

After Monday it Won't Matter, for the Season Will Be Over

MARTY KRUG STARS IN DRUMMER GAME

Shows St. Joseph to Extent of Two Hits, One Steal, Accepting Four Chances.

OMAHA TAKES IT, SIX TO FIVE

ST. JOSEPH, Mo., Sept. 4.—(Special Telegram)—Jack Holland is having a great deal of sport in these closing days of the season and is incidentally playing a shrewd hand. Holland's amusement and keenness consist in putting into the game recruits brought from near home. In this way a park which would otherwise be empty becomes the mecca of the home guard fans from the suburbs, where these boys have been playing, and while the Drummers cannot be said to show any better quality base ball than usual, the force started is a bit better balanced. Omaha won today, 6 to 3.

Green, a pitcher from Dearborn, Mo., pitched today's game against Omaha. Mr. Green got by in the first inning nicely and the folks from home had one wild moment of cheering when the lanky lad, also, cleared the bases with a neat single in the second. Aside from this, however, the recruit fared badly, the fouries getting fifteen hits.

Marty Krug was the stellar light of the game, getting two hits, one of these for three bases, stealing a base, accepting four chances, and completing the day's work with a neat sacrifice hit. If Krug keeps up this pace, he may yet aid St. Paul with the American association pennant.

Everdon was in fine form, barring the second inning, when four hits, the total for the game, were collected off his delivery. In the last seven innings, just twenty-one men faced him, not another Drummer reaching first base.

Bliss, catching for St. Joseph, was struck by a foul tip in the sixth and retired, Connolly taking his place. Score:

SOARING RED HOSE SWEEP THE PLATTER

Boston Takes Every One of Four Games with Macks of Ancient Renown.

PHILADELPHIA, Sept. 4.—Boston made a clean sweep of the series of four games with Philadelphia, the visitors winning today's game, 3 to 2. Leonard and Bush had a pitching duel, with the Boston twiner almost invincible after the first inning, while Bush lost after his game by making a wild pitch, which enabled Lewis to score the winning run in the fourth inning. Speaker and Walsh made great rousing catches. Score:

White Sox Protest Cleveland Game

CHICAGO, Sept. 4.—The Chicago White Sox have protested the second game of yesterday's double-header, which was won by Cleveland, 6 to 5, according to an announcement today.

The grounds for protest are for violation of section 5 of Rule 11, which declares that a batter is automatically out when he misses the third strike, while first base is occupied, provided there are less than two out.

The violation of this rule occurred in the fourth inning of the second game, it is claimed. Smith was on first base, one man was out and Kirke at bat. The batter swung at a wild pitch for the third strike and ran to first. The play went unnoticed by the umpires, and local players and both of these men scored later on.

NEW YORK, Sept. 4.—Ben Johnson, president of the American league, announced today that he had ordered the Chicago White Sox and Cleveland to replay tomorrow the second game of the double header won yesterday by Cleveland and protested by the White Sox.

Shot at Winner Monday. WISNER, Neb., Sept. 4.—(Special.)—A registered hunter at the White Sulphur club's grounds on Monday, September 3, shot a mink and a red fox, and a mink and a red fox in trapline-jackrabbit system, purse divided in four equal moneys.

OMAHA BOY WHO WILL ENTER ST. LOUIS SWIM

Adolph Anderson

COOPER WINS BY SECOND'S MARGIN

Los Angeles Driver Takes Prize in Sensational Finish at Fort Snelling.

ANDERSON IS RIGHT BEHIND HIM

FORT SNELLING, Minn., Sept. 4.—In one of the most spectacular and closest finishes ever witnessed at the end of a 50-mile race, Earl Cooper of Los Angeles, today won the first motor derby over the new Twin City speedway. Cooper was less than one second ahead of his teammate, Gil Anderson of Indianapolis, who finished second. The official time of the two cars was: Cooper, 5:47.2; Anderson, 5:47.3. Cooper's average speed for the race was 86.35 miles per hour.

Eddie O'Donnell, who was more than thirty miles behind the leaders, finished third.

As at Three Hundred Miles. Cooper led at 200 miles, with his teammate, Anderson, in second. The motorist took the lead at 301 miles, when Cooper stopped for gasoline. Cooper and Anderson had twelve miles lead on O'Donnell, in third place. Cooper's average for this distance was 83.3 miles an hour.

At 26 miles—one-half the distance—Anderson was in first place, closely followed by Cooper. O'Donnell was third and Alley fourth. Only nine of the fourteen cars that started remained in the race.

Anderson averaged 83.3 miles an hour for the 50 miles.

De Palma was forced out of the race by engine trouble after driving 33 miles. Several hours before noon, the time set for the start of the first 50-mile automobile race on the new Snelling speedway, situated midway between Minneapolis and St. Paul, thousands of spectators were in the grandstand to see the racing cars flash around the two-mile oval in contest for prizes aggregating \$50,000.

All save two of the drivers had qualified their cars by circling the course at a speed of at least eighty miles an hour, but speedway officials announced that these two drivers, Oldfield and Brown, would be permitted to participate without the usual preliminary test.

