SHOOTERS FROM VICTORY

Stiff traps which threw the targets fully fifty feet and the heavy handleaps given the crack shooters made high scores by the Nebraskans at the Grand American handicap held in Chicago last week impossible, says Ray C. Kingsley, one of the Omaha shooters who attended and has just returned. The good scores were made by chaps shooting from the sixteen, seventeen and eighteen-yard Sam Huntley, Omaha's crack shooter, and one of the best in the country, shot from the twenty-three-yard line

and Kingsley from the twenty-one.
