limits, were let off with warnings and told to observe the law while celebrating. **BLIND CHESS PLAYER TO BE IN OMAHA NEXT WEEK** Mr. Boris Kostice of Budapest, a chess expert of international reputation, will visit Omaha Wednesday, July 14. As a blindfold artist Mr. Kostice has

**Burgess-Nash Announce Their Second Annual JULY CLEARING SALES**

**BEGINNING TUESDAY, JULY 6TH**

IT'S THE TIME when we commence "putting our house in order"—preparatory to the coming season. Clearing our decks of all warm weather merchandise. Everyone can readily understand that a store of this size avoids "carrying over" a past season's merchandise.

We go one better than that and rid ourselves of these desirable ends of lines, odd pieces, short lengths and odds and ends while the season is still at its height, giving patrons the benefit of sharply reduced prices at a time when the goods are still seasonable and you have several months in which to get the good of them.

Every section of this big "service store," catering to warm weather needs, has entered such goods for leave-taking in this sale, that begins Tuesday. It's your harvest time. Will you come and benefit by it?
