

Nebraska STATE EMPLOYEES TO WAGE BATTLE

North and South Siders to Engage in Diamond Contest on Occasion of Their Picnic.

MAY MAKE AUTO NUMBERS

(From a Staff Correspondent.) LINCOLN, July 24.—(Special.)—State house employees are already backing their respective base ball clubs for the game at the picnic Tuesday at Capital beach.

The North Siders are depending to some extent on their battery, although they have a lot of old players. Chairman Henry Clarke of the railway commission, who formerly pitched for Cleveland in the National league, will do the box work for the North Side, with Ross, catcher for the old Young Men's Men's Christian association team of Lincoln, on the receiving line.

Secretary Mellor of the State Board of Agriculture, who formerly pitched for Omaha in the Western league, will relieve Clarke, if necessary.

The South Siders are depending upon the youthfulness of their bunch, as nearly all are young fellows, most of them from the university, with a university battery.

Following is the lineup: North Side—Barnes, manager; Mathews, short; Hildreth, second; Williams, center; Ayers, left; Hall or Mellor, first; Ellsworth or Coffey, pitcher; Gregory, third; Ross, catcher; Clarke, pitcher; substitutes: Forbes, Ferris, Hinkle, McKim and Harman.

South Side—Gads, manager; O'Keefe, short; Leitch, center; Thomas, left; Kattelman, first; McRae, right; second; Johnson or Strawn, third; Barrett, IRK or Harlan, catcher; Morehead, Casey or Hayes, pitcher; substitutes: Huffum, Mumford, Bushnell, Berge and Westering.

Edwin Morehead, son of the governor, will umpire the game.

Labor Convention Called.
The call for the eighth annual convention of the Nebraska State Federation of Labor has just been issued by Secretary Coffey. The convention will be held in Omaha, September 14, commencing at 10 a. m. The local unions of Omaha have appointed committees to make the necessary arrangements for the entertainment of the delegates. There are generally about 30 delegates in attendance.

State to Make Auto Numbers.
The state board of control is looking up the possibility of buying machinery for the manufacture of the plates needed by the state for the use of automobiles. These number plates cost the state much money, the number up to this time running up to 75,000, 3,000 of them being the small size for the use of motorcycles. It is believed that the state can put in a plant at the penitentiary and manufacture the plates at a considerable saving to the state.

Custer Gets in Line.
State Superintendent Thomas is much pleased with the progress so far of the consolidation of school districts plans. He visited Westville, in Custer county yesterday, and it is probable that two consolidated schools will be organized in the section around that locality.

Eastman Takes New Place.
W. B. Eastman began his duties as insurance commissioner yesterday. He will make no changes in the office at the present time, getting along with one inspector and doing away with the services of a clerk. Harry Sprague, who has been working as a clerk, is acting as bookkeeper at the present time, and Mrs. McCune, who has been filling the place of stenographer, is doing the chief clerk's work.

Henry Berge began his work as deputy state treasurer, also, yesterday, and Mr. Murray, the former deputy, has gone back to his former position as cashier of the Franklin State Bank.

Ask for New Bridge.
Saline county has made application to the state board of irrigation for a new state steel bridge across the river about two miles south of Crete. The bridge will be 20 feet long and will cost in the neighborhood of \$5,000.

Banks of the Chadrin Episcopal church officiating, using the Episcopal rite service.

The bride was attended by her mother, Mrs. Colladay Huggins, and Mrs. Elizabeth Reynolds, a sister of Mrs. Huggins, who came from Washington to attend the wedding. Lieutenant Burwell was attended by Captain Huggins.
