

FIFTEEN MEMBERS IN FAMILY AT HOME

Celebrate Fourth Together—Girl Born on Fourth, Two the Day After Christmas.

TWO OTHERS BORN ON MAY 2

Mr. and Mrs. M. Basar of 1940 South Eleventh street will observe the sixteenth birthday anniversary of their daughter, Frances, on July 4, and on Monday they will observe Independence day with their thirteen children.

This happy family of fifteen members will have a jollification of their own. Twelve children live at home, the eldest being married. A daughter died at the age of 1 year.

Nine of the thirteen living children are of school age. According to the school census reports just received by Secretary Bourke of the Board of Education, this is the only home having as many as nine children of school age, namely, between 5 and 21.

A Bee reporter visited the Basar home Friday evening. Mr. Basar was busy at work extending a shed and Mrs. Basar was engaged in caring for her youngest, a girl of 1 year of age. The older girls were helping their mother with the house work.

When Mrs. Basar was asked for the names and ages and birthdays of her flock she had to refer to one of the girls who kept the family records. The record book showed several interesting features. The oldest of the family was 21 years of age December 26, 1914, and the youngest was 1 year of age on the same day. Helen and Steven were 4 and 3, respectively, on the 14th day of last month, being exactly a year apart.

Michael and Lillian, 19 and 6, respectively, observe their birthdays together on May 2.

Only one of the children was born on July 4. Four were born during the month of May.

Mr. and Mrs. Basar have lived here twenty-seven years. All of the children were born in Omaha. Mr. Basar is an assistant foreman at the smelter. Six of the children attend the St. Wenceslaus parochial school. The parents are Croatians.

The names and respective ages of the children are as follows: Marie, 21; Michael, 19; Anna, 17; Frances, 16; Barbara, 15; Margaret, 13; Joseph, 12; Katherine, 10; Rose, 8; Lillian, 6; Helen, 4; Steven, 3; Clara, 1.

Bad Weather Holds Back the Work On University Club

The long rainy spell has kept the University club from occupying its new quarters in the Independent Telephone exchange building as soon as expected. Much remodeling was necessary when the club bought this building at Twentieth and Harvey streets, and it was the plastering that was delayed by the weather. Then later the mill work did not come as expected.

A big opening is tentatively planned for some time within four or six weeks, when the structure shall have been completed. The upstairs, where the dining rooms are located, is complete, but much work is yet to be done to complete the rooms on the first floor.

A meeting of the board of directors is to be held next Thursday, when the matter of the formal opening will be taken up.

Omaha Summer Theaters Offer Varied Bills

PLAYS THE LEADING ROLE IN "THE PLUNDERERS."

William Farnum At the Hipp

"The Third Party," a farce comedy that President Wilson designated as the funniest play he ever saw, and which enjoyed long runs in New York and Chicago, and a piece absolutely new to Omaha, having never before been presented in this city, will be the attraction at the Brandeis theater for the third week of the all summer run of the Edward Lynch Players, beginning tonight.

PLAYS "CHARACTERS" WITH THE EDWARD LYNCH COMPANY.

Carrie Lowe At the Brandeis

The comedy is sustained at a furious pitch until the very last moment of the play, and though on many occasions discovery seems positive, the situations are not untangled until just before the final curtain.

ONE OF THE "MUDTOWN MINSTRELS"

Billy Creighton at the Empress

Maleta Bancini, a violin virtuoso, and Niblo's birds, feathered pets, featuring "Cookoo and Lora," the two talking birds, complete the vaudeville offering. "The Dream Dance" is a short feature of merit, dealing with life in Paris, especially in the Latin quarter. An assortment of comedy and the Hearst-Selig weekly completes the bill for the first half.

