Browns Take Two.

ST. LOUIS, July 15.—St. Louis today took a double-header from Washington. 6 to 2 and 4 to 3. The second game had an exciting finish, in which McBride was banished from the field. With Washington two runs in the lead in the eighth Shotton singled, Austin walked and Foster fumbled Howard's grounder, filling the bases. Foster missed Pratt's fly and Shotton and Austin scored. With two balls and two strikes on Walsh, Howard and Fratt performed a double steal, Howard scoring. Washington contested the play, claiming Walsh had struck at the ball, which would have made him out. St. Louis made seven double plays in the two games. George Sisler, the Michigan star, pitched the first game for St. Douis. Pitcher Engle for Washington was relieved by Hopper, who in turn was replaced by Ayres. Score, second game: Browns Take Two.
