THE BEE: OMAHA, FRIDAY, JULY 16, 1915. 11 FOR RENT REAL ESTATE-NORTH SIDE OMAHA LIVE STOCK MARKET Ing been completely wiped out in the last **GRAIN AND PRODUCE MARKET** NEW YORK STOCK MARKET tores and Offices. Nix weeks.
Chicago was the only other market to have much of a run, but lamb prices suffered a sharp reduction there, and with a liberal local supply buyers insisted on a big decline right from the start. It turned out that today's trade showed the biggest break of the week, the bulk of the lambs finally selling at prices that were right at 20 lower, after sellers had fought the shump for the greater part of the formoon. Nearly everything in the fine of fat lambs sold at one figure.
Number of the supply of the greater part of the formoon. Nearly everything in the fine of fat lambs and at one figure.
Number of the supply of the sharp slump m killers.
Supply but sellers were of the opinion that there would be little if any chanke in values, in spite of the sharp slump m killers.
Supples of old sheep were limited, and as was the case yesterday made up been few yearings or weichers have a any time this week, and values have really not been tested out at any time. In Chicago yearings have been following the downward course of lambs, and were there shere they would probably do the same thing.
