

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo.—"I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham Medicine Co., Lynn, Mass.

Soap Is Bad For the Hair

Soap should be used very sparingly, if at all, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mildified coconut oil (which is pure and glycerine), and is better than soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mildified coconut oil at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.—Advertisement.

Easy Way to Get Rid of Itching

Don't worry any more about that itching skin-trouble. Just get a jar of Resinol ointment and a cake of Resinol soap at any drug store. With the warm water bath the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the Resinol ointment, and cover with a light bandage—if necessary to protect the itching. This should be done twice a day. Usually the distressing itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again. For a trial free, write to Dept. 5-R, Resinol, Baltimore, Md.

A Never Failing Way to Banish Ugly Hairs

(Aids to Beauty.)

No woman is immune to superfluous growth, and because these are likely to appear at any time, it is advisable to always have some depilatory powder handy to use when the occasion arises. A paste is made with some of the powder and water and spread upon the hairy surface; in about 2 minutes this is carefully removed and the skin washed. You will then find that your skin is entirely free from hair or fuzz. Be sure, however, to get real deilone.—Advertisement.

"F" Type Submarines Are All Wrecked in Harbor of Honolulu

A letter describing the raising of the hull of United States submarine F-4, which was lost near Honolulu last spring with its crew of twenty men, has been received at the local navy recruiting station by First Class Boatwain's Mate Richard A. Dixon. It was written by one of Dixon's former shipmates, who helped raise the wreck with pontoons and chains. He wrote in part as follows:

"We at last have the F-4 in dry dock, and a most sorry sight it is. There is a hole in its bow, topside, about the torpedo hatch large enough to admit a Ford. The plates are driven back about fifteen feet. Everything is of the opinion the crew died quick."

"Everything was smashed, especially the battery. The plates were smashed into small parts and cut everything in its path. Most of the bodies were found in the engine room compartment."

"To top of everything, the supply came in last week, on its way to the United States. It got near the dock and its engine went on the blink and its bow hit the F-2, cutting through the hull right forward of the propellers. The force of the blow drove the F-2's nose under the F-3, the F-3 under the F-1 and the F-1 under a lighter, which they were moored to. It sure is some outfit. There is not one that is fit to dive with safety."

MRS. ASHER TO SPEAK AT MISSIONARY MEETING

MOHLER SAYS LARGE PART OF THE CORN CROP IS MADE

Just to ascertain the condition of the corn crop along the Nebraska lines of the system, President Mohler Wednesday made a trip out into the state. Mr. Mohler returns more optimistic than at any time in the past and asserts that a large portion of the corn through the Platte valley is made. Said Mr. Mohler:

"It looks as if Nebraska is going to have an enormous crop of corn. The light frosts have not injured any large portion of the corn. On the contrary, these frosts, followed by warm weather, are hastening the ripening."

Sundayisms at the Tab as Caught by Our Staff Artist

SUNDAY DOES NOT FEAR THE THREATS

Nevertheless Omaha Police Will Be Constantly On Guard at the Tabernacle.

While little stock is taken in the threat to blow up the Tabernacle with dynamite, made in the letter sent to Billy Sunday, Wednesday, the police are on the alert and are taking every precaution to prevent anything of the kind in the event that it should be attempted.

Chief Dunn of the police force has assigned a squad of officers to the Tabernacle, and hereafter they will be constantly on duty there. The matter of ferretting out the author of the letter has been turned over to Detectives Hayve and Donahoe, who are working on a number of clues. The Tabernacle was searched from ground to roof for evidences of bombs, but nothing was discovered. The platform and underneath were gone over thoroughly.

Mr. Sunday is not alarmed over the threat contained in the letter and will keep right on preaching and striking right and left, regardless of where the blows fall.

TALKS TO MOTHERS FRIDAY

At the Tabernacle Friday afternoon, while Mr. Sunday will preach a sermon to mothers, it will also be for all others as well. Those who have heard the sermon assert that it is one of the strongest that Mr. Sunday delivers.

Immediately after the sermon Friday afternoon Miss Saxe will start her Bible class. It is expected that several hundred will be enrolled. In the membership will be both men and women.

GREETINGS FROM W. C. T. U.

The Nebraska Woman's Christian Temperance union is holding its annual state convention in Grand Island, and this morning "Billy" Sunday received the following telegram from Lela G. Dyer, the corresponding secretary:

"Grand Island, Neb., Sept. 23.—William A. Sunday, Omaha, Neb.: The Women's Christian Temperance union of Nebraska, in convention assembled, sends greetings and recognizes in you a strong ally in its fight for prohibition in Nebraska."

Superintendent Graff of the public schools will co-operate with the police department by directing janitors and teachers to secure numbers of automobiles whose drivers ignore the slow-down signs at school buildings.

Superintendent Kugel sent the school superintendent a letter on the subject. The principal of Farnham school says she took the numbers of twenty violators in fifteen minutes.

Corn Limpers! Use "Gets-It" and Smile!

Corns Come Right Off, Clean and Quick! You Needn't Limp, or Fuss With Your Corns Any More.

What's the use of applying a good time for yourself by limping around with fierce corns? It's one of the easiest things in the world, now, to get rid of them. "Gets-It" does it the new way. That's why

"These Corns Come Right Off, Clear As a Whistle, by Using 'Gets-It'."

"Gets-It" has become the corn remedy of America, the biggest selling corn remedy in the world, preferred by millions. Do you remember that toe-eating salve you tried, that sticky tape, that toe-limping balm, the gouging you've done with knives, razors and scissors? Well now forget them all. No more fussing, no more pain. Whenever you use simple, easy "Gets-It" the corn is doomed, sure. So is every callous, wart or bunion. Never cut corns or callouses. It makes them grow that quick faster and increases the danger of blood poisoning. No cutting is necessary by using "Gets-It". Use it tonight and end your corny existence.

"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Omaha and recommended as the world's best corn remedy by Sherman & McConnell Drug Co.'s store.
