base ball, and the permission of pool and billiard rooms. It was a field day for the anti, as all three of the propositions was snuffed under by a big vote.

FOURTEEN HUNDRED DELEGATES AT MEETING

BROKEN BOW, Neb., June 16.—(Special Telegram.)—Wednesday's crowd at the State Sunday school convention was augmented by nearly 500 new delegates, making a total of about 1,400. This is the largest Sunday school convention ever held in Nebraska.

Officers from every county made reports today.

The nominating committee comprises: Ray Fletcher of Lincoln, J. J. Clifton of Norfolk, Theodore Marks of Alma, J. T. Wood of Macon City, Rev. D. C. Troxell of Falls City and Mrs. Jennie Sharkey of Aurora.

The committee on resolutions was named as follows: A. L. Norden of St. Paul, Mrs. W. W. Ames of Dunbar, Rev. Theodore Marks of Harold and B. Wood of Nelson.

The general subject of "The Boys" prevailed at the session and some stirring talks were made by Rev. R. A. Waite of Lincoln, H. L. Lomax of Broken Bow and George L. Wallace of Omaha.

One of the largest crowds ever seen on the chautauque grounds attended Tuesday night's pageant.

ACCIDENT POLICY SUBJECT OF CONFERENCE AT LINCOLN

(From a Staff Correspondent.) LINCOLN, June 16.—(Special.)—The state insurance board was wrestling with a problem this afternoon caused by a clause in the accident insurance policies of the Great Eastern Casualty company of New York, which provides that in case of accident no claim can be made for the first thirty days of disability, unless the accident is of so serious a nature that it requires continued services of a physician or hospital care.

Louis H. Fibel, president of the company, was present and insisted that this clause was the same as that in the Nebraska liability law. Commissioner Brian believes that it debars them from doing business in the state.

TREASURER REPORTS BIG SUM OF CASH ON HAND

(From a Staff Correspondent.) LINCOLN, June 16.—(Special Telegram.)—According to an old law which has been dug up by State Treasurer Hall the treasurer of the state is required to report to the governor whenever there is more than \$100,000 on hand in the general fund of the state. Carrying out the law, Treasurer Hall today reported to the governor that there was \$170,354.02 on hand in the general fund when the office closed last night.

Adventists to Hold School Conference At Union College

LINCOLN, June 16.—(Special.)—Leading educators in the Seventh Day Adventist denomination from Washington, D. C., and all parts of the north, middle and southwest will meet in convention at Union college at College View, a suburb of this city, July 3 to 17. Officers and practically all of the prominent workers in the Young People's Society of Missionary Volunteers throughout these sections will join in this convention. Others who will attend include the church school teachers, academy teachers and training school workers of the West Canadian, Southwestern, Northern and Central Union conferences. The states and provinces that will be represented are Minnesota, Iowa, North and South Dakota, Nebraska, Colorado, Wyoming, Kansas, Missouri, Texas, Oklahoma, Arkansas, New Mexico, British Columbia, Alberta, Manitoba and Saskatchewan.

A well-known leader who will join in the convention will be Elder I. H. Evans of Washington, D. C., president of the North American division conference of the Adventists. Prof. Frederick Griggs, secretary of the educational department of the general conference, is in charge of the arrangements. W. E. Howell, assistant secretary of the educational department of North America; M. E. Kern, secretary of the Young People's Work for the World; Meade McGuire of Loveland, Colo., field secretary of the Young People's Work of North America, and Prof. W. W. Ruble of College View, are assisting in the plans for the success of the gathering.

Among the topics for discussion will be the following: "How Shall We Promote Our Educational Lines?" "Our Denominational Young People's Problem," "Efficiency," "Growth of the Missionary Volunteer Work in the Last Eight Years," "The Social Instincts of Young People," "Sports and Games," "Sex Hygiene and Social Purity Instruction," "Personal Evangelism," "Christian Stewardship."

Three Arrests Made In Layton Murder At Scott's Bluff

SCOTT'S BLUFF, Neb., June 16.—(Special.)—Recent developments in the Joe Layton murder case are the arrest of Dan Jordan, the alleged father-in-law of Layton, for the murder, and of his wife and the wife of Layton as accomplices. Up to the time of their arrest, all were drinking heavily and maintaining good nerve, and their stories are so nearly identical that they are suspicious. Two revolvers have been found, and one, believed to be the one that was used, is an automatic. A number of unused cartridges were found where they had just been thrown in the vault of an outhouse. Two bloodhounds each picked out Jordan as the man whose tracks were at the window. Powder stains on the window sash indicate that the gun was within two feet of the murdered man's head at the time the shot was fired. A dud bullet was used, and fragments of it are found, and also an empty shell.

The funeral of Mr. Layton was held Monday.

