GRAIN AND PRODUCE MARKET
Wheat Market Active, Old Wheat Gaining Two Cents and New Wheat One Cent.
CORN MARKET REMAINS FIRM

OMAHA, Aug. 11, 1915.
The wheat market was fairly active today. Old wheat advanced 2 cents, while the new showed a gain of a cent a bushel. The demand for both old and new wheat was good and was sufficient to take care of the light receipts. Old wheat continues to command a substantial premium over the new.
Corn receipts were light and there was a pretty fair demand for it. The market was firm, selling from 5c to 5c 1/2 higher.
Oats receipts were fair, but there was not much of a demand for that cereal. The oats market remained unchanged.
Rye reports are coming from Iowa regarding the oats situation. In some sections some of the crop will never be harvested.