Fast Time Predicted. Drivers and mechanics agreed that the track was in excellent condition and predicted that some records would fall. Because of his showing in the Chicago races and in the elimination trials here, Reata will be in the race today.

Weather conditions were favorable. Such stars as Ralph De Palma, winner at Indianapolis; Dario Reata, victor at Chicago, and many other tracks, this season; Barney Oldfield, Eddie O'Donnell, Bob Burman and many other were expected to christen the new two-mile concrete course in competition for the purse of \$50,000.

The track, sixty feet wide most of the distance, and eighty feet wide on the home stretch, is declared by experts to be one of the fastest in the country. They even predicted that 100 miles an hour will be made.

Reata's long record of victories this year places him high among the favorites today. In the preliminary trials he paced his French car over the course in record time.

Earl Cooper, who won one race and was second in the other at the Elgin races recently, is another favorite, as also is Gil Anderson, who carried off the Elgin road race honors two years ago, and again this year captured the Elgin national trophy and the prize money in the second day's event at Elgin.

Records of Other Races. The highest speed at which a motor car ever traveled is 142.3 miles an hour, and was made by Arthur Dury at Ostend, Belgium, in 1913.

The world's straight-away mile record of 147.3 miles an hour was made by Bob Burman at Dayton-Ormsand in 1911. The Brooklands two-mile record of 123.5 miles an hour was made by Chesang in 1914.

The Chicago speedway two-mile lap record of 115 miles an hour was made by Barney Oldfield in exhibition in 1915.

The Indianapolis speedway two-and-a-half-mile lap record of 96.6 miles an hour was made by George Bollitt in a qualifying trial in 1914.

The Chicago 50-mile record of 54.6 miles an hour was made by Dario Reata in June, 1915.

The Indianapolis 500-mile record of 83.4 miles an hour was made by Ralph De Palma in 1915.

The American road racing record, 201.1 miles, or 87.3 miles an hour, was made by Eddie Pulem at Corona in 1914.

SPORTS SECTION OF THE OMAHA SUNDAY BEE

GARDNER WESTERN AMATEUR CHAMPION

Chicagoan Defeats John G. Anderson in Final Match at Detroit, Five and Four.

HIS ABILITY TO PUTT HELPS

DETROIT, Sept. 4.—Robert A. Gardner of Chicago won the National Amateur Golf championship here this afternoon for the second time. He defeated John G. Anderson of Mount Vernon, N. Y., in the final match of 36 holes, 5 and 4.

Gardner's ability to putt when he had to this afternoon gave him an easy victory. Veteran golfers said that some of Gardner's drives were the longest they had ever seen. His long drives gave him a margin on almost every green.

He was down at the beginning of the afternoon round. Squaring the match on the twentieth hole, Gardner took the lead on the twenty-first and was never headed. Anderson, for the first time in the tournament, was visibly nervous and continually was in trouble. His last hope died when he sent his ball into the creek which guarded the thirtieth green. That made Gardner 4 and 5.

They halved the thirty-first and the thirty-second went to the Yale athlete without a serious struggle.

MORNING ROUND. Gardner—Out 544 445 335-30 In 555 444 543-28 77 Anderson—Out 534 545 350-30 In 564 434 543-27 76 Anderson—1 up

AFTERNOON ROUND. Gardner—Out 544 434 454-37 Anderson—Out 555 455 354-41 Gardner—1 up Anderson—in 564 53 Anderson—1 up Gardner won, 5 and 4.

McLoughlin Wins in Straight Sets

FOREST HILLS, L. I., Sept. 4.—McLoughlin defeated Hunter, 5-2, 6-4, 6-0. R. Norris Williams, 2d, defeated William Rand, 3d, 5-6, 7-5, 6-1.

Indians Blank White Sox, Chasing Fair From the Mountain

CHICAGO, Sept. 4.—Cleveland shut out Chicago, 5 to 0, today, because they bunched hits off Faber in the fifth inning and caused his retirement and continued the attack on Russell in the eighth inning. These attacks, coupled with daring base running by Chapman, Roth and Barbara and Collamore's triple, gave the visitors the game. Collamore was generous with his passes, but pitched good ball in the pinches. The locals had several opportunities to score, but were unable to hit safely in the pinch. The support behind the Cleveland twirler was perfect. Chapman's work being exceptionally good. Roth's steal of home in the eighth inning was a feature. Score:

CLEVELAND	AB.	R.	H.	O.	A.	E.
Chapman, 1b.	4	2	3	0	0	0
Roth, 2b.	4	0	0	0	0	0
Barbara, 3b.	4	0	0	0	0	0
Kirke, 4b.	4	0	0	0	0	0
Harber, 1b.	4	0	0	0	0	0
Collamore, 2b.	4	0	0	0	0	0
O'Neill, 3b.	4	0	0	0	0	0
Faber, P.	0	0	0	0	0	0
Totals	32	0	0	0	0	0

Senators Whip New York Yanks Again

WASHINGTON, Sept. 4.—Washington made it five out of six games from New York today, 4 to 3, scoring the winning run in the ninth after the visitors had tied the count in that inning.