Notes from Beatrice and Gage County

BEATRICE, Neb., June 16.—(Special.)—In Judge Ellis court, Tuesday, County Attorney Messmore ordered the bond of A. M. Fisher of Omaha, charged with embezzlement of funds of the Fraternal Life Insurance company, be forfeited. Fisher was recently released on bond of \$50, and his case was set for trial last Tuesday. He failed to appear and County Attorney Messmore, after ordering the bond forfeited, issued another warrant for the arrest of Fisher and placed it in the hands of Sheriff Acton. The amount alleged to have been embezzled by Fisher is \$95.50.

Mrs. A. W. Brant, a pioneer of Beatrice and identified with the early history of Beatrice, died Tuesday morning at the home of her daughter, Mrs. S. D. Kilpatrick, aged 79 years. She is survived by two daughters, Mrs. S. D. Kilpatrick and Mrs. R. R. Kyd, both of this city.

Mr. Otto M. Campbell and Miss Lota Hadden, both of Adams, were married at the Centenary parsonage Tuesday by Rev. B. F. Galther.

Mr. Harland A. Carr of Lincoln and Miss Ruth Penrod were married Tuesday at 1 o'clock at the home of the bride's parents, Mr. and Mrs. I. D. Penrod in West Beatrice. Rev. Newton P. Patterson officiated. Mr. and Mrs. Carr will make their home in Omaha.

PETERS COMPANY FILES CHARGE AGAINST ROAD

(From a Staff Correspondent.) LINCOLN, June 16.—(Special.)—The M. C. Peters Mill company of Omaha has filed charges with the railway commission, alleging that the Chicago and North Western railway is making an unjust charge for switching cars at South Omaha. The milling firm claims that the charge is \$5 per car, when a reasonable charge would be \$2 per car.

Notes from Hartington

HARTINGTON, Neb., June 16.—(Special.)—At the annual meeting of school district No. 8 Monday afternoon, F. W. Barnhart and Dr. L. Stark were elected directors. The estimate of expenses calls for \$10,000 for next year, or a levy of 25 mills.

The Board of County Commissioners met as a board of equalization here Tuesday afternoon.

Hailstorms have been doing some damage in this locality recently.

Baby Mutilated by Hogs

SCOTT'S BLUFF, Neb., June 16.—(Special.)—A 5-months-old child of Mr. and Mrs. William Stowell, living near the sugar factory, had an ear bitten off by two half grown hogs that were allowed to run at large. The mother left the baby lying on the floor while she went to the garden, and hearing it scream, rushed back in time to save its life. But it is badly mutilated about the head and face.

School Meeting at Table Rock

TABLE ROCK, Neb., June 16.—(Special.)—At the annual school meeting held yesterday, J. N. Phillips and Mrs. Margaret Hylton were elected members of the Board of Education to succeed O. D. Roberts and Harry Freeman, whose terms of office had expired. A levy of \$5,500 was made for the coming year for school purposes.

TODAY'S BEAUTY AIDS

To clear up and whiten the skin and secure that charm of pink and white youthful freshness so much desired by all women you will find it far safer to rely upon a good face lotion rather than powder. To get rid of that shiny and muddy appearance in your complexion, dissolve four ounces of spumax in one-half pint hot water, and add two teaspoonfuls glycerin. Apply this to your face, neck and arms, rubbing gently until dry. This lotion does not show or rub off like powder and is much better. It is splendid for removing tan, freckles, pimples and sallowness.

You can make a delightful shampoo for a very trifling cost if you get from your druggist a package of cantrox and dissolve a teaspoonful in a cup of hot water. Pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes all dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a fluffiness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.—Advertisement.

FIFTEEN KILLED BY ZEPPELIN BOMBS

German Air Craft Make Extended Raid on Points Along Northeast Coast of England.

BIG AIR CAMPAIGN IS NOW ON

LONDON, June 16.—A Zeppelin visited the northeast coast of England last evening and dropped bombs. Fifteen deaths are reported from the district in question and fifteen persons were wounded. Some fires were started by the projectiles, but by this morning they had been overcome. This information was contained in an official announcement in London today.

Beginning with the German raid on the municipal area of London, May 21, in which four persons were killed, the last sixteen days have brought out reports of a number of aerial attacks by Zeppelins, all of which indicate a determination to force the fighting from the clouds.

An air attack by one ship, followed closely by a counter attack from the other, although in a different locality, shows that retaliation is strongly indicated. For instance, yesterday morning twenty-three aeroplanes delivered an attack upon the German city of Karlsruhe, killing nineteen persons and wounding fourteen and inflicting material damage. The raid on England mentioned in the foregoing dispatch follows this onslaught within twenty-four hours.

The most important aerial engagements of the last two weeks over the continent and England are as follows: "Aeroplanes of the allies attacked the headquarters of the German crown prince on June 3 and two days later a German aeroplane dropped explosive bombs on the French seaport of Calais."

On June 4 a Zeppelin strip visited the east coast of England and killed five persons before it sailed away. It was on June 7 that Warnford, the young Canadian aviator, destroyed a German Zeppelin in an air duel over Belgium. From his aeroplane he wrecked the dirigible and caused the death of its crew. On June 8 Ghent was badly damaged by a British raider and the following day Venice was bombarded by an Austrian aeroplane. On the twelfth of June Austrian aviators bombarded towns on the Italian frontier and two days later British airmen attacked the German dirigible sheds at Evere.

