The Most Desirable Bargains in

Omaha Real Estate

have been collected and pub-lished in the real estate columns of today's Sunday Bee, The offerings today are unusnally attractive and care has been taken to make it as easy as possible for interested peo-ple to get the latest informa-tion on values and conditions.

It is doubtful if any other city approximating the size of Omaha can offer such splendia opportunities in real estate investments. Its position in the world of commerce, stability of business and steady and con-sistent growth are almost in-comparable.

Real Estate is consequently worth while studying and intensely interesting to the man who wants to make money on his investment with a minimum
