Mrs. W. H. Flinn, secretary of the Metropolitan Woman's Golf association, is receiving entries for the first annual woman's golf tournament which will be staged on the links of the Omaha Country club, September 27 to 30. Mrs. Flinn expects to have a total entry of over seventy-five fair golfers when the call goes out for the qualifying round.

Women golfers are taking an active interest in the tourney and from present indications it will be an unqualified success. Some mighty good players are to be found among the Omaha women and some exciting matches are predicted. Mrs. Flinn, however, wishes it known that it is not necessary to be a crack to enter the event. In the first place there will be several flights with the golfers in each flight being of about the same ability. And again, as Mrs. Flinn says, just think of the fun.

LONG-DISTANCE WALKER REACHES THE GATE CITY

John Walsh, long distance walker, is the way he introduces himself. He walked into Omaha last night, being thirty-six days out of New York on his way to San Francisco, and he is 61 years old-at that.

Mr. Walsh made the same trip from New York to San Francisco and back in 1912 and is familiar with Omaha, having been a deputy sheriff here once

Traveling Man - Experience. "In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from 4 a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live: that I had best telegraph for my family. Instead of doing so, I gave the hotel porter to cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarracea Remedy, and take no substitute. I took a double doss according to the directions and went to sleep after the second dose. At 5 o'clock the next morning I was called by my order and took a train for my next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Women Who Have Rooms to Rent

-Will do well to advertise them in the Want Columns of THE BEE because in the immediate future, during the coming weeks of early Fall, many hundreds of strangers will come to Omaha. Hotels will be full, they must take rooms-YOUR rooms if you guide them to your home.

One need only to reflect a moment to realize the truth of the above assertions. Firstly, hundreds of students will be coming to attend our schools and colleges. Then, there will be Conventions, Festivals, Carnivals, etc.many of them. And they will all bring countless visitors.

Hotels will be crammed and jammed. Anyway, many people prefer a quiet, restful room in a private home rather than to stop at a public hotel.

> These people will be busy-they will have no time to run around looking for rooms. So you had better guide them to your place by a descriptive, little want ad together with your phone and address.

And here's something that is IM-PORTANT:-Everyone who advertises rooms for rent in the THE BEE gets listed FREE in our

Directory of Desirable Rooms

-This directory is maintained at the offices of The Bee for the convenience of those who are desirous of securing rooms. But it is of equal benefit to those who have rooms to rent, because we maintain a file in which are listed all the rooms advertised in THE BEE. People coming to the city are invited to come to our offices and make use of this list in deciding upon a place to live. See that YOUR rooms are represented in this classification.