German Call It Barbarism. BERLIN, June 16.—(Via London.)—Commenting on the aeroplane attack at Karlsruhe, Paul Becker, assistant chief editor of the Tanges Zeitung, terms it a nefarious and senseless act for which "unscrupulous retaliation is demanded."

HEAD OF BENEVOLENT LEAGUE OF TEXAS TRAVELERS

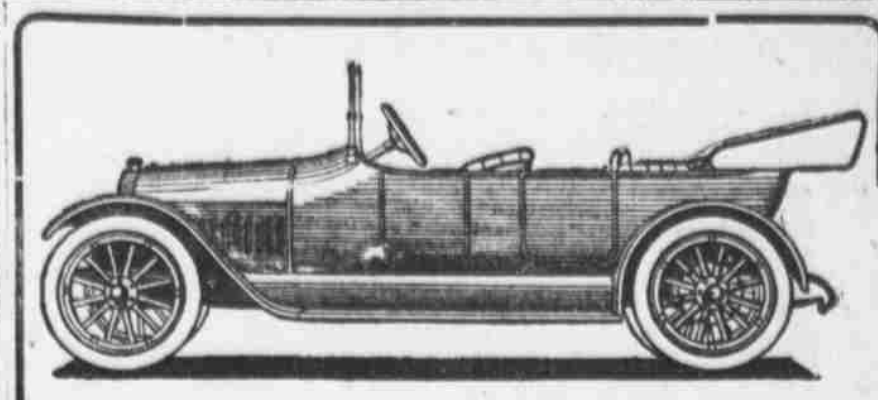

A. Dinkelspiel

Fear that some accident on the road may leave one's family unprotected has been in part alleviated by the members of the Benevolent League of Texas Travelers. President A. Dinkelspiel of Dallas and Secretary Fred N. Palmer of the same city are both in Omaha for the convention and while here are telling of their organization which, though confined entirely to Texas, might be duplicated in every state.

He declares Germany has hitherto retaliated for the bombardment of defenseless, unfortified cities only by the bombardment of military localities, but that an example now should be made.

Herr Becker suggests that the best step would be a bombardment of the western portion of London. He thinks the retaliatory measures should be extended also to other departments of warfare.

French Lose Two Aeroplanes. GENEVA, June 16.—(Via Paris.)—Travelers who arrived here today from Karlsruhe give the number of persons killed during the aerial attack upon that city yesterday as twelve, in addition to which many persons were injured. Two French aviators also were killed and the other two occupants of the two aeroplanes brought down were made prisoners.

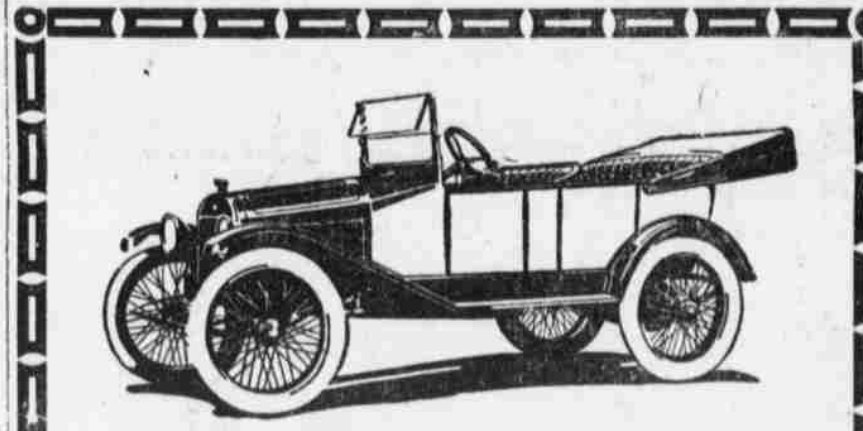

Beginning today we are pleased to announce a real cut in the ENGER SIX-50. This is identically the same car we had for 1915 with some refinement. We have not cheapened the car, but made it better. The cut is as much or more than anybody has made or claimed to make this year so far. Several have announced cuts in price, but on examination of the specifications and car, you will find most of the cut has been made in the material and car as well as the price. Not so with the ENGER. We are cutting price only. We certainly do not hesitate to say now that this is the best car on the market for the money.

We invite inspection and trial of the great ENGER SIX. Cut in price is only on account of our buying ability and facilities for handling and building cars. Cut does not take place January 1st or August 1st, but takes place on Wednesday, June 16th, and cars are ready for delivery.

There is nothing on the street that is nicer at anywhere near the price. Parts are absolutely standard throughout with the concern behind them that makes good.

Compare specifications of the ENGER SIX with cars selling for the same money; then compare with the cars selling for \$2,000 and see to what class they belong.
