NEW FALL GOODS TO BE FORGED OUT NEW FALL GOODS TO COME IN SOON

Peculiar State of Affairs at The Julius Orkin Women's Appareling Establishment Brings Dazzling Bargain Opportunity to Women Seeking Expertly Styled Fall Garments.

It doesn't seem consistent to offer new Fall garments at reduced prices, and then in the same breath announce that new Fall garments are soon to arrive, yet there is excellent reason for just such a procedure at the Julius Orkin Women's Appareling establishment at 1510 Douglas St. It's this way: Julius Orkin is now remodeling his Douglas street store completely; not only is he remodeling, but he is also adding the entire building directly to the east. He has been holding an "Enlargement Sale" on whatever Spring and Summer goods there happened to be on hand, but suddenly found himself confronted with advance shipments of Fall garments that were ordered before he had made up his mind to remodel. Shipments of this sort are arriving daily with absolutely no place to display the merchandise, so, rather than chance the style uncertainties of a few weeks later Julius Orkin sacrifices them at true "Enlarging Sale" prices. So much for the goods that have already arrived and those that will arrive for a few days.

But Julius Orkin will have to open his newly remodeled establishment in a few weeks from now with a stock styled to the very hour; he will not even show the styles that are considered new today, he figures that there will be still newer things shown in New York in a week or ten days and for that reason left yesterday for that eastern Mecca with the firm idea of purchasing things that will be the newest when they arrive in a few weeks hence.

In the meantime the reductions on the Fall goods that are already here are as follows: Ladies' Fall Suits that would command \$29.50 ordinarily are going at \$16.75; Fall Suits worth \$35 are going at \$19.75; Fall Silk Dresses that were to be sold at \$19.50 are going at \$9.87; Fall Silk Dresses that were bought to sell at \$25 are now \$11.87; Fall Blouses worth \$3.95 are going at \$2.36; Fall Blouses that are worth \$5.95 are going at \$3.50. Then, too, there are Fall Skirts, worth \$5, at \$2.97; Fall Skirts, worth \$7.50, at \$3.97; and Fall Skirts, worth \$10, at \$4.97.