Washington led in the final inning, but a pass and infield hit off Beahm by Nussmaker and Matzel, then a single by Caldwell off Galia, who relieved Beahm, evened the score. Henry was hit, then reached third on McBride's sacrifice and Bauman's booting of Galia's bounder. Moeller, running for Henry, scored the winning tally on Williams' single. Score:

NEW YORK	AB.	R.	H.	O.	A.	E.
Cre, 1b.	4	0	0	0	0	0
Matzel, 2b.	4	0	0	0	0	0
Baum, 3b.	4	0	0	0	0	0
Miller, 4b.	4	0	0	0	0	0
Boone, 1b.	4	0	0	0	0	0
Nussmaker, 2b.	4	0	0	0	0	0
Moeller, 3b.	4	0	0	0	0	0
McBride, 4b.	4	0	0	0	0	0

FAIR SOCIETY MAY JOIN DRIVING CLUB

Proposal that Benson Site and Track Be Leased to Club is Under Consideration.

GOOD ENTRY LIST FOR RACES

By G. K. MURRAY. A proposed union of the Omaha Driving club and the Douglas County Fair association was discussed yesterday when officials of the fair association met with Mr. Smith, secretary of the driving club, in Mr. Smith's office.

A definite proposal that the fair association's site and half-mile track at Benson be leased to the Driving club, with a reservation that a fair shall be held one week each year, was made by the fair society's officials. Mr. Smith expressed approval of the plan and agreed to submit it to the directors of the club.

The plan as outlined at yesterday's conference contemplates two race meetings each year, one to be held by the Driving club, as a member of the Great Western circuit, and the other to be a part of the annual county fair. The fair association and the driving club would share receipts from each meeting, according to the plan.

Extensive improvements of the Benson plant will be made if the plan is consummated and the grounds will be made a park which will be an attractive spot for Omahans and guests from out of town to visit. Grass, trees, shrubbery and flowers will be used to make the site one of the beauty spots of the city. The track will also be widened, new buildings put up and other improvements made. If the marriage of the two race societies materializes.

A nice list of entries was received by the county fair association for its meeting to be held September 22-24. Every class filled except the 2-30 pace, which has been re-opened. Entries closed September 1. Between 125 and 150 entries have come to hand and others it is anticipated, are still in the mails. Most of the events have from eleven to fifteen entries.

The 214 trot, for which seven entries so far have arrived, seems likely to be one of the feature races of the exhibition. Its entries include Lord Kitchener, Allen Brothers, Des Moines; Jim O'Brien, an Omaha horse; Miss Rexetta, E. E. McCoy, Avoca, Ia.; Velma Todd, S. J. Massell, Geneva; Hair Reaper, W. Hill, Arapahoe; Checkheart, L. Collins, Stanton, and Johnny Nolan, P. J. Dearymore, St. Joseph, Mo.

Two Saddle Types at Garden.

An important decision affecting the future of American saddle horse types and the judging of saddle horses at American shows was reached yesterday at a meeting of the executive committee of the National Horse Show association, held to arrange plans and review the prize list for the annual exhibition in Madison Square garden from November 6 to 12.

In judging at the garden that year two distinct saddle types will be recognized all through the show, and separate classes will be made for each type instead of jumbling them together as in past years. To the confusion of the judges and the dissatisfaction of the exhibitors and spectators alike. In one series of competitions the orthodox "walk-trot" saddle horse of the riding schools and the parks will be judged, while in another series recognition will be given to what is variously known as the English type, the thoroughbred type and the hunter type of riding horse.

The walk-trot saddle horse, as it is known among breeders, dealers and trainers, is a full bred, finely finished, high styled, flash going, and with showing action and ability to step along at a smart pace or trot.

The "blood hack," as his admirers love to call him, after the fashion in England, is often a thoroughbred race horse, or a hunter, with plenty of quality, and now and then a polo pony of blood-like character, has carried off the blue ribbon for this type. The blood hack must have thoroughbred quality, or fitness of fiber, with what the connoisseurs call riding shoulders, and prominent withers to keep the saddle back where it belongs.

PHILLIES KEEP ON WINNING VICTORIES

League Leaders Make it Three Out of Five in Series with New York Giants.

TRIUMPH IN THE TENTH FRAME

NEW YORK, Sept. 4.—Philadelphia made it three out of five from New York by winning their last game of the season in New York, 3 to 2, today. The Phillies won in the tenth, when Nichoff drew a base on balls, reached third on Killifer's single, and scored on Becker's sacrifice fly. Robertson made a poor throw to the plate.

The game was a hard fought pitchers' battle between Demaree and Schauer. Alexander pitched the tenth inning for the visitors after Becker, batting for Demaree, drove in the winning run. Score:

PHILADELPHIA	AB.	R.	H.	O.	A.	E.
Stock, 1b.	4	0	0	0	0	0
