HARRINGTON HOLDS OMAHA TO TWO HITS

And One of the Said Hits Was One Credited to Bobbie Wells on a Technicality.

LOU NORTH IS HAMMERED HARD

The southpaw slants of one Harrington proved far too much for the well known Rourkes to cope with yesterday. As a result the Rourkes made no runs, only two hits and lost the fray, 8 to 0.

Mr. Harrington, be it known, was hurling considerable base ball yesterday. Of the two hits made, one was not a hit, but according to the arbitrary rules of base ball it must be called a hit, although the official scorer for some reason or other overlooked it. In the first frame Krug got to first on an error. Wells poked a grounder which would have been easily gobbled up by Galloway, but Krug threw one of his hoofs in the way of the ball and was declared out. The rule book mays Wells is entitled to a hit and he must be given it.

The other hit combed off Mr. Harrington was a clean single in the second, but it came when two were down and Varney couldn't produce.

Wild in Fourth.

Harrington was in trouble only in one frame, the fourth. In that spasm he soaked Wells in the slats and issued passes to Schliebner and Varney. But he hitched up his trousers and whiffed Lou North, thus pulling himself out of the troublous waters. On the other hand North was soft

CHICAGO, Aug. 7.-Darlo Resta, driving a French car at the rate of 102.85 miles an hour, won the Chicago speedway 190-mile race today. In so doing he estab-lished a new world's competitive record for the distance. Earl Cooper was second and Bog Burman third.

The previous record was established on the same track by Porporato last June. His time was 1:28, at the rate of 99.06 miles per hour. This was the fastest century of a 500-mile race ran that day, but that contest, like today's, went to Resta. Cooper, in an American car, fought it out today with the Italian throughout, to the delight of a large crowd.

Oldfield had been unable to adjust carburetor trouble and did not consider himself a real contender when he started.

2:08 PACE CAPTURED BY COLUMBIA FIRE

Former Champion Three-Year-Old on a Half-Mile Track Is Winner.

COLLEGE GENT AND HAL LOSE

By G. K. MURRAY. Columbia Fire, 2:04%, a horse bred, owned and trained in Nebrasks, former world's champion 3-year-old pacing stallion on a half mile track, yesterday defeated the Canadian war horse, College Gent, 2:06 %, and the California whirlwind, Hal McKinney, 2:06%, in a five-heat race at the speedway.

"Getaway day" at the first meeting of the Omaha Driving club saw the grandstand filled to capacity, 1,500 persons in the bleachers, the infield crowded with automobiles and hundreds of spectators along the fence and on the board track. Three harness races which could have been made more exciting only by putting w'ngs on the horses, rewarded the crowds.

Though Columbia Fire, an outsider, won the feature race, it was a Nebraska victory and a popular one. Although College Gent, the favorite, and Hal McKinney, the next choice, were beaten, the grandstand cheered to the echo the magnificent race put up by the rugged bay pacer which proved the winner.

College Gent a Fighting Pacer. Yet, it must be said that the racing of the big black demon, College Gent, was the feature of the 2:08 pace. He was fighting at the wire for every one of the five heats. He went the overland route every heat and paced every mile as fast or faster than the winner. He made Hal McKinney pace the first heat in 2:12, equal to at least 2:09 over a faster track and forced Columbia Fire to step the fifth mile in 2:14, equivalent to 2:11 or better, had the track not been soft. He was second every trip.