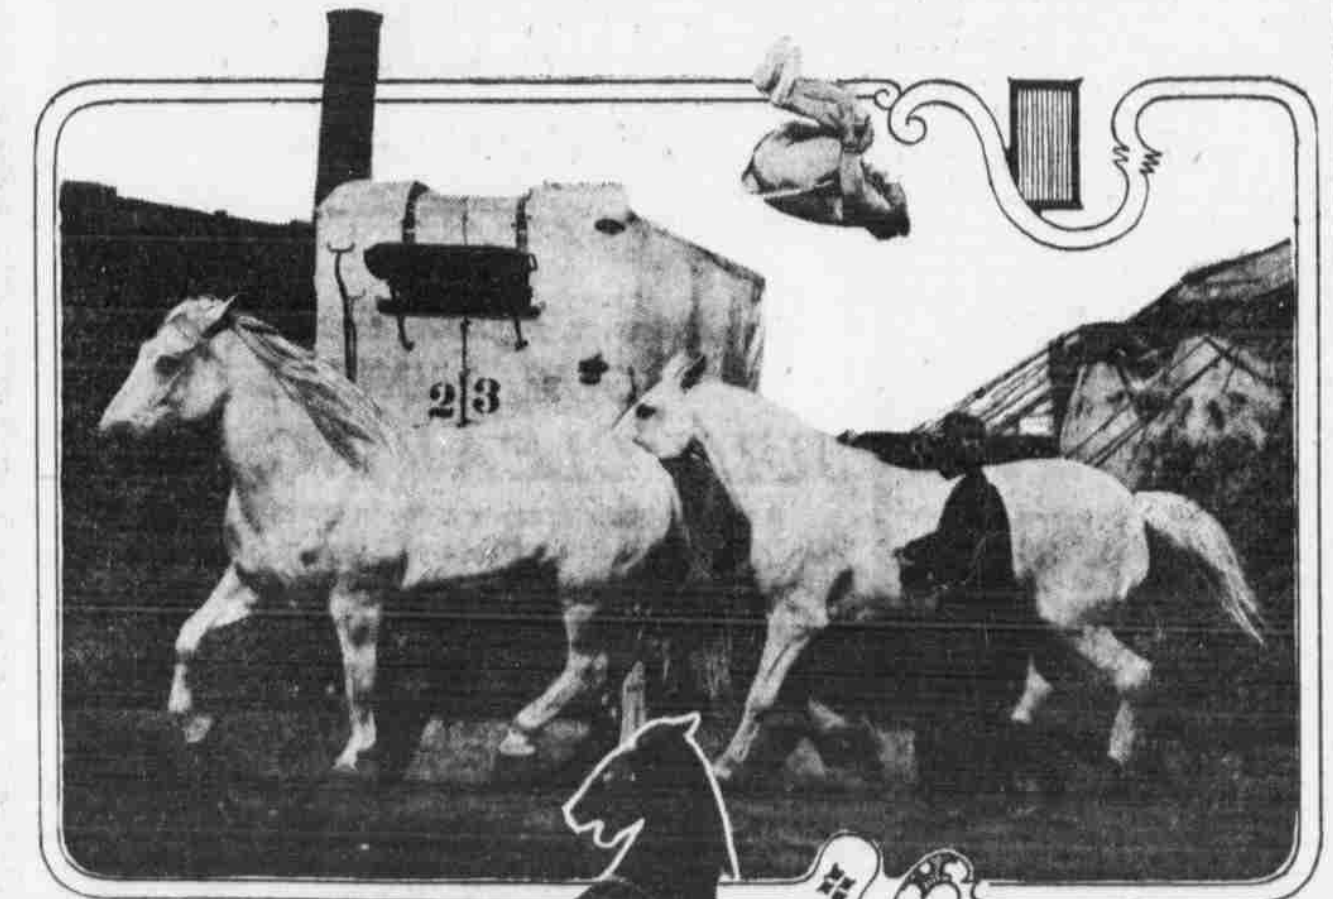

Tax Street Car Lines at Nearly Eight Millions

The board of equalization placed a valuation for taxation of \$7,700,000 on the personal property of the street railway company. The board increased the valuation returned by the company \$500,000, leaving it at the same figure at which it was last year.

Omaha Signs Along Roads Into the City

An Omaha sign for every highway leading to Omaha from western Iowa or eastern Nebraska is planned by the Omaha Manufacturers' association and the Automobile club. The Commercial club is to purchase 300 signs, to be of wood, 15x22 inches in dimensions. The word "Omaha" is to be printed upon them in large letters and a red arrow is to point the direction of the city.

Many Novelties with Carl Hagenbeck-Wallace Circus This Year

Many features, said to be new and excellent, will be presented this year by the Carl Hagenbeck-Wallace circus, which will exhibit at Omaha, Monday, July 12. According to the advance information the act of Miss Bedini with her taming horses is one of the most enjoyable of the entire bill, because it shows the possibilities in the education of a horse, which appears to have almost human sense. This woman has taught her horses many new steps in their dancing act. Nearly 40 performers are on the bill and they perform their acts on the ground, on a stage and high in the air.

Among the acrobatic and gymnastic celebrities with the show are the Six Wards, Studys Gorman, the Eugene Troupe, the Cottrell-Powell Trio, the Austrian Waltzes, Sisters La. Low and others. The leading bareback rider is Oscar Lowande. Lowande is rated as the most accomplished bareback rider in the circus profession. He jumps from the ground to a speeding horse's back, facing the opposite direction from which the horse is running. The Powells, the Cottrells, the Ledgett troupe, Mme. Bedini and others are in the long list of equestrian artists. The circus will come to this city fresh from its winter quarters, where all of the equipment was practically made over into new.
